RAILROAD RETIREMENT BOARD

Agency Forms Submitted for OMB Review, Request for Comments

SUMMARY: In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. Chapter 35), the Railroad Retirement Board (RRB) is forwarding an Information Collection Request (ICR) to the Office of Information and Regulatory Affairs (OIRA), Office of Management and Budget (OMB) to request a revision to a currently approved collection of information: 3220-0022, Application and Claim for Unemployment Benefits and Employment Service consisting of Form(s) UI-1 and UI-1 (Internet), Application for Unemployment Benefits and Employment Service, and UI-3 and UI-3 (Internet), Claim for Unemployment Benefits. Our ICR describes the information we seek to collect from the public. Review and approval by OIRA ensures that we impose appropriate paperwork burdens.

The RRB invites comments on the proposed collection of information to determine (1) the practical utility of the collection; (2) the accuracy of the estimated burden of the collection; (3) ways to enhance the quality, utility and clarity of the information that is the subject of collection; and (4) ways to minimize the burden of collections on respondents, including the use of automated collection techniques or other forms of information technology. Comments to RRB or OIRA must contain the OMB control number of the ICR. For proper consideration of your comments, it is best if RRB and OIRA receive them within 30 days of publication date.

Section 2 of the Railroad Unemployment Insurance Act (RUIA), provides unemployment benefits for qualified railroad employees. These benefits are generally payable for each day of unemployment in excess of four during a registration period (normally a period of 14 days).

Section 12 of the RUIA provides that the RRB establish, maintain and operate free employment facilities directed toward the reemployment of railroad employees. The procedures for applying for the unemployment benefits and employment service and for registering and claiming the benefits are prescribed in 20 CFR part 325.

Form UI-1 (or its Internet equivalent, Form UI-1 (Internet)), *Application for Unemployment Benefits and Employment Service*, is completed by a claimant for unemployment benefits once in a benefit year, at the time of first registration. Completion of Form UI-1 or UI-1 (Internet) also registers an unemployment claimant for the RRB's employment service. The RRB also utilizes Form UI-3, (or its Internet equivalent Form UI-3 (Internet)) *Claim for Unemployment Benefits* for use in claiming unemployment benefits for days of unemployment in a particular registration period, normally a period of 14 days.

Completion of Forms UI-1, UI-1 (Internet), UI-3 and UI-3 (Internet) is required to obtain or retain benefits. The number of responses required of each claimant varies, depending on their period of unemployment.

Previous Requests for Comments: The RRB has already published the initial 60-day notice (72 FR 47085-86 on August 22, 2007) required by 44 U.S.C. 3506(c)(2). That request elicited no comments.

[Release No. 34-56682; File No. SR-FINRA-2007-013]

Self-Regulatory Organizations; Financial Industry Regulatory Authority, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change Relating to Amendments to NASD Rule 3210 in Light of Amendments to the SEC Regulation SHO Delivery Requirements

October 22, 2007.

Pursuant to section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on September 12, 2007, Financial Industry Regulatory Authority, Inc. ("FINRA") (f/k/a National Association of Securities Dealers, Inc. ("NASD")) filed with the Securities and Exchange Commission ("SEC" or "Commission") the proposed rule change as described in Items I, II and III below, which Items have been prepared substantially by FINRA. FINRA has designated the proposed rule change as constituting a "non-controversial" rule change under

paragraph (f)(6) of Rule 19b-4 under the Act,³ which renders the proposal effective upon receipt of this filing by the Commission. The Commission is publishing this notice to solicit comments on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

FINRA is proposing to amend NASD Rule 3210 (Short Sale Delivery Requirements) in light of the amendments to Rule 203 of Regulation SHO under the Act.⁴

Below is the text of the proposed rule change. Proposed new language is *italicized*; proposed deletions are in [brackets].

* * * * *

3210. Short Sale Delivery Requirements

(a) If a participant of a registered clearing agency has a fail to deliver position at a registered clearing agency in a non-reporting threshold security for 13 consecutive settlement days, the participant shall immediately thereafter close out the fail to deliver position by purchasing securities of like kind and quantity.

(1) *Provided, however, a participant of a registered clearing agency that has a fail to deliver position at a registered clearing agency in a non-reporting threshold security on October 15, 2007, and which, prior to October 15, 2007, had been previously grandfathered from the close-out requirement in paragraph (a) (i.e., because the participant of a registered clearing agency had the fail to deliver position at a registered clearing agency on the settlement day preceding the day that the security became a non-reporting threshold security), shall close out that fail to deliver position within thirty-five settlement days of October 15, 2007 by purchasing securities of like kind and quantity. The requirements in paragraph (b) shall apply to all such fails to deliver that are not closed out in conformance with this paragraph (a)(1).*

(2) *Provided, however, if a participant of a registered clearing agency has a fail to deliver position at a registered clearing agency for thirty-five consecutive settlement days in a non-reporting threshold security that was sold pursuant to SEC Rule 144, the participant shall immediately thereafter close out the fail to deliver position in the security by purchasing securities of like kind and quantity. The requirements in paragraph (b) shall*

apply to all such fails to deliver that are not closed out in conformance with this paragraph (a)(2).

[(b) The provisions of this rule shall not apply to the amount of the fail to deliver position that the participant of a registered clearing agency had at a registered clearing agency on the settlement day immediately preceding the day that the security became a non-reporting threshold security; provided, however, that if the fail to deliver position at the clearing agency is subsequently reduced below the fail to deliver position on the settlement day immediately preceding the day that the security became a non-reporting threshold security, then the fail to deliver position excepted by this paragraph (b) shall be the lesser amount.]

(b)[(c)] If a participant of a registered clearing agency has a fail to deliver position at a registered clearing agency in a non-reporting threshold security for 13 consecutive settlement days (or 35 consecutive settlement days if entitled to rely on paragraphs (a)(1) or (a)(2) of this rule), the participant and any broker or dealer for which it clears transactions, including any market maker that would otherwise be entitled to rely on the exception provided in paragraph (b)(2)(iii) of SEC Rule 203 of Regulation SHO, may not accept a short sale order in the non-reporting threshold security from another person, or effect a short sale in the non-reporting threshold security for its own account, without borrowing the security or entering into a bona-fide arrangement to borrow the security, until the participant closes out the fail to deliver position by purchasing securities of like kind and quantity.

(c)[(d)] If a participant of a registered clearing agency reasonably allocates a portion of a fail to deliver position to another registered broker or dealer for which it clears trades or for which it is responsible for settlement, based on such broker or dealer's short position, then the provisions of this rule relating to such fail to deliver position shall apply to the portion of such registered broker or dealer that was allocated the fail to deliver position, and not to the participant.

(d)[(e)] A participant of a registered clearing agency shall not be deemed to have fulfilled the requirements of this rule where the participant enters into an arrangement with another person to purchase securities as required by this rule, and the participant knows or has reason to know that the other person will not deliver securities in settlement of the purchase.
