SUPPLEMENTARY INFORMATION: Title V of Public Law 105-383 provides authority to the Secretary of Transportation to administratively waive the U.S.-build requirements of the Jones Act, and other statutes, for small commercial passenger vessels (no more than 12 passengers). This authority has been delegated to the Maritime Administration per 49 CFR § 1.66, Delegations to the Maritime Administrator, as amended. By this notice, MARAD is publishing information on a vessel for which a request for a U.S.-build waiver has been received, and for which MARAD requests comments from interested parties. Comments should refer to the docket number of this notice and the vessel name in order for MARAD to properly consider the comments. Comments should also state the commenter's interest in the waiver application, and address the waiver criteria given in § 388.4 of MARAD's regulations at 46 CFR part 388.

Vessel Proposed for Waiver of the U.S.-build Requirement

(1) Name of vessel and owner for which waiver is requested. *Name of vessel:* MOTIVATION. *Owner:* Richard Keith Carroll, Jr. & Lauren C. Carroll.

(2) Size, capacity and tonnage of vessel. *According to the applicant:* "Length: 40", Breadth: 13'2", Depth: 6'5", Capacity: 6 or fewer passengers, Gross Tonnage: 21, Net Tonnage: 16."

(3) Intended use for vessel, including geographic region of intended operation and trade. According to the applicant: Sport fishing charters with twelve or fewer passengers. All contiguous U.S. coastal waters, primarily in New England and Florida and excluding Alaskan waters."

(4) Date and Place of construction and (if applicable) rebuilding. *Date of construction:* June 1999. *Place of construction:* San Jose, Costa Rica.

(5) A statement on the impact this waiver will have on other commercial passenger vessel operators. According to the applicant: "This waiver will have little or no impact. This vessel will carry six or fewer passengers on either full day of one-half day trips. This represents an extremely small percentage of the sport fishing charter business." 6) A statement on the impact this waiver will have on U.S. shipyards. According to the applicant: "None * * * Allowing this relatively small vessel to engage in sport fishing charter will not affect demand for boats from U.S. shipyards."

Dated: August 6, 2002.

[Docket Number: MARAD-2002-13051]

Requested Administrative Waiver of the Coastwise Trade Laws

AGENCY: Maritime Administration, Department of Transportation.

ACTION: Invitation for public comments on a requested administrative waiver of the Coastwise Trade Laws for the vessel REEL TIME.

SUMMARY: As authorized by Pub. L. 105-383, the Secretary of Transportation, as represented by the Maritime Administration (MARAD), is authorized to grant waivers of the U.S.-build requirement of the coastwise laws under certain circumstances. A request for such a waiver has been received by MARAD. The vessel, and a description of the proposed service, is listed below. Interested parties may comment on the effect this action may have on U.S. vessel builders or businesses in the U.S. that use U.S.-flag vessels. If MARAD determines that in accordance with Pub. L. 105-383 and MARAD's regulations at 46 CFR part 388 (65 FR 6905; February 11, 2000) that the issuance of the waiver will have an unduly adverse effect on a U.S.-vessel builder or a business that uses U.S.-flag vessels, a waiver will not be granted.

DATES: Submit comments on or before September 11, 2002.

ADDRESSES: Comments should refer to docket number MARAD-2002-13051. Written comments may be submitted by hand or by mail to the Docket Clerk, U.S. DOT Dockets, Room PL-401,

Department of Transportation, 400 7th St., SW., Washington, DC 20590-0001. You may also send comments electronically via the Internet at <http://dmses.dot.gov/submit/>. Vessel Proposed for Waiver of the U.S.-build Requirement

(1) Name of vessel and owner for which waiver is requested. *Name of vessel:* SAPHIRE. *Owner:* Albatroz, LLC.

(2) Size, capacity and tonnage of vessel. *According to the applicant:* "Length: 86.8 ft., Breadth: 21.6 ft., Depth: 9.8 ft., Gross Tonnage: 77, Net Tonnage: 23."

(3) Intended use for vessel, including geographic region of intended operation and trade. *According to the applicant:* "The Company intends to charter the Vessel between Bar Harbor, Maine and

Newport, Rhode Island and will carry no more than 12 passengers for hire."

(4) Date and Place of construction and (if applicable) rebuilding. *Date of construction: 1997. Place of construction: Makkum, Netherlands.*

(5) A statement on the impact this waiver will have on other commercial passenger vessel operators. According to the applicant: "The Company does not believe that any existing commercial passenger vessel operators that provide, or intend to provide, similar commercial services in the same geographic region would suffer any unduly adverse affect as a result of the proposed operations of the Vessel. The Company contacted two large charter managers servicing similar commercial service operators in the same geographic region. In the combined fleet of these charter management companies, there were only two sailboats offering commercial passenger operations in the area. Both charter management companies indicated a strong need and demand for additional sailboats ranging between 60' and 120' for coastwise trade in the region."

(6) A statement on the impact this waiver will have on U.S. shipyards. According to the applicant: "The Company is aware of only one U.S.-vessel builder that has the capability and capacity to build a vessel similar to the Vessel. It is the opinion of the undersigned that this American builder would not suffer any unduly adverse affect as a result of this request of waiver of the coastwise trade laws."
