[Docket No. FR-6000-FA-05; FR-6000-FA-04; FR-6000-FA-14; FR-6000-FA-29; FR-6100-FA-12; FR-6100-FA-13; FR-6100-FA-33]

Announcement of Funding Awards

AGENCY: Office of Strategic Planning and Management, HUD.

ACTION: Notice.

SUMMARY: In accordance with the Department of Housing and Urban Development Reform Act of 1989, this announcement notifies the public of funding decisions made by the Department in competitions for funding under the Notices of Funding Availability (NOFAs) for the following programs: Fiscal Year (FY) 2016 Resident Opportunity and Self-Sufficiency Program; FY2016 Family Self-Sufficiency Program; FY2016 Jobs Plus Initiative; FY2016 Research and Evaluation, Demonstration, and Data Analysis and Utilization; FY2017 Comprehensive Housing Counseling Grant Program; FY2017 Lead-Based Paint Hazard Control Grant Program; and FY2017 Lead Hazard Reduction Demonstration Grant Program.

For Additional Information, Contact: Office of Strategic Planning and Management, Grants Management and Oversight Division at AskGMO@hud.gov or the contact person listed in each appendix.

SUPPLEMENTARY INFORMATION: The *FY2016 Resident Opportunity and Self-Sufficiency Program* competition was announced in the NOFA published on grants.gov on March 31, 2016, FR-6000-N-05, and which closed on May 16, 2016. Applications were rated and selected for funding based on selection criteria contained in the NOFA. \$31,597,607 was awarded to 115 recipients to develop local coordination of assistance under the Public Housing program with public and private resources, for supportive services and resident empowerment activities. Service Coordinators link program participants with the supportive services needed to achieve self-sufficiency or remain independent. The list of grantees selected under this NOFA are listed in Appendix A of this notice.

The *FY2016 Family Self-Sufficiency Program* competition was announced in the NOFA published on grants.gov on March 21, 2016, FR-6000-N-04, and which closed on April 20, 2016. Applications were rated and selected for funding based on selection criteria contained in the NOFA. \$75,158,372

was awarded to 687 recipients to coordinate the use of assistance under the Housing Choice Voucher (HCV) and Public Housing programs with public and private resources to enable participating families to increase earned income and financial literacy, reduce or eliminate the need for welfare assistance, and make progress toward economic independence and self-sufficiency. The list of grantees selected under this NOFA are listed in Appendix B of this notice.

The *FY2016 Jobs Plus Initiative* competition was announced in the NOFA published on grants.gov on April 11, 2016, FR-6000-N-14, and which closed on June 13, 2016. Applications were rated and selected for funding based on selection criteria contained in the NOFA. \$14,397,553 was awarded to six recipients to develop locally-based, job-driven approaches to increase earnings and advance employment outcomes through work readiness, employer linkages, job placement, educational advancement technology skills, and financial literacy for residents of public housing. The list of grantees selected under this NOFA are listed in Appendix C of this notice.

The *FY2016 Research and Evaluation, Demonstration, and Data Analysis and Utilization* competition was announced in the NOFA published on grants.gov on February 10, 2017, FR-6000-N-29, and which closed on May 11, 2017. Applications were rated and selected for funding based on selection criteria contained in the NOFA. \$2,899,177 was awarded to four recipients for programs that seek to inform policy development and implementation to improve life in American communities through conducting, supporting, and sharing research, surveys, demonstrations, program evaluations, and best practices. Funding was awarded to conduct the Accessible Housing and Technology Research and Demonstration and Technical Assistance Assessment. The list of grantees selected under this NOFA are listed in Appendix D of this notice.

The *FY2017 Comprehensive Housing Counseling Grant Program* competition was announced in the NOFA published on grants.gov on January 31, 2017, FR-6100-N-33, and which closed on March 17, 2017. Applications were rated and selected for funding based on selection criteria contained in the NOFA. \$50,672,051 was awarded to 253 recipients to provide counseling and advice to tenants and homeowners, both current and prospective, regarding property maintenance, financial management/literacy, and other matters as may be appropriate to assist them in

improving their housing conditions, meeting their financial needs, and fulfilling the responsibilities of tenancy or homeownership. The list of grantees selected under this NOFA are listed in Appendix E of this notice.

The *FY2017 Lead-Based Paint Hazard Control Grant Program* competition was announced in the NOFA published on grants.gov on February 7, 2017, FR-6100-N-12, and which closed on March 23, 2017. Applications were rated and selected for funding based on selection criteria contained in the NOFA. \$66,448,640 was awarded to 28 recipients for units of state and local government to implement comprehensive programs to identify and remediate lead based paint hazards in privately owned rental or owner occupied housing. The list of grantees selected under this NOFA are listed in Appendix F of this notice.

The *FY2017 Lead Hazard Reduction Demonstration Grant Program* competition was announced in the NOFA published on grants.gov on February 7, 2017, FR-6100-N-13, and which closed on March 23, 2017. Applications were rated and selected for funding based on selection criteria contained in the NOFA. \$60,327,424 was awarded to 20 recipients for units of state and local government to implement comprehensive programs to identify and remediate lead based paint hazards in privately owned rental or owner occupied housing. HUD recognizes that one of the applicants selected for award, the City of Houston, TX, has been subject to devastation caused by Hurricane Harvey and that the City will be facing overwhelming challenges for an extended period. Accordingly, and with the City's agreement, instead of considering obligating FY 2017/2018 funds for their grant, pending successful completion of negotiations, HUD will reserve FY 2018/2019 funds when appropriated, apportioned, and allotted, for obligation pending successful completion of negotiations in FY 2018. The FY 2017/2018 funds will be used for other lead hazard control grants, as permitted by the Consolidated Appropriations Act, 2017, specifically for additional partial funding of Lead-Based Paint Hazard Control grants to the City of Brockton, MA, and the Malden Redevelopment Authority, Malden, MA. The list of grantees selected under this NOFA are listed in Appendix G of this notice.

In accordance with section 102(a)(4)(C) of the Department of Housing and Urban Development Reform Act of 1989 (103 Stat. 1987, 42 U.S.C. 3545(a)(4)(C)), the Department is publishing the awardees and the

amounts of these awards in Appendices A–G to this document.

Dated: September 26, 2017.

Henry Hensley,

Director, Office of Strategic Planning and Management.

Bureau of Land Management

[LLCOS05000 L13100000.DB0000–16X]

Notice of Availability of the Record of Decision for the Bull Mountain Unit Master Development Plan, Gunnison County, CO

AGENCY: Bureau of Land Management, Interior.

ACTION: Notice.

SUMMARY: In accordance with the National Environmental Policy Act of 1969 (NEPA), as amended, and the Federal Land Policy and Management Act of 1976, as amended, the Bureau of Land Management (BLM) prepared a Record of Decision (ROD) for the Bull Mountain Unit Master Development Plan (MDP) and by this notice is announcing its availability.

DATES: Requests for BLM Colorado State Director review of the Decision must be filed within 20 business days from the date of receipt of the Decision.

ADDRESSES: Copies of the Bull Mountain Unit MDP ROD are available for public inspection at the BLM Uncompahgre Field Office, 2465 South Townsend Ave., Montrose, CO 81401. Interested persons may also review the ROD and the Final Environmental Impact Statement (EIS) on the project Web site at <https://eplanning.blm.gov/epl-front-office/eplanning/legacyProjectSite.do?methodName=renderLegacyProjectSite&projectId=66641>.

Mail requests for BLM Colorado State Director review of the Decision to the BLM Colorado State Director, BLM Colorado State Office, 2850 Youngfield Street, Lakewood, CO 80215.

FOR FURTHER INFORMATION CONTACT: Gina Phillips, Southwest District NEPA Coordinator; telephone (970) 240–5300; email gphillips@blm.gov. Persons who use a telecommunications device for the deaf (TDD) may call the Federal Relay Service (FRS) at 1–800–877–8339 to contact the above individual during

normal business hours. The FRS is available 24 hours a day, 7 days a week, to leave a message or question with the above individual. You will receive a reply during normal business hours.

SUPPLEMENTARY INFORMATION: The BLM Uncompahgre Field Office received a proposed MDP for natural gas exploration and development from SG Interests I, Ltd. (SGI) for the Bull Mountain Unit. An MDP provides information common to multiple planned wells, including drilling plans, Surface Use Plans of Operations, and plans for future production.

The Bull Mountain Unit MDP ROD identifies the Preferred Alternative (Alternative D from the Final EIS), with minor modifications, as the BLM's Selected Alternative. Approval of the Preferred Alternative as described in the Final EIS (2016) meets the BLM's purpose and need, provides for natural gas exploration and development, and approves the Federal 12–89–7–1 Application for Permit to Drill (APD). The Selected Alternative approves a plan for the exploration and development of up to 146 natural gas wells, four water disposal wells, and associated infrastructure on Federal and private mineral leases within a Federally-unitized area known as the Bull Mountain Unit. SGI requested and obtained the BLM's approval of the unit after exploration wells demonstrated the potential for economically viable reserves of natural gas.

The Bull Mountain Unit is located within the Colorado River basin, approximately 30 miles northeast of the Town of Paonia, and is bisected by State Highway 133. The boundaries of the unit encompass approximately 19,670 acres of Federal and private oil and gas mineral estate in Gunnison County, Colorado. The unit consists of 440 acres of BLM Federal surface lands and subsurface mineral estate; 12,900 acres of split-estate lands consisting of private surface and Federal mineral estate administered by the BLM; and 6,330 acres of fee land consisting of private surface and private mineral estate. Work on the MDP began with a preliminary Environmental Assessment in 2008. In 2012, the BLM determined that an EIS was necessary due to potential

significant impacts to air quality in nearby Class 1 air sheds, water, socioeconomics, and wildlife. The BLM released the Draft EIS on January 16, 2015, for a 90-day public comment period (80 FR 2438). The BLM received 565 unique comment letters and 83 form letters. Based on these public comments, internal reviews, and cooperating agency input, the BLM revised the Draft EIS and published the Final EIS on July 8, 2016 (81 FR 44652).

The BLM also consulted with the U.S. Fish and Wildlife Service (FWS), which concurred with the BLM's finding that the project “may affect, but is not likely to adversely affect” the green lineage Colorado River cutthroat trout and Canada Lynx and designated habitat for both species, and that it “may affect, is likely to adversely affect” four endangered Colorado River fish, but that anticipated water depletions from the Colorado River basin are within the amounts addressed in the FWS's 2008 programmatic biological opinion. Finally, the BLM consulted with the Colorado State Historic Preservation Office, which raised no concerns as to the project's potential to affect historic properties.

Based on public comments, internal BLM comments, and updated information provided by SGI, the BLM selected the BLM's Preferred Alternative (Alternative D), as modified, for approval in the ROD. The decision includes a suite of design features, mitigation measures and best management practices that specifically address impacts to air resources and air quality related values, water resources, and wildlife.

The BLM's decision, which is based on Alternative D in the Final EIS, is the environmentally preferred action because it best meets the following criteria:

- Satisfies statutory requirements (true for all alternatives).
- Represents what the BLM considers to be the best combination of actions and best meets the purpose and need as described in Chapter 1 of the Final EIS.
- Provides the best approach to address key resource and planning issues.
