BILLING CODE 6560-50-P

FEDERAL COMMUNICATIONS COMMISSION**47 CFR Part 1**

[WT Docket No. 10-18; DA 10-288]

Procedural Amendments to Commission Competitive Bidding Rules**AGENCY:** Federal Communications Commission.**ACTION:** Correcting amendment.

SUMMARY: The Federal Communications Commission published a document in the **Federal Register** at 75 FR 4701, January 29, 2010, revising Commission rules. This summary corrects the final rules by amending the headings of 47 CFR 1.2105 and 1.2105(c) and the statutory authority for part 1. The change and restoration of language conforms the headings to the Commission's intent. These corrections make no change to the substance of the rule, or the Commission's interpretation or application of the rule.

DATES: Effective March 4, 2010.

FOR FURTHER INFORMATION CONTACT: *Wireless Telecommunications Bureau, Auctions and Spectrum Access Division:* Sayuri Rajapakse at (202) 418-0660.

1. The Wireless Telecommunications Bureau (Bureau) makes a conforming amendment to a recent Commission order and corrects errors in the **Federal Register** summary of that order, which made procedural amendments to section 1.2105 of the Commission's competitive bidding rules.

2. On January 7, 2010, the Commission issued an *Order* which amended the rule specifying how to report potential violations of 47 CFR 1.2105(c) and amended the rules specifying how quickly applicants must modify pending auction applications to satisfy the requirements of 47 CFR 1.65(a) and 1.2105(b). The *Order* also modified the heading of paragraph 47 CFR 1.2105(c). A summary of the *Order* was published in the **Federal Register**, 75 FR 4701, January 29, 2010, but the changes made therein were not consistent with the *Order* as released.

3. The Bureau now amends the heading of 47 CFR 1.2105 to read: Bidding application and certification procedures; prohibition of certain communications. The *Order* inadvertently preserved the phrase *prohibition of collusion* in the heading, and the **Federal Register** summary of the *Order* inadvertently deleted a portion of the rule's heading. This change and restoration of language conforms the heading to the Commission's intent underlying the *Order*. In the *Order*, the Commission recognized that collusion is a term used in many contexts, legal and economic, and that its use in connection with 47 CFR 1.2105's prohibition of certain communications by auction applicants may cause confusion. This amendment makes no change to the substance of the rule, or the Commission's interpretation or application of the rule.

4. The Bureau also confirms the Commission's intention to amend the heading of paragraph 1.2105(c) to read *Prohibition of certain communications* rather than *Prohibition of collusion*. While this change is reflected in the *Order*, the **Federal Register** summary inadvertently omitted this language from the paragraph's heading.

5. The Bureau amends the list of statutory authorities for part 1 to correct inaccuracies that exist in the current version of the Code of Federal Regulations.
