Applications Available: July 6, 2010.

Deadline for Transmittal of

Applications: August 5, 2010.

Full Text of Announcement**I. Funding Opportunity Description**

Purpose of Program: The SIP provides grants to eligible institutions of higher education (IHEs) to help them become self sufficient and expand their capacity to serve low-income students, by providing funds to improve and strengthen the institution's academic quality, institutional management and fiscal stability.

Priorities: Under this competition we are particularly interested in applications that address the following priorities.

Invitational Priorities: For FY 2010, there are four invitational priorities for this program. Under 34 CFR 75.105(c)(1) we do not give an application that meets these invitational priorities a competitive or absolute preference over other applications.

These priorities are:

Invitational Priority 1.

Support activities that will improve the institution's persistence and graduation rates.

Invitational Priority 2.

Work with the appropriate State agencies to develop strategies for using State longitudinal data systems to track outcomes for students attending the grantee institution, including the extent to which the students complete certificates, two-year degrees, and four-year degrees at other institutions.

Invitational Priority 3.

Develop academic programs to improve course completion rates or develop innovative support programs that are designed to increase completion rates.

Invitational Priority 4.

Develop dual enrollment programs that facilitate the transition between high school and college or career pathway programs that integrate basic academic instruction with technical or professional occupational training to advance individuals, particularly adult learners, on a career path toward high-wage occupations in high-demand industries.

Program Authority: 20 U.S.C. 1057-1059d (Title III, Part A of the Higher Education Act of 1965 (HEA)).

III. Eligibility Information

1. **Eligible Applicants:** This program is authorized by Title III, Part A, of the HEA. To qualify as an eligible institution under any Title III, Part A program, an institution must, among other requirements—

(1) Be accredited or preaccredited by a nationally recognized accrediting agency or association that the Secretary has determined to be a reliable authority as to the quality of education or training offered;

(2) Be legally authorized by the State in which it is located to be a junior college or to provide an educational program for which it awards a bachelor's degree;

(3) Be designated as an "eligible institution" by demonstrating that it: (A) Has an enrollment of needy students as described in 34 CFR 607.3; and B) has low average educational and general expenditures per full-time equivalent (FTE) undergraduate student as described in 34 CFR 607.4.

Relationship between the Title III, Part A programs and the Hispanic-Serving Institutions (HSI) program.

Note 1: A grantee under the Developing Hispanic-Serving Institutions (HSI) program, which is authorized under Title V of the HEA, may not receive a grant under any HEA, Title III, Part A program. The Title III, Part A programs include SIP, Tribally Controlled Colleges and Universities, Alaska Native and Native Hawaiian-serving Institutions, Asian American and Native American Pacific Islander-serving Institutions, and Native American-serving Nontribal Institutions. Further, a current HSI program grantee may not give up its HSI grant to receive a grant under any Title III, Part A program.

Note 2: An eligible HSI that does not fall within the limitation described in Note 1 (*i.e.*, is not a current grantee under the HSI program) may apply for a FY 2010 grant under all Title III, Part A programs for which it is eligible, as well as receive consideration for a grant under the HSI program. However, a successful applicant may receive only one grant.

Note 3: An eligible IHE that submits more than one application may only be awarded one individual development grant or one cooperative arrangement development grant in a fiscal year. We will not award a second cooperative arrangement development grant to an otherwise eligible IHE for the same award year as the IHE's existing cooperative arrangement development grant award.

Note 4: The Department will make five-year awards for individual development

grants and five-year awards for cooperative arrangement development grants in rank order from the funding slate according to the average score received from a panel of three readers.

2. a. **Cost Sharing or Matching:** This program does not require cost sharing or matching unless the grantee uses a portion of its grant for establishing or improving an endowment fund. If a grantee uses a portion of its grant for endowment fund purposes, it must match those grant funds with non-Federal funds (20 U.S.C. 1059c(c)(3)(B)).

b. **Supplement-Not-Supplant:** This program involves supplement-not-supplant funding requirements. Grant funds shall be used so that they supplement and, to the extent practical, increase the funds that would otherwise be available for the activities to be carried out under the grant and in no case supplant those funds (34 CFR 607.30(b)).

Page Limits: We have established mandatory page limits for the applications to be submitted under this notice. You must limit your application to the equivalent of no more than 50 pages for an individual development grant, and 70 pages for a cooperative arrangement development grant, using the following standards:

- A "page" is 8.5" x 11", on one side only, with 1 inch margins at the top, bottom, and both sides. Page numbers and an identifier may be outside the 1" margin.

- Double space (no more than three lines per vertical inch) all text in the application narrative, *except* titles, headings, footnotes, quotations, references, captions and all text in charts, tables, figures, and graphs. Charts, tables, figures, and graphs in the application narrative may be single spaced and will count toward the page limit.

- Use a font that is either 12 point or larger, and no smaller than 10 pitch (characters per inch).

- Use one of the following fonts: Times New Roman, Courier, Courier New, or Arial. Applications submitted in any other font (including Times Roman and Arial Narrow) will not be accepted.

- The page limit does not apply to Part I, Application for Federal Assistance (SF-424); the Supplemental Information for SF-424 Form required by the Department of Education; Part II, the Budget Information Summary Form (ED Form 524); and Part IV, the assurance and certifications. The page limit also does not apply to the one-page abstract, the table of contents, the resumes, and the bibliography. If you include any attachments or appendices, these items will be counted as part of the Program Narrative (Part III of the application) for purposes of the page limit requirement. You must include your complete response to the selection criteria in the program narrative.

- We will reject your application if you exceed the page limit.

3. **Submission Dates and Times:**
Applications Available: July 6, 2010.
Deadline for Transmittal of Applications: August 5, 2010.

Applications for grants under this program must be submitted electronically using the Electronic Grant Application System (e-Application) accessible through the Department's e-Grants site. For information (including dates and times) about how to submit your application electronically, or in paper format by mail or hand delivery if you qualify for an exception to the electronic submission requirement, please refer to section IV.7. **Other Submission Requirements** of this notice.

We do not consider an application that does not comply with the deadline requirements.

Individuals with disabilities who need an accommodation or auxiliary aid in connection with the application process should contact the person listed under **FOR FURTHER INFORMATION**

CONTACT in section VII in this notice. If the Department provides an accommodation or auxiliary aid to an individual with a disability in connection with the application process, the individual's application remains subject to all other requirements and limitations in this notice.

4. *Intergovernmental Review*: This program is subject to Executive Order 12372 and the regulations in 34 CFR part 79. Information about Intergovernmental Review of Federal Programs under Executive Order 12372 is in the application package for this program.

5. *Funding Restrictions*: We reference the regulations outlining funding restrictions in the *Applicable Regulations* section of this notice.

Applicability of Executive Order 13202. Applicants that apply for construction funds under the Title III, Part A programs, must comply with Executive Order 13202 signed by former President George W. Bush on February 17, 2001, and amended on April 6, 2001. This Executive Order provides that recipients of Federal construction funds may not "require or prohibit bidders, offerors, contractors, or subcontractors to enter into or adhere to agreements with one or more labor organizations, on the same or other construction project(s)" or "otherwise discriminate against bidders, offerors, contractors, or subcontractors for becoming or refusing to become or remain signatories or otherwise adhere to agreements with one or more labor organizations, on the same or other construction project(s)." However, the Executive Order does not prohibit contractors or subcontractors from voluntarily entering into these agreements. Projects funded under this program that include construction activity will be provided a copy of this Executive Order and will be asked to certify that they will adhere to it.

6. *Data Universal Numbering System Number, Taxpayer Identification Number, and Central Contractor Registry*: To do business with the Department of Education, (1) you must have a Data Universal Numbering System (DUNS) number and a Taxpayer Identification Number (TIN); (2) you must register both of those numbers with the Central Contractor Registry (CCR), the Government's primary registrant database; and (3) you must provide those same numbers on your application.

You can obtain a DUNS number from Dun and Bradstreet. A DUNS number can be created within one business day.

If you are a corporate entity, agency, institution, or organization you can obtain a TIN from the Internal Revenue Service. If you are an individual, you can obtain a TIN from the Internal Revenue Service or the Social Security Administration. If you need a new TIN, please allow 2–5 weeks for your TIN to become active.

The CCR registration process may take five or more business days to complete. If you are currently registered with the CCR, you may not need to make any changes. However, please make certain that the TIN associated with your DUNS number is correct. Also note that you will need to update your CCR registration on an annual basis. This may take three or more business days to complete.

7. *Other Submission Requirements*: Applications for grants under the SIP must be submitted electronically unless you qualify for an exception to this requirement in accordance with the instructions in this section.

a. *Electronic Submission of Applications*.

Applications for grants under the SIP—CFDA number 84.031A, must be submitted electronically using e-Application, accessible through the Department's e-Grants Web site at: <http://e-grants.ed.gov>.

We will reject your application if you submit it in paper format unless, as described elsewhere in this section, you qualify for one of the exceptions to the electronic submission requirement and submit, no later than two weeks before the application deadline date, a written statement to the Department that you qualify for one of these exceptions. Further information regarding calculation of the date that is two weeks before the application deadline date is provided later in this section under *Exception to Electronic Submission Requirement*.

While completing your electronic application, you will be entering data online that will be saved into a database. You may not e-mail an electronic copy of a grant application to us.

Please note the following:

- You must complete the electronic submission of your grant application by 4:30:00 p.m., Washington, DC time, on the application deadline date. E-Application will not accept an application for this program after 4:30:00 p.m., Washington, DC time, on the application deadline date. Therefore, we strongly recommend that you do not wait until the application deadline date to begin the application process.

- The hours of operation of the e-Grants Web site are 6:00 a.m. Monday until 7:00 p.m. Wednesday; and 6:00 a.m. Thursday until 8:00 p.m. Sunday, Washington, DC time. Please note that, because of maintenance, the system is unavailable between 8:00 p.m. on Sundays and 6:00 a.m. on Mondays, and between 7:00 p.m. on Wednesdays and 6:00 a.m. on Thursdays, Washington, DC time. Any modifications to these hours are posted on the e-Grants Web site.

- You will not receive additional point value because you submit your application in electronic format, nor will we penalize you if you qualify for an exception to the electronic submission requirement, as described elsewhere in this section, and submit your application in paper format.

- You must submit all documents electronically, including all information you typically provide on the following forms: The Application for Federal Assistance (SF 424), the Department of Education Supplemental Information for SF 424, Budget Information—Non-Construction Programs (ED 524), and all necessary assurances and certifications. You must attach any narrative sections of your application as files in a .DOC (document), .RTF (rich text), or .PDF (Portable Document) format. If you upload a file type other than the three file types specified in this paragraph or submit a password protected file, we will not review that material.

- Your electronic application must comply with any page limit requirements described in this notice.

- Prior to submitting your electronic application, you may wish to print a copy of it for your records.

- After you electronically submit your application, you will receive an automatic acknowledgment that will include a PR/Award number (an identifying number unique to your application).

- Within three working days after submitting your electronic application, fax a signed copy of the SF 424 to the Application Control Center after following these steps:

- (1) Print SF 424 from e-Application.
- (2) The applicant's Authorizing Representative must sign this form.
- (3) Place the PR/Award number in the upper right hand corner of the hard-copy signature page of the SF 424.
- (4) Fax the signed SF 424 to the Application Control Center at (202) 245–6272.

- We may request that you provide us original signatures on other forms at a later date.

Application Deadline Date Extension in Case of e-Application Unavailability:

If you are prevented from electronically submitting your application on the application deadline date because e-Application is unavailable, we will grant you an extension of one business day to enable you to transmit your application electronically, by mail, or by hand delivery. We will grant this extension if—

(1) You are a registered user of e-Application and you have initiated an electronic application for this competition; and

(2) (a) E-Application is unavailable for 60 minutes or more between the hours of 8:30 a.m. and 3:30 p.m., Washington, DC time, on the application deadline date; or

(b) E-Application is unavailable for any period of time between 3:30 p.m. and 4:30:00 p.m., Washington, DC time, on the application deadline date.

We must acknowledge and confirm these periods of unavailability before granting you an extension. To request this extension or to confirm our acknowledgment of any system unavailability, you may contact either (1) the person listed elsewhere in this notice under **FOR FURTHER INFORMATION CONTACT** (see VII. Agency Contact) or (2) the e-Grants help desk at 1-888-336-8930. If e-Application is unavailable due to technical problems with the system and, therefore, the application deadline is extended, an e-mail will be sent to all registered users who have initiated an e-Application. Extensions referred to in this section apply only to the unavailability of e-Application.

Exception to Electronic Submission Requirement: You qualify for an exception to the electronic submission requirement, and may submit your application in paper format, if you are unable to submit an application through the e-Application system because—

- You do not have access to the Internet; or

- You do not have the capacity to upload large documents to e-Application; and

- No later than two weeks before the application deadline date (14 calendar days or, if the fourteenth calendar day before the application deadline date falls on a Federal holiday, the next business day following the Federal holiday), you mail or fax a written statement to the Department, explaining which of the two grounds for an exception prevents you from using the Internet to submit your application. If you mail your written statement to the Department, it must be postmarked no later than two weeks before the application deadline date. If you fax your written statement to the

Department, we must receive the faxed statement no later than two weeks before the application deadline date.

Address and mail or fax your statement to: Imogene Byers or Darlene B. Collins, U.S. Department of Education, 1990 K Street, NW., 6th floor, Washington, DC 20006-8513. FAX: (202) 502-7861.

Your paper application must be submitted in accordance with the mail or hand delivery instructions described in this notice.

If you mail your application through the U.S. Postal Service, we do not accept either of the following as proof of mailing:

(1) A private metered postmark.

(2) A mail receipt that is not dated by the U.S. Postal Service.

If your application is postmarked after the application deadline date, we will not consider your application.

Note: The U.S. Postal Service does not uniformly provide a dated postmark. Before relying on this method, you should check with your local post office.

c. Submission of Paper Applications by Hand Delivery.

If you qualify for an exception to the electronic submission requirement, you (or a courier service) may deliver your paper application to the Department by hand. You must deliver the original and two copies of your application, by hand, on or before the application deadline date, to the Department at the following address: U.S. Department of Education, Application Control Center, Attention: (CFDA Number 84.031A), 550 12th

V. Application Review Information

1. **Selection Criteria:** The selection criteria for this program are from 34 CFR 607.22, paragraphs (a)–(g). Applicants must address each of the following selection criteria (separately for each proposed activity). The total weight of the selection criteria is 100 points; the maximum score for each criterion is noted in parentheses. The complete language of the selection criteria is in the application package for this competition.

(a) Quality of The Applicant's Comprehensive Development Plan (Maximum 25 Points).

(b) Quality of Activity Objectives (Maximum 15 Points).

(c) Quality of Implementation Strategy (Maximum 20 Points).

(d) Quality of Key Personnel (Maximum 7 Points).

(e) Quality of Project Management Plan (Maximum 10 Points).

(f) Quality of Evaluation Plan (Maximum 15 Points).

(g) Budget (Maximum 8 Points).

2. **Review and Selection Process:**

Awards will be made in rank order according to the average score received from a panel of three readers.

Tie-breaker for Development Grants.

In tie-breaking situations for development grants, 34 CFR 607.23(b) of the regulations requires that we award one additional point to an application from an IHE that has an endowment fund of which the current market value, per full time equivalent (FTE) enrolled student, is less than the average current market value of the endowment funds, per FTE enrolled student at similar type

institutions. We award one additional point to an application from an IHE that had expenditures for library materials per FTE enrolled student that are less than the average expenditure for library materials per FTE enrolled student at similar type institutions. We also add one additional point to an application from an IHE that proposes to carry out one or more of the following activities—

- (1) Faculty development;
- (2) Funds and administrative management;
- (3) Development and improvement of academic programs;
- (4) Acquisition of equipment for use in strengthening management and academic programs;
- (5) Joint use of facilities; and
- (6) Student services.

For the purpose of these funding considerations, we use 2007–2008 data.

If a tie remains after applying the tie-breaker mechanism above, priority will be given in the case of applicants for: (a) Individual development grants to applicants that have the lowest endowment values per FTE enrolled student; and (b) cooperative arrangement development grants to applicants in accordance with section 394(b) of the HEA, if the Secretary determines that the cooperative arrangement is geographically and economically sound or will benefit the applicant institution.

VI. Award Administration Information

1. *Award Notices:* If your application is successful, we notify your U.S. Representative and U.S. Senators and send you a Grant Award Notification (GAN). We may notify you informally, also.

If your application is not evaluated or not selected for funding, we notify you.

2. *Administrative and National Policy Requirements:* We identify administrative and national policy requirements in the application package and reference these and other requirements in the *Applicable Regulations* section in this notice.

We reference the regulations outlining the terms and conditions of an award in the *Applicable Regulations* section of this notice and include these and other specific conditions in the GAN. The GAN also incorporates your approved application as part of your binding commitments under the grant.

3. *Reporting:* At the end of your project period, you must submit a final performance report, including financial information, as directed by the Secretary. If you receive a multi-year award, you must submit an annual performance report that provides the most current performance and financial

expenditure information as directed by the Secretary in 34 CFR 75.118 and 34 CFR 607.31. The Secretary may also require more frequent performance reports under 34 CFR 75.720(c). For specific requirements on reporting, please go to <http://www.ed.gov/fund/grant/apply/appforms/appforms.html>.

4. *Performance Measures:* The Secretary has established the following key performance measures for assessing the effectiveness of the Title III, Part A SIP:

a. The percentage change, over the 5-year period, of the number of full-time degree-seeking undergraduates enrolled at SIP institutions. Note that this is a long-term measure, which will be used to periodically gauge performance, beginning in FY 2009;

b. The percentage of first-time, full-time degree-seeking undergraduate students at 4-year SIP institutions who were in their first year of postsecondary enrollment in the previous year and are enrolled in the current year at the same SIP institution;

c. The percentage of first-time, full-time degree-seeking undergraduate students at 2-year SIP institutions who were in their first year of postsecondary enrollment in the previous year and are enrolled in the current year at the same SIP institution;

d. The percentage of first-time, full-time degree-seeking undergraduate students enrolled at 4-year SIP institutions graduating within 6 years of enrollment; and

e. The percentage of first-time, full-time degree-seeking undergraduate students enrolled at 2-year SIP institutions graduating within 3 years of enrollment.

ACTION: Notice inviting applications for new awards for fiscal year (FY) 2010; Correction.

SUMMARY: On June 21, 2010, we published in the **Federal Register** (75 FR 34994) a notice inviting applications for new awards for FY 2010 for the Predominantly Black Institutions Formula Grant Program (PBI Notice). The PBI Notice incorrectly indicated that this program was subject to intergovernmental review under Executive Order 12372 and 34 CFR part 79, and established deadlines for the completion of intergovernmental review.

SUPPLEMENTARY INFORMATION:

Correction

This notice corrects the PBI Notice by removing the deadlines for intergovernmental review and revising language about the applicability of provisions regarding intergovernmental review to this program. Accordingly, the Department is making the following corrections to the PBI Notice:
