Food and Nutrition Service

Title: Determining Eligibility for Free and Reduced Price Meals and Free Milk, 7 CFR Part 245.

OMB Control Number: 0584–0026.

Summary of Collection: The Richard B. Russell National School Lunch Act (NSLA), as amended, authorizes the National School Lunch Program (NSLP). Section 9, Paragraph 9(b) of the NSLA provides that the income guidelines for determining eligibility for free school meals shall be 130 percent, and reduced price school meals shall be 185 percent, of the applicable family size income level contained in the non-farm income poverty guidelines proscribed by the Office of Management and Budget, as adjusted annually. 7 CFR Part 245, Determining Eligibility for Free and Reduced Price Meals and Free Milk in Schools, sets forth policies and procedures for implementing these provisions. These federal regulations requires schools operating the NSLP to determine children's eligibility for free and reduced-price meals on the basis of each child's household income and size, and to establish operating procedures that will prevent physical segregation, or other discrimination against, or overt identification of children unable to pay the full price for meals or milk. Section 104 of the Child Nutrition and WIC Reauthorization Act of 2004 added section 9(b)(4) to the NSLA (42 U.S.C. 1758(b)(4)) to require local education agencies to directly certify, without further application, any child who is a member of a household receiving Supplemental Nutrition Assistance Program (SNAP) benefits.

Need and Use of the Information: FNS will collect information to determine

eligibility of children for free and reduced price meals and for free milk using form FNS–742, and assure that there is no physical segregation of, or other discrimination against, or overt identification of children unable to pay the full price for meals or milk.

Foreign-Trade Zones Board

[B-17-2013]

Foreign-Trade Zone 84—Houston, TX; Notification of Proposed Production Activity; Toshiba International Corporation (Hybrid Electric Vehicle Motors and Generators Production)

The Port of Houston Authority, grantee of FTZ 84, submitted a notification of proposed production activity on behalf of Toshiba International Corporation (Toshiba), located in Houston, Texas. The notification conforming to the requirements of the regulations of the Board (15 CFR 400.22) was received on February 11, 2013.

The Toshiba facility is located at 13131 West Little York Road, Houston (Harris County), Texas. A separate application for subzone status at the Toshiba facility is planned and will be processed under Section 400.31 of the Board's regulations. The facility is used for the production of electric motors and generators for hybrid electric vehicles (HEV). Pursuant to 15 CFR 400.14(b), FTZ activity would be limited to the specific foreign-status materials and components and specific finished products included in the submitted notification (as described below) and subsequently authorized by the FTZ Board.

Production under FTZ procedures could exempt Toshiba from customs duty payments on the foreign status components used in export production. On its domestic sales, Toshiba would be able to choose the duty rates during customs entry procedures that apply to electric motors and generators (duty rates range from free to 2.5%) for the

foreign status inputs noted below. Customs duties also could possibly be deferred or reduced on foreign status production equipment.

The components and materials sourced from abroad include: Plastic film, strips and sheets, synthetic textile cord, cloth for technical uses, steel nuts and washers, parts of motors and generators, permanent magnets, variable resistors, electric terminals and couplings, electric synchros and transducers (duty rates range from free to 4.2%). Toshiba has indicated that the textile cord would be admitted to the proposed subzone in privileged foreign status.

Public comment is invited from interested parties. Submissions shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is April 10, 2013.

A copy of the notification will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 21013, U.S. Department of Commerce, 1401 Constitution Avenue NW., Washington, DC 20230-0002, and in the "Reading Room" section of the Board's Web site, which is accessible via www.trade.gov/ftz.
