

DEPARTMENT OF HEALTH AND HUMAN SERVICES

National Institutes of Health

National Institute of Diabetes and Digestive and Kidney Diseases Diabetes Mellitus Interagency Coordinating Committee; Notice of Meeting

The Diabetes Mellitus Interagency Coordinating Committee (DMICC) will hold a web conference on July 18, 2012, from 1 to 3:30 p.m. The public is invited to participate in the web conference. For information on accessing the DMICC web conference, go to the DMICC Web site at www.diabetescommittee.gov and click on "Meeting Report" in the right-hand sidebar; on the next page, click on "Attend Web Conference" (note that the "Attend Web Conference" link will not be active until 30-minutes prior to the meeting start time). Non-federal individuals planning to attend the web conference should notify the contact person listed in this notice at least 2 days prior to the meeting.

The DMICC facilitates cooperation, communication, and collaboration on diabetes among government entities. DMICC meetings, held several times a year, provide an opportunity for members to learn about and discuss current and future diabetes programs in DMICC member organizations and to identify opportunities for collaboration. The July 18, 2012, DMICC web conference will focus on "Peer Care in Diabetes Peer Support and Diabetes Control."

Any member of the public interested in presenting oral comments to the Committee should notify the contact person listed on this notice at least 10 days in advance of the meeting. Interested individuals and representatives or organizations should submit a letter of intent, a brief description of the organization represented, and a written copy of their oral presentation in advance of the meeting. Only one representative of an organization will be allowed to present; oral comments and presentations will be limited to a maximum of 5 minutes. Printed and electronic copies are requested for the record. In addition, any interested person may file written comments with the Committee by forwarding their statement to the contact person listed on this notice. The statement should include the name, address, telephone number and when applicable, the business or professional affiliation of the interested person. Because of time constraints for the

meeting, oral comments will be allowed on a first-come, first-serve basis.

Members of the public who would like to receive email notification about future DMICC meetings should register on the listserv available on the same Web site.

For further information concerning this meeting, contact Dr. Sanford Garfield, Executive Secretary of the Diabetes Mellitus Interagency Coordinating Committee, National Institute of Diabetes and Digestive and Kidney Diseases, 6707 Democracy Boulevard, Room 654, MSC 5460, Bethesda, MD 20892-5460, telephone: 301-594-8803; FAX: 301-402-6271; email: dmicc@mail.nih.gov.

Dated: June 13, 2012.

Sanford Garfield,

Executive Secretary, DMICC, Division of Diabetes, Endocrinology and Metabolic Diseases, NIDDK, National Institutes of Health.

BILLING CODE 4140-01-P

DEPARTMENT OF HOMELAND SECURITY

[Docket No. DHS-2012-0002]

Critical Infrastructure and Key Resources (CIKR) Asset Protection Technical Assistance Program (CAPTAP) Survey

AGENCY: National Protection and Programs Directorate, DHS.

ACTION: 60-day notice and request for comments; Reinstatement, with change, of a previously approved collection: 1670-0011.

SUMMARY: The Department of Homeland Security (DHS), National Protection and Programs Directorate (NPPD), Office of Infrastructure Protection (IP), Infrastructure Information Collection Division (IICD) will submit the following Information Collection Request to the Office of Management and Budget (OMB) for review and clearance in accordance with the Paperwork Reduction Act of 1995 (Pub. L. 104-13, 44 U.S.C. Chapter 35). **DATES:** Comments are encouraged and will be accepted until August 20, 2012. This process is conducted in accordance with 5 CFR 1320.1.

ADDRESSES: Written comments and questions about this Information Collection Request should be forwarded to DHS/NPPD/IP/IICD, 245 Murray Lane SW., Mailstop 0602, Arlington, VA 20598-0602. Email requests should go to Vickie Bovell, Vickie.Bovell@dhs.gov. Written comments should reach the

contact person listed no later than August 20, 2012. Comments must be identified by "DHS-2012-0002" and may be submitted by one of the following methods:

- *Federal eRulemaking Portal:* <http://www.regulations.gov>.
- *Email:* Include the docket number in the subject line of the message.
- *Instructions:* All submissions received must include the words "Department of Homeland Security" and the docket number for this action. Comments received will be posted without alteration at <http://www.regulations.gov>, including any personal information provided.

SUPPLEMENTARY INFORMATION: The Critical Infrastructure and Key Resources (CIKR) Asset Protection Technical Assistance Program (CAPTAP) is offered jointly by the NPPD/IP and the Federal Emergency Management Agency's National Preparedness Directorate to assist state and local first responders, emergency managers, and Homeland Security officials with training (classroom and Web-based) to develop comprehensive CIKR protection programs in their jurisdictions; provide access to the Automated Critical Asset Management System (ACAMS) tools for using CIKR asset data, prevention and protection information; and provide training and assistance with developing incident response and recovery plans to make their communities safe. The data collection survey measures participant satisfaction with the training provided through the CAPTAP service.

OMB is particularly interested in comments that:

1. Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
2. Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
3. Enhance the quality, utility, and clarity of the information to be collected; and
4. Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submissions of responses.
