SUPPLEMENTARY INFORMATION: On January 26, 2021, the Copyright Royalty Judges (Judges) received a Joint Notice of Settlement of Participating Parties¹ informing the Judges that they have agreed not to seek a quinquennial adjustment in the existing Section 111 royalty rates or gross receipts limitations pursuant to 17 U.S.C. 804(b)(1)(A)–(B) for the 2020–2025 period. As a result, the Participating Parties request that the Judges terminate this proceeding without making any changes in (1) the royalty rates currently set forth in 17 U.S.C. 111(d)(1)(B) and 37 CFR 256.2(c)–(d);² and (2) the gross receipts limitations set forth in 17 U.S.C. 111(d)(1)(E)–(F). Joint Notice at 2. The Judges hereby publish the proposed settlement and request comments from interested parties as required by 17 U.S.C. 801(b)(7)(A).

Section 111 of the Copyright Act grants a statutory copyright license to cable television systems for the distant retransmission of over-the-air television and radio broadcast stations to their subscribers. 17 U.S.C. 111(c). In exchange for the license, cable operators submit to the Copyright Office semiannually royalty payments and statements of account detailing their retransmissions. 17 U.S.C. 111(d)(1). The Copyright Office deposits the royalties into the United States Treasury for later distribution to copyright

owners of the broadcast programming that the cable systems retransmit. 17 U.S.C. 111(d)(2).

A cable system calculates its royalty payments in accordance with the statutory formula described in 17 U.S.C. 111(d)(1). Royalty rates are based upon a cable system's gross receipts from subscribers who receive retransmitted broadcast signals. For rate calculation purposes, cable systems are divided into three tiers (small, medium, and large) based on their gross receipts. 17 U.S.C. 111(d)(1)(B) through (F). Both the applicable rates and the tiers are subject to adjustment. 17 U.S.C. 801(b)(2).

Every five years persons with a significant interest in the royalty rates may file petitions to initiate a proceeding to adjust the rates. 17 U.S.C. 804(a)–(b). No person with a significant interest filed a petition to initiate a proceeding in 2020. Therefore, the Judges initiated a rate adjustment proceeding by publishing a notice and request for petitions to participate in the **Federal Register**. 85 FR 34467 (June 4, 2020). The Judges accepted the petitions to participate of each of the Participating Parties and commenced a Voluntary Negotiation Period (VNP). Notice of Participants, Commencement of Voluntary Negotiation Period, and Scheduling Order (Oct. 20, 2020).³ In response to that Notice and Order, the Participating Parties have notified the Judges that they have agreed not to seek a quinquennial adjustment in the existing Section 111 royalty rates or gross receipts limitations pursuant to 17 U.S.C. 804(b)(1)(A)–(B) for the 2020–2025 period. They request that the Judges terminate this proceeding without making any changes in the applicable royalty rates and gross receipts limitations.

Section 801(b)(7)(A) allows for the adoption of rates and terms negotiated by “some or all of the participants in a proceeding at any time during the proceeding” provided the parties submit the negotiated rates and terms to the Judges for approval. That provision directs the Judges to provide those who would be bound by the negotiated rates and terms an opportunity to comment on the agreement. Unless a participant in a proceeding objects and the Judges conclude that the agreement does not

³ The Judges also received a petition to participate from Circle God Network Inc. (through David Powell), which the Judges concluded failed to state why it believed it had a significant interest in the proceeding. The Judges subsequently rejected Mr. Powell's petition to participate, Order Rejecting David Powell's Petition to Participate and Permitting Filing of an Amended Petition (Oct. 20, 2020), and later dismissed Mr. Powell from the proceeding. Order Dismissing David Powell (Nov. 5, 2020).

provide a reasonable basis for setting statutory rates or terms, the Judges adopt the negotiated rates and terms. 17 U.S.C. 801(b)(7)(A).

If the Judges adopt the proposed rates and terms pursuant to this provision for the 2020–2025 rate period, the adopted (and thus, existing) rates and terms and gross receipts limitations will continue to be binding on all cable systems that retransmit distantly over-the-air television and radio broadcast stations to their subscribers and on all copyright owners of the broadcast programming that the cable systems retransmit during the license period 2020–2025.

Interested parties may comment and Participating Parties may object to the proposed settlement referenced in this notice. See 17 U.S.C. 801(b)(7)(A). Such comments and objections, if any, must be submitted no later than February 25, 2021.

Dated: January 29, 2021.

Jesse M. Feder,

Chief Copyright Royalty Judge.

NATIONAL SECURITY COMMISSION ON ARTIFICIAL INTELLIGENCE

[Docket No.: 1–2021–03]

National Security Commission on Artificial Intelligence; Notice of Extension of Federal Advisory Committee Meeting

AGENCY: National Security Commission on Artificial Intelligence.

ACTION: Notice of extension of Federal Advisory Committee meeting.

SUMMARY: The National Security Commission on Artificial Intelligence (the “Commission”) is publishing this

notice to announce the administrative extension of an asynchronous Federal Advisory Committee meeting and paper review process. The meeting will be closed to the public.

DATES: Closed to the public, the asynchronous meeting date is extended from February 14, 2021 to February 28, 2021.

FOR FURTHER INFORMATION CONTACT: Ms. Angela Ponmakha, 703–614–6379 (Voice), *nscai-dfo@nscai.gov*. Mailing address: Designated Federal Officer, National Security Commission on Artificial Intelligence, 2530 Crystal Drive, Box 45, Arlington, VA 22202. Website: <https://www.nsc.ai.gov>.

SUPPLEMENTARY INFORMATION: As referred to in the Commission’s original **Federal Register** notice (85 FR 76613), the meeting and paper review process are being held to consider the Commission’s draft classified annex. Due to circumstances beyond the control of the Commission—including travel and social distancing restrictions on in-person meetings imposed by the COVID–19 pandemic—the Commission will be unable to complete the review process of the classified annex. As such, the Commission is administratively extending the asynchronous meeting period previously scheduled to end on or about February 14, 2021 by two weeks, to February 28, 2021. As described in the original notice, individual commissioners or small groups of commissioners may meet with Commission staff during this period of time to review, discuss, and deliberate specifically on the Commission’s draft classified annex. All materials and discussions are expected to be classified.

Meeting Accessibility: In accordance with Section 10(d) of the FACA, NSCAI has determined the series of meetings and paper approval process will be closed to the public. Specifically, the Commission’s Committee Management Officer, in consultation with the General Services Administration’s Secretariat and Office of General Counsel, has determined in writing that the meetings will be closed to the public because they will consider matters covered by 5 U.S.C. 552b(c)(1). The determination is based on the consideration that it is expected that discussions throughout the course of each meeting and the paper approval process will involve classified matters of national security concern. Such classified material is so intertwined with the unclassified material that it cannot be reasonably segregated into separate discussions without defeating the effectiveness and meaning of the overall meetings. To

permit the meetings to be open to the public would preclude discussion of such matters and would greatly diminish the ultimate utility of the Commission’s findings and recommendations to the Congress and the President.

Written Statements: Written comments may be submitted to the Commission at any time regarding its mission or in response to the stated agenda of planned meetings via email to: *nscai-dfo@nscai.gov* in either Adobe Acrobat or Microsoft Word format. The DFO will compile all written submissions and provide them to the Commissioners for consideration. Please note that all submitted comments will be treated as public documents and will be made available for public inspection, including, but not limited to, being posted on the Commission’s website.

Dated: January 29, 2021.

Michael Gable,
Chief of Staff.
