AGENCY: Office of the Comptroller of the Currency (OCC), Treasury.

ACTION: Submission for OMB review; comment request.

collection, as required by the Paperwork Reduction Act of 1995. The OCC is soliciting comments concerning an extension, without change, of an information collection titled "Community Development Corporations, Community Development Projects, and Other Public Welfare Investments—12 CFR 24." The OCC also gives notice that it has sent the information collection to OMB for review and approval.

DATES: You should submit your comments to both OCC and the OMB Desk Officer by May 24, 2001.

SUPPLEMENTARY INFORMATION: The OCC is proposing to extend OMB approval of the following information collection:

Title: Community Development Corporations, Community Development Projects, and Other Public Welfare Investments—12 CFR 24.

OMB Number: 1557-0194.

Description: This submission covers an existing regulation and involves no change to the regulation or to the information collections embodied in the regulation. This regulation implements 12 U.S.C. 24 (Eleventh) which authorizes national banks to make investments that are designed primarily to promote the public welfare, including the welfare of low- and moderate-income families and communities (such as through the provision of housing, services, or jobs) consistent with safe and sound banking practices. The statute requires the OCC to limit a national bank's investments in any one project as well as its aggregate investments in such projects. This

regulation requires national banks to make occasional filings to the OCC regarding self certification notices, letters from certain banks requesting to self-certify, and proposals for investments that require prior OCC approval of public welfare investments.

The OCC is providing national banks with a form by which they make these filings and notify the OCC of investments authorized by 12 U.S.C. 24 (Eleventh). National banks must use this form either to self-certify an investment, pursuant to 12 CFR 24.5(a), or to submit a request for prior OCC approval of an investment, pursuant to 12 CFR 24.4(a) and 24.5(b). The OCC's form simplifies the self-certification and prior approval processes by outlining the rule's requirements and allowing banks to check off most responses. This streamlining of information that national banks must submit to the OCC helps to reduce the time and burden attendant to the rule's notification and approval processes. The OCC intends that this form will encourage banks to increase or enhance their investments under part 24.

A national bank that is not eligible to self-certify investments under 12 CFR 24.2(e), but is at least adequately capitalized and has a composite rating of at least 3 with improving trends under the Uniform Financial Institutions Rating System, may continue to submit a letter to the OCC's Community Development Division requesting the authority to self-certify investments, pursuant to 12 CFR 24.5(a)(4). The bank may also use the OCC's form to request prior OCC approval of its investments.

The information collection requirements in 12 CFR part 24 are located as follows:

Self certification of public welfare investments (12 CFR 24.5(a)): To self-certify an investment, an eligible bank shall submit a letter of self-certification to the OCC, within 10 days after it makes an investment.

Letters from 3-rated banks requesting to self-certify (12 CFR 24.5(a)(4)): A national bank that is not an eligible bank but that is at least adequately capitalized, and has a composite rating of at least 3 with improving trends under the Uniform Financial Institutions Rating System, may submit an letter to the OCC requesting authority to self-certify investments.

Investments requiring prior approval (12 CFR 24.5(b)): If a national bank does not meet the requirements for self-certification set forth in part 24, the bank must submit a proposal to the OCC requesting prior approval for an investment.

Type of Review: Extension of a currently approved collection.

Affected Public: Businesses or other for-profit.

Estimated Number of Respondents: 204.

Estimated Total Annual Responses: 204.

Frequency of Response: On occasion.

Estimated Total Annual Burden: 408 burden hours.

The OCC may not conduct or sponsor, and a respondent is not required to respond to, an information collection unless it displays a currently valid Office of Management and Budget (OMB) control number.

Dated: April 17, 2001.

Karen Solomon,

Director, Legislative & Regulatory Activities Division.

DEPARTMENT OF THE TREASURY

Customs Service

Privacy Act of 1974, as Amended; System of Records

AGENCY: Customs Service, Treasury.

ACTION: Notice of proposed Privacy Act systems of records.

SUMMARY: The Treasury Department, Customs Service, gives notice of a proposed addition to their systems of records which are subject to the Privacy Act of 1974, as amended, (5 U.S.C. 552a). The U.S. Customs Office of Human Resources (HRM) is implementing an electronic job application system. This computerized employment application processing system is designed to dramatically reduce the time spent in placing applicants into vacant positions.

DATES: Comments must be received no later than May 24, 2001. This new system of records will be effective June 4, 2001, unless comments are received which result in a contrary determination.

ADDRESSES: Comments (preferably in triplicate) may be submitted to the Office of Regulations and Rulings, Disclosure Law Branch, U.S. Customs Service, 1300 Pennsylvania Ave. NW., Washington, DC 20229. Comments will be available for inspection and copying at the Disclosure Law Branch, 1300 Pennsylvania Avenue, NW., Washington, DC.

FOR FURTHER INFORMATION CONTACT: Assistant Commissioner, Office of Human Resources, U.S. Customs Service, (202) 927-2900.

SUPPLEMENTARY INFORMATION: Currently, Human Resources Management (HRM) uses a combination of manual and automated systems for this purpose. However, the automated system (provided by the U.S. Office of Personnel Management) was developed to meet a set of generic government-wide requirements and does not offer sufficient flexibility to meet the changing needs of the Customs Service. These manual systems are extremely labor-intensive. HRM also requires an improved method of producing reports on information submitted by applicants in order to monitor the status and better evaluate the success of recruitment and selection efforts. The proposed system will accept applications through the Internet, in addition to hard copy application forms. The system will input, organize, rank and track thousands of applications, as well as store resume information for retrieval at a later date.

The new system of records report, as required by 5 U.S.C. 552a(r) of the Privacy Act, has been submitted to the Committee on Government Reform and Oversight of the House of Representatives, the Committee on Governmental Affairs of the Senate, and the Office of Management and Budget, pursuant to Appendix I to OMB Circular A-130, Federal Agency Responsibilities for Maintaining Records About Individuals, dated February 8, 1996.

The system notice is published in its entirety below.

Dated: April 16, 2001.
