

that Standard Innovation had proven a violation of section 337 based on the infringement of the asserted claims of the '605 patent. Based on evidence of a pattern of violation and difficulty ascertaining the source of the infringing products, the Commission issued a general exclusion order against certain kinesiotherapy devices that infringe the asserted claims of the '605 patent. The Commission also issued cease and desist orders against certain respondents, including Lelo Inc.

On September 30, 2013, Lelo filed a request with the Commission asking for institution of an advisory opinion proceeding as to whether their new kinesiotherapy devices are covered by the general exclusion order or the cease and desist order issued against Lelo Inc. Standard Innovation filed a response on November 12, 2013, opposing Lelo's request.

The Commission has determined that Lelo's request complies with the requirements for institution of an advisory opinion proceeding under Commission Rule 210.79. Accordingly, the Commission has determined to institute an advisory opinion proceeding and refer Lelo's request to the Office of Unfair Import Investigations ("OUII"). The parties will furnish OUII with information as requested, and OUII shall investigate and issue a report to the Commission within ninety (90) days of the date of publication of this notice in the **Federal Register**. The Commission will issue an advisory opinion by June 30, 2014, based on the written report of OUII. The following entities are named as parties to the proceeding: (1) Complainant Standard Innovation and (2) respondent Lelo.

The authority for the Commission's determination is contained in sections 335 and 337 of the Tariff Act of 1930, as amended (19 U.S.C. 1335, 1337), and in Part 210 of the Commission's Rules of Practice and Procedure (19 CFR part 210).

Issued: February 7, 2014.

By order of the Commission.
