**BILLING CODE 4310-22-P****DEPARTMENT OF JUSTICE****Notice of Extension of Public Comment Period for Consent Decree Under the Comprehensive Environmental Response, Compensation, and Liability Act**

On December 1, 2010, a proposed Consent Decree with Brown County and the City of Green Bay was lodged with the United States District Court for the Eastern District of Wisconsin in a case captioned *United States and the State of Wisconsin v. NCR Corp., et al.*, Case No. 10-C-910 (E.D. Wis.). The Complaint in that case alleges claims under the Comprehensive Environmental Response, Compensation, and Liability Act ("CERCLA"), 42 U.S.C. 9601-75, against Brown County, the City of Green Bay, and twelve other defendants concerning polychlorinated biphenyl contamination at the Lower Fox River and Green Bay Superfund Site in northeastern Wisconsin (the "Site").

If approved by the Court after a public comment period, the proposed Consent Decree would resolve Brown County's and the City of Green Bay's potential liability for response costs, response actions, and natural resource damages associated with the Site, on the terms and conditions set forth in the Decree. The proposed Consent Decree also would resolve the United States Government's potential liability for response costs, response actions, and natural resource damages associated with the Site under CERCLA. Under the proposed Consent Decree, Brown County, Green Bay, and the United States would pay a total of \$5.2 million (\$350,000 each from Brown County and Green Bay and \$4.5 million from the United States). If the Decree is approved, the \$5.2 million would be paid into a set of Site-specific special accounts for use in financing future cleanup and natural resource restoration work at the Site.

In a **Federal Register** Notice published on December 7, 2010, the Department of Justice announced its intention to receive comments relating to the Consent Decree for a period of thirty (30) days from the date of that publication. 75 FR 76,025 (Dec. 7, 2010). In response to a number of requests, the Department of Justice is extending that
