

potential impacts related to a proposal by Central Electric Power Cooperative, Inc., (Central Electric) of Columbia, South Carolina. The proposal consists of constructing a 115 kilovolt (kV) transmission line through portions of Berkeley, Charleston, and/or Georgetown Counties, South Carolina, to the proposed McClellanville substation. Central Electric is requesting that RUS provide financial assistance for the proposal and may request that the USFS issue a special use permit for the proposal.

**DATES:** RUS has extended the public comment period to January 14, 2011. RUS will accept verbal and written comments regarding the proposal. Contact information for submitting comments is provided in the **ADDRESSES** section of this notice.

**ADDRESSES:** Send all written comments to the attention of Ms. Lauren McGee, Environmental Scientist, USDA Rural Utilities Service, Engineering and Environmental Staff, 1400 Independence Avenue, SW., Stop 1571, Room 2244-S, Washington, DC 20250-1571. Comments may also be sent via fax: (202) 690-0649, or by e-mail: [lauren.mcgee@wdc.usda.gov](mailto:lauren.mcgee@wdc.usda.gov). RUS will also accept verbal comments at the following telephone number: (855) 806-8863.

**SUPPLEMENTARY INFORMATION:** Central Electric proposes to construct a 115-kV transmission line to Berkeley Electric Cooperative's proposed McClellanville substation. The proposal would provide long-term, reliable electric service to the McClellanville community and surrounding areas. The transmission line may originate from one of the following points: Belle Isle (Georgetown County), Britton Neck (Georgetown County), Jamestown (Berkeley County), Honey Hill (Berkeley County), Charity (Charleston County), or Commonwealth (Charleston County). This notice invites government agencies, organizations, and the public to provide input in the development of the EIS for the proposal.

An updated Alternatives Evaluation Study (AES) and Macro-Corridor Study (MCS) were prepared for the proposal. The AES and MCS discuss the purpose and need for the proposal as well as the alternatives considered in the proposal's development. A public scoping meeting was held on September 29, 2010, 5 p.m. to 9 p.m. at St. James-Santee Elementary School, 8900 Highway 17 North, McClellanville, SC 29458. RUS, Central Electric, and Mangi Environmental Group gave a presentation at 6 p.m. and 8 p.m., which provided an overview of: (1) The Federal action being considered by RUS; (2) an overview of NEPA and

the EIS process; and, (3) the purpose, need and alternatives considered in the development of the proposal. The AES and MCS (both dated September 2010), in addition to materials from the public meeting, are available for public review at the following RUS Web site: <http://www.usda.gov/rus/water/ees/eis.htm>. Due to an error in the mailing list for this proposal, RUS has extended the comment period to January 14, 2011.

Among the alternatives that RUS will address in the EIS is the "No Action" alternative, under which the proposal would not be undertaken. In the EIS, the effects of the proposal will be compared to the existing conditions in the proposal area. Alternative transmission line corridors will be refined as part of the EIS scoping process and will be addressed in the EIS. Public health and safety, environmental impacts, and engineering aspects of the proposal will be considered in the EIS.

RUS is the lead Federal agency, as defined at 40 CFR 1501.5, for preparation of the EIS. The USFS is a cooperating agency. With this notice, Federally recognized Native American Tribes and Federal agencies with jurisdiction or special expertise are invited to be cooperating agencies. Tribes or agencies may request to be a cooperating agency by contacting the RUS contact provided in this notice.

RUS will use input provided during scoping in the preparation of the Draft EIS. The Draft EIS will be available for review and comment for 45 days. A Final EIS that considers all comments received will subsequently be prepared. The Final EIS will be available for review for 30 days. Following the 30-day review period, RUS will prepare a Record of Decision (ROD). Notices announcing the availability of the Draft EIS, the Final EIS, and the ROD will be published in the **Federal Register** and in local newspapers. The USFS may issue a separate ROD for the proposal, which may be subject to an appeals period as prescribed in USFS departmental regulations.

Any final action by RUS related to the proposal will be subject to, and contingent upon, compliance with all relevant executive orders and Federal, State, and local environmental laws and regulations in addition to the completion of the environmental review requirements as prescribed in RUS's Environmental Policies and Procedures, 7 CFR part 1794, as amended.

Dated: December 2, 2010.

**Richard Fristik,**

*Acting Director, Engineering and Environmental Staff, USDA, Rural Utilities Service.*

## COMMISSION ON CIVIL RIGHTS

### Sunshine Act Notice

**AGENCY:** United States Commission on Civil Rights.

**ACTION:** Notice of meeting.

**DATE AND TIME:** Friday, February 11, 2011; 9:30 a.m. EST.

**PLACE:** 624 Ninth Street, NW., Room 540, Washington, DC 20425.

### Briefing Agenda

This briefing is open to the public.

*Topic:* Disparate Impact in School Discipline Policies.

I. Introductory Remarks by Chairman.

II. Speakers' Presentations.

III. Questions by Commissioners and Staff Director.

IV. Adjourn Briefing.

### CONTACT PERSON FOR FURTHER

**INFORMATION:** Lenore Ostrowsky, Acting Chief, Public Affairs Unit (202) 376-8591. TDD: (202) 376-8116.

Persons with a disability requiring special services, such as an interpreter for the hearing impaired, should contact Pamela Dunston at least seven days prior to the meeting at 202-376-8105. TDD: (202) 376-8116.

Dated: December 3, 2010.

**David Blackwood,**

*General Counsel.*

**DEPARTMENT OF COMMERCE****International Trade Administration**

**[A–201–822]**

**Stainless Steel Sheet and Strip in Coils From Mexico: Extension of Time Limit for Final Results of Antidumping Duty Administrative Review**

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**DATES:** *Effective Date:* December 8, 2010.

**FOR FURTHER INFORMATION CONTACT:**

Patrick Edwards, Brian Davis, or Angelica Mendoza, AD/CVD Operations, Office 7, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482–8029, (202) 482–7924, or (202) 482–3019, respectively.

**SUPPLEMENTARY INFORMATION:****Background**

On August 9, 2010, the Department published in the **Federal Register** the preliminary results of the administrative review of the antidumping duty order on stainless steel sheet and strip in coils (S4 in coils) from Mexico for the period July 1, 2008, through June 30, 2009. *See Stainless Steel Sheet and Strip in Coils From Mexico: Preliminary Results of Antidumping Duty Administrative Review*, 75 FR 47780 (August 9, 2010) (*Preliminary Results*). In the *Preliminary Results*, we invited parties to comment. In response to the Department's invitation to comment on the preliminary results of this review, respondent, ThyssenKrupp Mexinox S.A. (Mexinox) submitted (1) a request for a public hearing and (2) a case brief on September 8, 2010. *See* Letter from Mexinox, titled "Stainless Steel Sheet and Strip in Coils from Mexico—Case Brief," dated September 8, 2010 (Mexinox's Case Brief). Also on September 8, 2010, Allegheny Ludlum Corporation, AK Steel Corporation, and North American Stainless (collectively, petitioners), submitted a case brief. *See* Letter from Petitioners, titled "Stainless Steel Sheet and Strip in Coils from Mexico—Petitioner's Case Brief," dated September 8, 2010 (Petitioners' Case Brief).

On September 9, 2010, the Department received a request from petitioners to extend the deadline to submit rebuttal briefs and on September 13, 2010, the Department granted this request. Petitioners timely submitted their rebuttal brief on September 15, 2010. *See* Letter from Petitioners, titled

"Stainless Steel Sheet and Strip in Coils from Mexico—Petitioners' Rebuttal Brief," dated September 15, 2010 (Petitioners' Rebuttal Brief). Also on September 15, 2010, Mexinox submitted its rebuttal brief. *See* Letter from Mexinox, titled "Stainless Steel Sheet and Strip in Coils from Mexico—Rebuttal Brief," dated September 15, 2010 (Mexinox's Rebuttal Brief). On September 17, 2010, Mexinox withdrew its request for a hearing. *See* Letter from Mexinox, titled "Stainless Steel Sheet and Strip in Coils from Mexico—Withdrawal of Hearing Request," dated September 17, 2010.

On November 17, 2010, we issued a letter to petitioners notifying them that we were rejecting their Case Brief because it contained new information regarding the U.S. entities that petitioners believe are purchasers of certain merchandise. Also on November 17, 2010, we issued a letter to Mexinox stating that we were rejecting its Rebuttal Brief because it also contained new information regarding the U.S. entities that petitioners believe are purchasers of certain merchandise. On November 22, 2010, Mexinox submitted its revised Rebuttal Brief, and on November 23, 2010, petitioners submitted its revised Case Brief. The current deadline for the final results of this review is December 7, 2010.

**Extension of Time Limits for Final Results**

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended (the Act), requires the Department to complete the final results of an administrative review within 120 days after the date on which the preliminary results are published. However, if it is not practicable to complete the review within the time period, section 751(a)(3)(A) of the Act allows the Department to extend the 120 day time period for the final results up to 180 days.

The Department finds that it is not practicable to complete this review within the original time frame because additional analysis must be performed with respect to several complex issues raised by the parties, such as Mexinox's cost of production, contemporaneous matching, etc. Accordingly, the Department is extending the time limit for completion of the final results of this administrative review until no later than January 6, 2011, which is 150 days after the date on which the preliminary results of review were published.

This extension is issued and published in accordance with sections 751(a)(3)(A) and 777(i) of the Act.
