

Bureau of Ocean Energy Management (BOEM) on Wind Energy Development in the Gulf of Mexico.

The Council will hold public comment testimony from 1:30 p.m. to 5 p.m., CDT on fishery issues or concerns. Public comment may begin earlier than 1:30 p.m. CDT, but will not conclude before that time. Persons wishing to give public testimony in-person must register at the registration kiosk in the meeting room. Persons wishing to give public testimony virtually must sign up via the link on the Council website. Registration for virtual testimony is open at the start of the meeting, Monday, August 14th at 8 a.m., CDT and closes one hour before public testimony begins on Wednesday, August 16th at 12:30 p.m. CDT. Public testimony may end before the published agenda time if all registered in-person and virtual participants have completed their testimony.

Thursday, August 17, 2023; 8 a.m.–4:30 p.m., CDT

The Council will receive Committee reports from Administrative/Budget, *Migratory Species*, Data Collection, *Sustainable Fisheries*, *Reef Fish*, *Mackerel and Shrimp* Management Committees. The Council will receive updates from the following supporting agencies: Texas Law Enforcement Efforts; South Atlantic Fishery Management Council; NOAA Office of Law Enforcement (OLE); Gulf States Marine Fisheries Commission; U.S. Coast Guard; U.S. Fish and Wildlife Service; and Department of State.

The Council will discuss any Other Business items; any remaining updates on Litigation and hold an Election of Chair and Vice-Chair.

Meeting Adjourns

The meeting will be a hybrid meeting; both in-person and virtual participation available. You may register for the webinar to listen-in only by visiting www.gulfcouncil.org and click on the Council meeting on the calendar.

The timing and order in which agenda items are addressed may change as required to effectively address the issue, and the latest version along with other meeting materials will be posted on the website as they become available.

Although other non-emergency issues not contained in this agenda may come before this group for discussion, in accordance with the Magnuson-Stevens Fishery Conservation and Management Act (Magnuson-Stevens Act), those issues may not be the subject of formal action during these meetings. Actions will be restricted to those issues specifically listed in this notice and any

issues arising after publication of this notice that require emergency action under Section 305(c) of the Magnuson-Stevens Act, provided that the public has been notified of the Council's intent to take final action to address the emergency.

ACTION: Notice of seminar series presentation via webinar.

SUMMARY: The South Atlantic Fishery Management Council (Council) will host a presentation on the status of on-demand gear for the U.S. South Atlantic Black Sea Bass pot fishery via webinar August 8, 2023.

DATES: The webinar presentation will be held on Tuesday, August 8, 2023, from 1 p.m. until 2:30 p.m.

ADDRESSES: The presentation will be provided via webinar. The webinar is open to members of the public. Information, including a link to webinar registration will be posted on the Council's website at: <https://safmc.net/safmc-seminar-series/> as it becomes available.

Council address: South Atlantic Fishery Management Council, 4055 Faber Place Drive, Suite 201, N Charleston, SC 29405.

FOR FURTHER INFORMATION CONTACT: Kim Iverson, Public Information Officer, SAFMC; phone: (843) 302–8439 or toll free: (866) SAFMC–10; fax: (843) 769–4520; email: kim.iverson@safmc.net.

SUPPLEMENTARY INFORMATION: The Council will host a presentation from the National Marine Fisheries Service on the value and benefits of on-demand fishing gear for the U.S. South Atlantic Black Sea Bass pot fishery and North Atlantic Right Whales. The presentation will discuss the history of the current area closure for pot fishing during North Atlantic Right Whales calving season to reduce entanglement risk. Since 2020, experimental on-demand gear has been authorized and trialled by commercial fishermen in the black sea bass pot fishery. The researchers will discuss the potential benefits of the new gear for fishermen and discuss how the new gear presents minimal entanglement risk to endangered North Atlantic Right Whales. A question-and-answer session will follow the presentation. Members of the public will have the opportunity to participate in the discussion. The presentation is for informational purposes only and no management actions will be taken.

Special Accommodations

The meeting is physically accessible to people with disabilities. Requests for auxiliary aids should be directed to the Council office (see **ADDRESSES**) 5 days prior to the meeting.
