DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

[Docket Nos. EL12-48-000]

City of New Martinsville, WV; Notice of Petition for Enforcement

Take notice that on March 15, 2012, pursuant to section 210(h)(2)(B) of the Public Utility Regulatory Policies Act of 1978 (PURPA), the City of New Martinsville, West Virginia filed a petition requesting the Federal Energy Regulatory Commission (Commission) initiate an enforcement action against the Public Service Commission of West Virginia (PSC) and granting such other relief as the Commission may deem proper in order to remedy the PSC's violations of PURPA.

Any person desiring to intervene or to protest this filing must file in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211, 385.214). Protests will be considered by the Commission in determining the appropriate action to be taken, but will not serve to make protestants parties to the proceeding. Any person wishing to become a party must file a notice of intervention or motion to intervene, as appropriate. Such notices, motions, or protests must be filed on or before the comment date. On or before the comment date, it is not necessary to serve motions to intervene or protests on persons other than the Applicant.

The Commission encourages electronic submission of protests and interventions in lieu of paper using the "eFiling" link at <http://www.ferc.gov>. Persons unable to file electronically should submit an original and 14 copies of the protest or intervention to the Federal Energy Regulatory Commission, 888 First Street NE., Washington, DC 20426.

This filing is accessible on-line at <http://www.ferc.gov>, using the "eLibrary" link and is available for review in the Commission's Public Reference Room in Washington, DC. There is an "eSubscription" link on the Web site that enables subscribers to receive email notification when a document is added to a subscribed docket(s). For assistance with any FERC Online service, please email FERCOnlineSupport@ferc.gov, or call

ENVIRONMENTAL PROTECTION AGENCY

[EPA-HQ-OPP-2011-0757; FRL-9326-3]

Pesticide Product Registration Approvals

AGENCY: Environmental Protection Agency (EPA).

ACTION: Notice.

SUMMARY: This notice announces EPA's issuance, pursuant to the provisions of section 3(c)(5) of the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), of certain registrations for new pesticide products and amended registrations for currently existing pesticide products.

FOR FURTHER INFORMATION CONTACT: A contact person, with telephone number and email address, is listed at the end of each registration and amended registration approval summary. You may also reach each contact person by mail at Biopesticides and Pollution Prevention Division (7511P), Office of Pesticide Programs, Environmental Protection Agency, 1200 Pennsylvania Ave. NW., Washington, DC 20460-0001.

SUPPLEMENTARY INFORMATION:

I. General Information

A. Does this action apply to me?

You may be potentially affected by this action if you are an agricultural producer, food manufacturer, or pesticide manufacturer. Potentially affected entities may include, but are not limited to:

- Crop production (NAICS code 111).
- Animal production (NAICS code 112).
- Food manufacturing (NAICS code 311).
- Pesticide manufacturing (NAICS code 32532).

This listing is not intended to be exhaustive, but rather provides a guide for readers regarding entities likely to be affected by this action. Other types of entities not listed in this unit could also be affected. The North American Industrial Classification System (NAICS) codes have been provided to assist you and others in determining

whether this action might apply to certain entities. If you have any questions regarding the applicability of this action to a particular entity, consult the contact person listed at the end of the registration or amended registration approval summary of interest.

B. How can I get copies of this document and other related information?

For each registration and amended registration approval summary (see Unit IV. and Unit V.), EPA has established a unique docket identification (ID) number. Publicly available docket materials are available either in the electronic docket at <http://www.regulations.gov>, or, if only available in hard copy, at the Office of Pesticide Programs (OPP) Regulatory Public Docket in Rm. S-4400, One Potomac Yard (South Bldg.), 2777 S. Crystal Dr., Arlington, VA. The hours of operation of this Docket Facility are from 8:30 a.m. to 4 p.m., Monday through Friday, excluding legal holidays. The Docket Facility telephone number is (703) 305-5805.

In accordance with section 3(c)(2) of FIFRA, copies of approved labels, lists of data references, data and other scientific information used to support registration or amended registration, except for material specifically protected by section 10 of FIFRA, are also available for public inspection. Requests for data must be made in accordance with the provisions of the Freedom of Information Act and must be addressed to the Freedom of Information Office (A-101), 1200 Pennsylvania Ave. NW., Washington, DC 20460-0001. Such requests should identify the product name and registration number and specify the data or information desired.

Paper copies of the fact sheets, which provide more detail on these registrations and amended registrations, may be obtained from the National Technical Information Service (NTIS), 5285 Port Royal Rd., Springfield, VA 22161.

II. EPA's Approval Process

EPA approved the subject applications in accordance with established procedures. EPA considered the nature of the active ingredients, patterns of use, application methods and rates, and levels and extent of potential exposure. EPA has determined that the active ingredients described in Units IV. and V., when used in accordance with widespread and commonly recognized practice, will not generally cause unreasonable adverse effects on the environment.
