##### SUPPLEMENTARY INFORMATION:

*Description:* ORR plans to revise all four instruments currently approved under OMB #0970-0552 and reinstate one instrument previously approved under OMB #0970-0498 and add it to this collection. All instruments will be incorporated into ORR's new case management system, UAC Path.

1. *Verification of Release (Form R-1):* This instrument is an official document provided to UAC and their sponsors by care provider facilities showing that ORR released the UAC into the sponsor's care and custody. This form was previously approved under OMB Number 0970-0498 and is being reinstated with formatting changes under this new OMB number. No changes were made to the content. The average burden minutes per response was increased from 3 to 10 minutes.

2. *Discharge Notification (Form R-2):* This instrument is used by care provider facilities to notify stakeholders of the transfer of a UAC to another care provider facility or the release of a UAC from ORR custody. ORR made the following revisions:

a. The "Proof of Relationship" field was removed because that information is found elsewhere in UAC Path and does not need to be displayed in this instrument.

b. The following fields were added: "Returning UAC, Entry #," "Type of Age Out," "Sponsor Category," "Next Immigration Hearing," "Granted

Voluntary Discharge Date," "Parent/Legal Guardian Separation," "Is this a MPP Case," "UAC Parent Name," "Program Type."

c. The "Local Law Enforcement" and "DHS Family Shelter" fields were replaced with the "Governmental Agency" and "Name of Government Agency" fields.

d. The following fields were added, but are not visible on version of the instrument sent to stakeholders:

i. "Discharge Delay," "DHS Age Out Plan," "Referral to Services in COO," "Completed Referral Services COO?," "Date Travel Document Requested," "Date of Issuance of Travel Document."

ii. All fields in the "Transportation Details" section

3. *ORR Release Notification—Notice to Immigration and Customs Enforcement (ICE) Chief Counsel—Release of Unaccompanied Alien Child to Sponsor and Request to Change Address (Form R-3):* This instrument is used by care provider facilities to notify ICE Chief Counsel of the release of a UAC and request a change of address. The instrument was reformatted. No changes were made to the content.

4. *Release Request (Form R-4):* This instrument is used by care provider facilities, ORR contractor staff, and ORR federal staff, to process recommendations and decisions for release of a UAC from ORR custody. ORR made the following revisions:

a. The instrument was reformatted and the titles of some fields were reworded.

b. Several fields containing biographical information for the UAC were removed from the top of the instrument.

c. The "Provide details on relationship including official documentation" text box was removed because that information is easily accessible elsewhere in UAC Path.
