### SUPPLEMENTARY INFORMATION:

#### A. Background

The clause at DFARS 252.226–7001, Utilization of Indian Organizations and Indian-Owned Economic Enterprises—DoD Contracts, provides for incentive payments to contractors, and subcontractors at any tier, that use Indian organizations and Indian-owned economic enterprises as subcontractors. Paragraph (e) of the clause presently addresses incentive payments under cost-type, cost-plus-incentive-fee, fixed-price incentive, and firm-fixed-price contracts. Application of the Indian Incentive Program is not limited to these contract types; therefore, this proposed rule eliminates the references to contract types to avoid any misconceptions regarding contract types that are not listed.

This rule was not subject to Office of Management and Budget review under Executive Order 12866, dated September 30, 1993.

#### B. Regulatory Flexibility Act

DoD does not expect this rule to have a significant economic impact on a substantial number of small entities within the meaning of the Regulatory Flexibility Act, 5 U.S.C. 601, *et seq.*, because the rule is a clarification of existing policy regarding the Indian Incentive Program. Therefore, DoD has not performed an initial regulatory flexibility analysis. DoD invites comments from small businesses and other interested parties. DoD also will consider comments from small entities concerning the affected DFARS subpart in accordance with 5 U.S.C. 610. Such comments should be submitted separately and should cite DFARS Case 2002–D013.

#### C. Paperwork Reduction Act

The Paperwork Reduction Act does not apply because the rule does not impose any information collection requirements that require the approval of the Office of Management and Budget under 44 U.S.C. 3501, *et seq.*
