

parent company of ITSNA. In a February 10, 2006, letter (see Exhibit 48-3), ITSNA requested that OSHA terminate the recognition of ENT. OSHA has accepted this request, and ENT is no longer recognized as an NRTL. Section II.D of Appendix A to 29 CFR 1910.7 provides that the Agency shall publish a **Federal Register** notice to note the voluntary termination of a recognition, and OSHA is doing so in this notice. OSHA shall not take any further action on this matter.

In its February 2006 letter, ITSNA also included a request pertaining to the Entela mark, which now appears along with other marks on OSHA's Web page of typical registered certification marks used by each NRTL. ITSNA provided documentation showing its exclusive right to use the Entela mark and requested the mark be shown as one used by ITSNA for its NRTL approvals. OSHA will modify its Web page accordingly.

Signed at Washington, DC, this 22nd day of January, 2008.

Edwin G. Foulke, Jr.,

Assistant Secretary of Labor for Occupational Safety and Health.

LEGAL SERVICES CORPORATION

Notice and Request for Comments—LSC Elimination of Hawai'i Migrant Service Area

AGENCY: Legal Services Corporation.

ACTION: Notice and Request for Comments—LSC Elimination of Hawai'i Migrant Service Area.

SUMMARY: The Legal Services Corporation will eliminate the Hawai'i migrant service area, MHI, effective April 1, 2008, because any eligible migrant population in Hawai'i can be more effectively and efficiently served through the Hawai'i basic field grant.

DATES: Written comments must be received on or before March 3, 2008.

ADDRESSES: Written comments may be submitted by mail, fax or e-mail to Karen J. Sarjeant, Vice President for Programs and Compliance, Legal Services Corporation, 3333 K St., NW., Washington, DC 20007; 202-295-1645 (phone); 202-337-6386 (fax); ksarjeant@lsc.gov.

FOR FURTHER INFORMATION CONTACT:

Karen J. Sarjeant, Vice President for Programs and Compliance, Legal Services Corporation, 3333 K St., NW., Washington, DC 20007; 202-295-1645

(phone); 202-337-6386 (fax); ksarjeant@lsc.gov.

SUPPLEMENTARY INFORMATION: The Legal Services Corporation's (LSC) mission is to promote equal access to justice in our Nation and to provide for high-quality civil legal assistance to low-income persons. Pursuant to its statutory authority, LSC designates service areas in U.S. States, territories, possessions and the District of Columbia for which it provides grants to legal aid programs to provide free civil legal services, primarily through "basic field" grants based on poverty populations. In some regions, LSC designates migrant service areas for grants that are designed to specifically serve the legal needs of eligible migrant populations. The funding for migrant service areas is taken out of the funding for the basic field service areas also covering those populations based on the estimated number of eligible migrants as a portion of the total poverty population.

For many years LSC has designated a migrant service area in Hawai'i. LSC has been told that the eligible migrant population in Hawai'i is not sufficient in numbers to maintain a separate migrant service area. LSC has researched this matter and determined that, based on the available information, it would be more effective and efficient to serve the legal needs of the eligible migrant population in Hawai'i through the basic field grant rather than providing a separate migrant grant.

LSC provides grants through a competitive bidding process, which is regulated by 45 CFR part 1634. In 2007, LSC implemented a competitive grants process for 2008 calendar year funding that included, inter alia, the Hawai'i migrant service area. LSC determines the term of grants after applications have been received. For 2008, LSC awarded a three-month grant for the Hawai'i migrant service area to the Legal Aid Society of Hawai'i ("LASH"), effective January 1, 2008, through March 31, 2008. Through an earlier competitive grants process, LASH is also the recipient of the Hawai'i basic field grant, awarded for calendar years 2007 through 2009.

LSC intends to eliminate the Hawai'i migrant service area beginning April 1, 2008. Funding for the eligible migrant population of Hawai'i, which had been deducted from the Hawai'i basic field grant, will be restored to that grant. LSC expects that the recipient of that grant, the Legal Aid Society of Hawai'i, will continue to provide services addressing the special needs of the eligible migrant population as part of its basic field grant, which will be subject to

competition again for funding in calendar year 2010.

LSC invites public comment on this decision. Interested parties may submit comments to LSC by March 3, 2008. More information about LSC can be found at LSC's Web site: <http://www.lsc.gov>.

Victor M. Fortuno,

Vice President and General Counsel.

NATIONAL SCIENCE FOUNDATION

Comment Request: National Science Foundation—Applicant Survey

AGENCY: National Science Foundation.

ACTION: Notice.

SUMMARY: The National Science Foundation (NSF) is announcing plans to request renewed clearance of this collection. In accordance with the requirement of Section 3506(c)(2)(A) of the Paperwork Reduction Act of 1995, we are providing opportunity for public comment on this action. After obtaining and considering public comment, NSF will prepare the submission requesting OMB clearance of this collection for no longer than 3 years.

Comments are invited on: (a) Whether the proposed collection of information is necessary for the proper performance of the functions of the Agency, including whether the information shall have practical utility; (b) the accuracy of the Agency's estimate of the burden of the proposed collection of information; (c) ways to enhance the quality, utility, and clarity of the information on respondents, including through the use of automated collection techniques or other forms of information technology; and (d) ways to minimize the burden of the collection of information on respondents, including through the use of automated collection techniques or other forms of information technology.

DATES: Written comments should be received by March 28, 2008 to be assured of consideration. Comments received after that date will be considered to the extent practicable.

ADDRESSES: Written comments regarding the information collection and requests for copies of the proposed information collection request should be addressed to Suzanne Plimpton, Reports Clearance Officer, National Science Foundation, 4201 Wilson Blvd., Rm. 295, Arlington, VA 22230, or by e-mail to splimpto@nsf.gov.

FOR FURTHER INFORMATION CONTACT: Suzanne Plimpton at (703) 292-7556 or
