

RETENTION AND DISPOSAL:

The OPF is maintained for the period of the employee's service in the agency and is then, if in a paper format, transferred to the National Personnel Records Center for storage or, as appropriate, to the next employing Federal agency. If the OPF is maintained in an electronic format, the transfer and storage is in accordance with the OPM approved electronic system. Other records are either retained at the agency for various lengths of time in accordance with the National Archives and Records Administration records schedules or destroyed when they have served their purpose or when the employee leaves the agency. The transfer occurs within 90 days of the individuals' separation. In the case of administrative need, a retired employee, or an employee who dies in service, the OPF is sent within 120 days. Destruction of the OPF is in accordance with General Records Schedule-1 (GRS-1) or GRS 20.

Records contained within the CPDF and EHRI (and in agency's automated personnel records) may be retained indefinitely as a basis for longitudinal work history statistical studies. RAILROAD RETIREMENT BOARD**Agency Forms Submitted for OMB Review, Request for Comments**

SUMMARY: In accordance with the Paperwork Reduction Act of 1995 (44 U.S.C. chapter 35), the Railroad Retirement Board (RRB) is forwarding two Information Collection Requests (ICR) to the Office of Information and Regulatory Affairs (OIRA), Office of Management and Budget (OMB). Our ICR describes the information we seek to collect from the public. Review and approval by OIRA ensures that we impose appropriate paperwork burdens.

The RRB invites comments on the proposed collections of information to determine (1) the practical utility of the collections; (2) the accuracy of the estimated burden of the collections; (3) ways to enhance the quality, utility, and clarity of the information that is the subject of collection; and (4) ways to minimize the burden of collections on respondents, including the use of automated collection techniques or other forms of information technology. Comments to the RRB or OIRA must contain the OMB control number of the ICR. For proper consideration of your comments, it is best if the RRB and OIRA receive them within 30 days of the publication date.

1. *Title and Purpose of information collection:* Financial Disclosure Statement; OMB 3220-0127.

Under Section 10 of the Railroad Retirement Act (RRA) and Section 2(d) of the Railroad Unemployment Insurance Act, the RRB may recover overpayments of annuities, pensions, death benefits, unemployment benefits, and sickness benefits that were made erroneously. An overpayment may be waived if the beneficiary was not at fault in causing the overpayment and recovery would cause financial hardship. The regulations for the recovery and waiver of erroneous payments are contained in 20 CFR part 255 and CFR part 340.

The RRB utilizes Form DR-423, Financial Disclosure Statement, to obtain information about the overpaid beneficiary's income, debts, and expenses if that person indicates that (s)he cannot make restitution for the overpayment. The information is used to determine if the overpayment should be waived as wholly or partially uncollectible. If waiver is denied, the

information is used to determine the size and frequency of installment payments. The beneficiary is made aware of the overpayment by letter and is offered a variety of methods for recovery. One response is requested of each respondent. Completion is voluntary. However, failure to provide requested information may result in a denial of the waiver request.

Previous Requests for Comments: The RRB has already published the initial 60-day notice (76 FR 8384 on February 14, 2011) required by 44 U.S.C. 3506(c)(2). That request elicited no comments.

Information Collection Request (ICR)

Title: Financial Disclosure Statement.
OMB Control Number: 3220-0127.
Form(s) submitted: DR-423.

Type of request: Extension without change of a currently approved collection.

Affected public: Individuals or households.

Abstract: Under the Railroad Retirement and the Railroad Unemployment Insurance Acts, the Railroad Retirement Board has authority to secure from an overpaid beneficiary a statement of the individual's assets and liabilities if waiver of the overpayment is requested.

Changes proposed: The RRB proposes no revisions to Form DR-423.

The burden estimate for the ICR is as follows:

Estimated Completion Time for Form DR-423 is estimated at 85 minutes.

Estimated annual number of respondents: 1,200.

Total annual responses: 1,200.

Total annual reporting hours: 1,700.

2. Title and Purpose of information collection: Statement Regarding Contributions and Support of Children; OMB 3220-0195.

Section 2(d)(4) of the Railroad Retirement Act (RRA), provides, in part, that a child is deemed dependent if the conditions set forth in Section 202(d)(3), (4), and (9) of the Social Security Act are met. Section 202(d)(4) of the Social Security Act, as amended by Public Law 104-121, requires as a condition of dependency, that a child receives one-half of his or her support from the stepparent. This dependency impacts upon the entitlement of a spouse or survivor of an employee whose entitlement is based upon having a stepchild of the employee in care, or on an individual seeking a child's annuity as a stepchild of an employee. Therefore, depending on the employee for at least one-half support is a condition affecting eligibility for increasing an employee or spouse

annuity under the social security overall minimum provisions on the basis of the presence of a dependent child, the employee's natural child in limited situations, adopted children, stepchildren, grandchildren and step-grandchildren and equitably adopted children. The regulations outlining child support and dependency requirements are prescribed in 20 CFR 222.50-57.

In order to correctly determine if an applicant is entitled to a child's annuity based on actual dependency, the RRB uses Form G-139, Statement Regarding Contributions and Support of Children, to obtain financial information needed to make a comparison between the amount of support received from the railroad employee and the amount received from other sources. Completion is required to obtain a benefit. One response is required of each respondent.

Previous Requests for Comments: The RRB has already published the initial 60-day notice (76 FR 8384 on February 14, 2011) required by 44 U.S.C. 3506(c)(2). That request elicited no comments.
