DEPARTMENT OF HEALTH AND HUMAN SERVICES

Health Resources and Services Administration

Agency Information Collection Activities: Proposed Collection: Public Comment Request

AGENCY: Health Resources and Services Administration, HHS.

ACTION: Notice.

SUMMARY: In compliance with the requirement for opportunity for public comment on proposed data collection projects (Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995), the Health Resources and Services Administration (HRSA) announces plans to submit an Information Collection Request (ICR), described below, to the Office of Management and Budget (OMB). Prior to submitting the ICR to OMB, HRSA seeks comments from the public regarding the burden estimate, below, or any other aspect of the ICR.

DATES: Comments on this Information Collection Request must be received within 60 days of this notice.

ADDRESSES: Submit your comments to paperwork@hrsa.gov or mail the HRSA Information Collection Clearance Officer, Room 10-29, Parklawn Building, 5600 Fishers Lane, Rockville, MD 20857.

FOR FURTHER INFORMATION CONTACT: To request more information on the proposed project or to obtain a copy of the data collection plans and draft instruments, email paperwork@hrsa.gov or call the HRSA Information Collection Clearance Officer at (301) 443-1984.

SUPPLEMENTARY INFORMATION: When submitting comments or requesting information, please include the information request collection title for reference.

Information Collection Request Title: Nurse Faculty Loan Program—New Program Specific Data Form.

OMB No.: 0915-xxxx—NEW.

Abstract: This clearance request is for approval of the new Nurse Faculty Loan Program (NFLP) Program Specific Data Form. The form was previously approved under OMB Approval No: 0915-0061 and expired on June 30, 2013. The data form was discontinued under the old approval number.

Need and Proposed Use of the Information: The NFLP Program Specific Data Form is included as an electronic attachment with the required application materials. The data provided in the form are essential for the formula-based criteria used to determine the award amount to the applicant schools. Approval of the new NFLP Program Specific Data Form will

facilitate our current effort to address the specific program goal of capturing data to efficiently generate the formula-based award. The electronic data collection capability will streamline the application submission process, enable an efficient award determination process, and serve as a data repository to facilitate reporting on the use of funds and analysis of program outcomes.

Likely Respondents: NFLP eligible applicants. This includes accredited collegiate schools of nursing and other qualified academic departments offering eligible advanced master's and/or doctoral degree nursing education programs that will prepare students to teach.

Burden Statement: Burden in this context means the time expended by persons to generate, maintain, retain, disclose or provide the information requested. This includes the time needed to review instructions; to develop, acquire, install and utilize technology and systems for the purpose of collecting, validating and verifying information, processing and maintaining information, and disclosing and providing information; to train personnel and to be able to respond to a collection of information; to search data sources; to complete and review the collection of information; and to transmit or otherwise disclose the information. The total annual burden hours estimated for this Information Collection Request are summarized in the table below.

TOTAL ESTIMATED ANNUALIZED BURDEN HOURS

Form name	Number of respondents	Number of responses per respondent	Total responses	Average burden per response (in hours)	Total burden hours
NFLP—Program Specific Data Form	250	1	250	8.0	2,000
Total	250	1	250	8.0	2,000

HRSA specifically requests comments on (1) The necessity and utility of the proposed information collection for the proper performance of the agency's

functions, (2) the accuracy of the estimated burden, (3) ways to enhance the quality, utility, and clarity of the information to be collected, and (4) the

use of automated collection techniques or other forms of information technology to minimize the information collection burden.

Dated: October 28, 2013.

Bahar Niakan,

Director, Division of Policy and Information Coordination.

BILLING CODE 4165-15-P

DEPARTMENT OF HEALTH AND HUMAN SERVICES

National Institutes of Health

Proposed Collection; 60-Day Comment Request; Multidisciplinary Treatment Planning (MTP) Within the National Cancer Institute (NCI) Community Cancer Centers Program

Summary: In compliance with the requirement of Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, for opportunity for public comment on proposed data collection projects, the National Cancer Institute (NCI), National Institutes of Health (NIH), will publish periodic summaries of proposed projects to be submitted to the Office of Management and Budget (OMB) for review and approval.

Written comments and/or suggestions from the public and affected agencies are invited on one or more of the following points: (1) Whether the proposed collection of information is necessary for the proper performance of

the function of the agency, including whether the information will have practical utility; (2) The accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used; (3) Ways to enhance the quality, utility, and clarity of the information to be collected; and (4) Ways to minimize the burden of the collection of information on those who are to respond, including the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology.

To Submit Comments and For Further Information: To obtain a copy of the data collection plans and instruments, submit comments in writing, or request more information on the proposed project, contact: Irene Prabhu Das, Division of Cancer Control & Population Sciences, National Cancer Institute, 9609 Medical Center Drive, Room 3E-518, Rockville, MD 20850-9704 or call non-toll-free number 240-276-6799 or Email your request, including your address to: prabhudasi@mail.nih.gov. Formal requests for additional plans and instruments must be requested in writing.

Comment Due Date: Comments regarding this information collection are best assured of having their full effect if

received within 60 days of the date of this publication.

Proposed Collection:

Multidisciplinary Treatment Planning (MTP) within the NCI Community Cancer Centers Program (NCI), 0925—NEW, National Cancer Institute (NCI), National Institutes of Health (NIH).

Need and Use of Information

Collection: The aim of this data collection is to characterize how NCI Community Cancer Centers Program (NCCCP) hospitals define, structure, and implement multidisciplinary treatment planning (MTP), which initiates a coordinated approach to multidisciplinary care. The web-based, organizational survey will gather data on sites' definitions and terms for multidisciplinary treatment planning, composition of provider teams, meeting process, and patient involvement in the process. Information collected from NCCCP hospitals will add to the knowledge being generated and provide the foundation for research on multidisciplinary care in cancer. A total of 21 hospitals participating in the NCCCP through June 2014 will be requested to complete the survey.

OMB approval is requested for 1 year. There are no costs to respondents other than their time. The total estimated annualized burden hours are 22.
