[R10-OAR-2005-OR-0005; FRL-7944-2]

Approval and Promulgation of Air Quality Implementation Plans; Oregon; Correcting Amendments

AGENCY: Environmental Protection Agency (EPA).

ACTION: Proposed rule.

SUMMARY: In this action, EPA is proposing to correct an error in the notice which approved the removal of Oregon's control technology guidelines for perchloroethylene (perc) dry cleaning systems and related definitions and provisions, published on December 1, 2004. Perc is a solvent commonly used in dry cleaning, maskant operations, and degreasing operations. In the notice published on December 1, 2004 (69 FR 69823), EPA inadvertently listed an incorrect State effective date in the incorporation by reference section which listed revised provisions of the Oregon Administrative Rules. This proposed action would correct the erroneous date so that the appropriate version of the Oregon Administrative Rules is incorporated by reference.

DATES: Comments must be received on or before September 2, 2005.

ADDRESSES: Submit your comments, identified by Docket ID No. R10-OAR-2005-OR-0005, by one of the following methods:

SUPPLEMENTARY INFORMATION: For further information, please see the direct final action, of the same title, which is located in the Rules and Regulations section of this **Federal Register**. EPA is publishing this action without prior proposal because EPA views this as a noncontroversial amendment and anticipates no adverse comments. A detailed rationale for the correction is set forth in the preamble to the direct final rule. If EPA receives no adverse comments, EPA will not take further action on this proposed rule.

If EPA receives adverse comments, EPA will withdraw the direct final rule and it will not take effect. EPA will address all public comments in a subsequent final rule based on this proposed rule. EPA will not institute a second comment period on this action. Any parties interested in commenting on this action should do so at this time. Please note that if we receive adverse comment on an amendment, paragraph, or section of this rule and if that provision may be severed from the remainder of the rule, EPA may adopt as final those provisions of the rule that are not the subject of an adverse comment.

Dated: July 18, 2005.
