SUPPLEMENTARY INFORMATION: On April 5, 2000, new authorizing legislation became effective. That bill, the Wendell H. Ford Aviation Investment and Reform Act for the 21st Century (AIR 21), Public Law 10-181 (Apr. 5, 2000; 114 Stat. 61), requires that a 30-day public notice must be provided before the Secretary may waive any condition imposed on an interest in surplus property.

The following is a brief overview of the request:

On April 3, 1956, the United States Department of Interior, acting under the authority of section 16 of the Federal Airport Act of 1946, granted patent No. 1158979 to the Town of Safford, Arizona for 692.66 acres to be developed as a public use airport. The City of Safford has requested the release of approximately 183.30 acres of dedicated airport land at the Safford Municipal Airport, Safford Arizona from certain restrictions contained in the Patent dated April 3, 1956. The purpose of the release is to permit the use of dedicated airport property for non-aeronautical purposes. Net proceeds from the leasing and development of the subject land will be utilized by the city for capital improvements, operation, and maintenance at the Safford Municipal Airport.

Issued in Hawthorne, California, on November 15, 2001.
