

OMB Control Number: 2120–0597.
Title: Application for Employment with the Federal Aviation Administration.

Form Numbers: There are no FAA forms associated with this collection. Information is collected via the Office of Personnel Management (OPM) online USAJOBS system and the FAA's Automated Vacancy Information Access Tool for Online Referral (AVIATOR) staffing tool.

Type of Review: Renewal of an information collection.

Background: Under the provisions of Public Law 104–50, the Federal Aviation Administration (FAA) was given the authority and the responsibility for developing and implementing its own personnel system. The agency requests certain information needed to determine basic eligibility for employment and potential eligibility for veteran's preference and Veteran's Readjustment Act appointments. In addition, occupation specific questions assist us in determining candidates' qualifications so that we may hire only the best-qualified candidates for our many aviation safety-related occupations.

Respondents: Approximately 118,000 applicants annually.

Frequency: Information is collected on occasion.

Estimated Average Burden per Response: 1.5 hours.

Estimated Total Annual Burden: 177,000 hours.

ADDRESSES: Send comments to the FAA at the following address: Ms. Kathy DePaepe, Room 126B, Federal Aviation Administration, AES–200, 6500 S. MacArthur Blvd., Oklahoma City, OK 73169.

Public Comments Invited: You are asked to comment on any aspect of this information collection, including (a) Whether the proposed collection of information is necessary for FAA's performance; (b) the accuracy of the estimated burden; (c) ways for FAA to enhance the quality, utility and clarity of the information collection; and (d) ways that the burden could be minimized without reducing the quality of the collected information. The agency will summarize and/or include your comments in the request for OMB's clearance of this information collection.

Issued in Washington, DC, on September 25, 2012.

Albert R. Spence,

FAA Assistant Information Collection Clearance Officer, IT Enterprises Business Services Division, AES–200.

Agency Information Collection Activities: Requests for Comments; Clearance of Renewed Approval of Information Collection: Damage Tolerance and Fatigue Evaluation of Composite Rotorcraft Structures

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice and request for comments.

SUMMARY: In accordance with the Paperwork Reduction Act of 1995, FAA invites public comments about our intention to request the Office of Management and Budget (OMB) approval to renew an information collection. The **Federal Register** Notice with a 60-day comment period soliciting comments on the following collection of information was published on July 19, 2012, vol. 77, no. 139, page 42547–42548. To obtain type certification of a rotorcraft, applicants must submit substantiating data to show that the rotorcraft complies with specific certification requirements.

DATES: Written comments should be submitted by November 1, 2012.

FOR FURTHER INFORMATION CONTACT: Kathy DePaepe at (405) 954–9362, or by email at: *Kathy.A.DePaepe@faa.gov*.

SUPPLEMENTARY INFORMATION:

OMB Control Number: 2120–0753.

Title: Damage Tolerance and Fatigue Evaluation of Composite Rotorcraft Structures.

Form Numbers: There are no FAA forms associated with this collection.

Type of Review: Renewal of an information collection.

Background: A final rule (76 FR 74655) revised parts 27 and 29 of Title 14 of the Code of Federal Regulations to add new certification standards for normal and transport category rotorcraft to address advances in structural damage tolerance and fatigue substantiation technology for composite rotorcraft structures. In order to show compliance and obtain type certification, applicants must submit substantiating data which is reviewed by the FAA to determine if the rotorcraft complies with the applicable minimum safety requirements for damage tolerance and fatigue evaluation of composite structures and that the rotorcraft has no unsafe features in the composite structures.

Respondents: 10.5 applicants for part 27 rotorcraft and 6 applicants for part 29 rotorcraft over 27 years.

Frequency: Information is collected on occasion.

Estimated Average Burden per Response: 178 hours.

Estimated Total Annual Burden: 109 hours annually over a 27 year period.

ADDRESSES: Interested persons are invited to submit written comments on the proposed information collection to the Office of Information and Regulatory Affairs, Office of Management and Budget. Comments should be addressed to the attention of the Desk Officer, Department of Transportation/FAA, and sent via electronic mail to *oira_submission@omb.eop.gov*, or faxed to (202) 395–6974, or mailed to the Office of Information and Regulatory Affairs, Office of Management and Budget, Docket Library, Room 10102, 725 17th Street NW., Washington, DC 20503.

Public Comments Invited: You are asked to comment on any aspect of this information collection, including (a) Whether the proposed collection of information is necessary for FAA's performance; (b) the accuracy of the estimated burden; (c) ways for FAA to enhance the quality, utility and clarity of the information collection; and (d) ways that the burden could be minimized without reducing the quality of the collected information. The agency will summarize and/or include your comments in the request for OMB's clearance of this information collection.
