These two methods of payment are used by licensees, applicants, and individuals to pay civil penalties, full cost licensing fees, and inspection fees to the NRC. The NRC Form 628, "Financial EDI Authorization," provides an option to make electronic payment through the Automated Clearinghouse (ACH) Network and authorizes the licensee's bank to pay invoices to the NRC through the ACH. The NRC Form 628 requests the licensee's name; electronic funds transfer contact, telephone number, address, authorized signature and title. NRC Form 629, "Authorization for Payment by Credit Card," is another option used to authorize payment. The credit card authorization form is used by licensees to authorize payment by credit card for license fees and for payment of fees for fingerprint cards, and solicits information that identifies the cardholder's name, address, account number, card expiration date, cards accepted, cardholder's signature, invoice number or license number.

There are no recordkeeping requirements associated with this collection.
