

Extension of the Time Limit for Final Results of Administrative Review

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended, (the Act) requires the Department to issue the final results in an administrative review within 120 days of the publication date of the preliminary results. However, if it is not practicable to complete the review within this time period, section 751(a)(3)(A) of the Act allows the Department to extend the time limit for the final results to a maximum of 180 days after the date on which the preliminary results are published. The Department has determined that completion of the final results of this review within the original time period is not practicable because the Department requires additional time to complete analysis of several complex issues, including certain cost issues for one respondent and a revocation request for another respondent. Therefore, the Department is fully extending the time limit for completion of the final results of the administrative review. The final results are now due no later than November 3, 2008, the next business day after 180 days from publication of the preliminary results.

This notice is issued and published in accordance with sections 751(a)(3)(A) and 777(i)(1) of the Act.

Dated: June 17, 2008.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.

Wooden Bedroom Furniture from the People's Republic of China: Extension of Time Limits for the Final Results of the Antidumping Duty Administrative Review and New Shipper Reviews

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: June 23, 2008.

FOR FURTHER INFORMATION CONTACT: Paul Stolz, AD/CVD Operations, Office 8, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-4474.

Background

The Department of Commerce ("the Department") published an

antidumping duty order on wooden bedroom furniture ("WBF") from the People's Republic of China ("PRC") on January 4, 2005. *See Notice of Amended Final Determination of Sales at Less Than Fair Value and Antidumping Duty Order: Wooden Bedroom Furniture From the People's Republic of China*, 70 FR 329 (January 4, 2005). On March 7, 2007, the Department published in the **Federal Register** a notice of the initiation of the antidumping duty administrative review and new shipper reviews of WBF from the PRC for the period January 1, 2006, through December 31, 2006. *See Initiation of Administrative Review of Antidumping Duty Order on Wooden Bedroom Furniture from the People's Republic of China*, 72 FR 10159 (March 7, 2007) and *Wooden Bedroom Furniture from the People's Republic of China: Initiation of New Shipper Reviews*, 72 FR 10158 (March 7, 2007) ("Initiation of Third Annual New Shipper Reviews"). On February 13, 2008, the Department published in the **Federal Register** the preliminary results of the second administrative review and the new shipper reviews. *See Wooden Bedroom Furniture from the People's Republic of China: Preliminary Results of Antidumping Duty Administrative Review, Preliminary Results of New Shipper Reviews and Notice of Partial Rescission*, 73 FR 8273 (February 13, 2008). The final results of the administrative and new shipper reviews are currently due no later than June 12, 2008.

Extension of Time Limit of Final Results.

Section 751(a)(3)(A) of the Tariff Act of 1930, as amended ("the Act"), requires the Department to issue final results within 120 days after the date on which the preliminary results are published. However, if it is not practicable to complete the review within this time period, section 751(a)(3)(A) of the Act allows the Department to extend the time period to a maximum of 180 days. Completion of the final results of these reviews within the 120-day period is not practicable because the Department conducted verification in the administrative review after publication of the preliminary results, and, therefore, needs additional time to complete verification reports, provide an opportunity for, and analyze, comments by interested parties on the preliminary results and verification reports, and analyze information gathered at verification.

Because it is not practicable to complete these reviews within the time specified under the Act, we are fully

extending the time period for issuing the final results of the administrative and new shipper reviews in accordance with section 751(a)(3)(A) of the Act. Therefore, the final results are due no later than August 11, 2008, which is 180 days from publication of the preliminary results. This notice is published pursuant to sections 751(a) and 777(i) of the Act.

Dated: June 9, 2008.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.

Fresh Garlic from the People's Republic of China: Extension of Time Limit for the Preliminary Results of the New Shipper Reviews

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

EFFECTIVE DATE: June 23, 2008.

FOR FURTHER INFORMATION CONTACT: Scott Lindsay, AD/CVD Operations, Office 6, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue, NW, Washington, DC 20230; telephone: (202) 482-0780.

SUPPLEMENTARY INFORMATION:

Background

On January 2, 2008, the Department published a notice of initiation of new shipper reviews of fresh garlic from the PRC covering Anqiu Haoshun Trade Co., Ltd., Ningjin Ruifeng Foodstuff Co., Ltd., and Zhengzhou Yuanli Trading Co., Ltd. for the period November 1, 2006, through October 31, 2007. *See Fresh Garlic from the People's Republic of China: Initiation of New Shipper Reviews*, 73 FR 161 (January 2, 2008). The preliminary results of these new shipper reviews are currently due no later than June 18, 2008.

Statutory Time Limits

Section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended (the "Act"), provides that the Department will issue the preliminary results of a new shipper review of an antidumping duty order within 180 days after the day on which the review was initiated. *See also* 19 CFR 351.214(i)(1). The Act further provides that the Department may

extend that 180-day period to 300 days if it determines that the case is extraordinarily complicated. See 19 CFR 351.214 (i)(2).

Extension of Time Limit of Preliminary Results

The Department determines that these new shipper reviews involve extraordinarily complicated methodological issues such as potential affiliation issues, the examination of importer information, and the evaluation of the *bona fide* nature of each company's sales. Therefore, in accordance with section 751(a)(2)(B)(iv) of the Act and 19 CFR 351.214(i)(2), the Department is extending the time limit for these preliminary results by 120 days, until no later than October 16, 2008. The final results continue to be due 90 days after the date of the issuance of the preliminary results, unless extended.

We are issuing and publishing this notice in accordance with sections 751(a)(2)(B)(iv) and 777(i) of the Act.

Dated: June 13, 2008.

Stephen J. Claeys,

Deputy Assistant Secretary for Import Administration.

International Trade Administration

North American Free-Trade Agreement, Article 1904 NAFTA Panel Reviews; Request for Panel Review

AGENCY: NAFTA Secretariat, United States Section, International Trade Administration, Department of Commerce.

ACTION: Notice of first request for panel review.

SUMMARY: On June 6, 2008, Ivaco Rolling Mills 2004 L.P. and Sivaco Ontario, a division of Sivaco Wire Group 2004 L.P. (collectively, "Ivaco") filed a First Request for Panel Review with the United States Section of the NAFTA Secretariat pursuant to Article 1904 of the North American Free Trade Agreement. Panel review was requested of the Final Results of the 2005-2006 Antidumping Duty Administrative Review made by the International Trade Administration, respecting Carbon and Certain Alloy Steel Wire Rod from Canada. The determination was published in the **Federal Register** (73 FR 7710) on May 12, 2008. The NAFTA Secretariat has assigned Case Number

USA-CDA-2008-1904-02 to this request.

FOR FURTHER INFORMATION CONTACT:

Valerie Dees, United States Secretary, NAFTA Secretariat, Suite 2061, 14th and Constitution Avenue, Washington, DC 20230, (202) 482-5438.

SUPPLEMENTARY INFORMATION: Chapter 19 of the North American Free-Trade Agreement ("Agreement") establishes a mechanism to replace domestic judicial review of final determinations in antidumping and countervailing duty cases involving imports from a NAFTA country with review by independent binational panels. When a Request for Panel Review is filed, a panel is established to act in place of national courts to review expeditiously the final determination to determine whether it conforms with the antidumping or countervailing duty law of the country that made the determination.

Under Article 1904 of the Agreement, which came into force on January 1, 1994, the Government of the United States, the Government of Canada and the Government of Mexico established *Rules of Procedure for Article 1904 Binational Panel Reviews* ("Rules"). These Rules were published in the **Federal Register** on February 23, 1994 (59 FR 8686).

A first Request for Panel Review was filed with the United States section of the NAFTA Secretariat, pursuant to Article 1904 of the Agreement, on June 6, 2008, requesting panel review of the determination and order described above.

The Rules provide that:

(a) A Party or interested person may challenge the final determination in whole or in part by filing a Complaint in accordance with Rule 39 within 30 days after the filing of the first Request for Panel Review (the deadline for filing a Complaint is July 7, 2008);

(b) A Party, investigating authority or interested person that does not file a Complaint but that intends to appear in support of any reviewable portion of the final determination may participate in the panel review by filing a Notice of Appearance in accordance with Rule 40 within 45 days after the filing of the first Request for Panel Review (the deadline for filing a Notice of Appearance is July 21, 2008); and

(c) The panel review shall be limited to the allegations of error of fact or law, including the jurisdiction of the investigating authority, that are set out in the Complaints filed in the panel review and the procedural and substantive defenses raised in the panel review.

Dated: June 17, 2008.

Valerie Dees,

United States Secretary, NAFTA Secretariat.

National Institute of Standards and Technology

National Conference on Weights and Measures 93rd Annual Meeting

AGENCY: National Institute of Standards and Technology, Commerce.

ACTION: Notice.

SUMMARY: The Annual Meeting of the 93rd National Conference on Weights and Measures (NCWM) will be held July 13 to 17, 2008. Publication of this notice on the NCWM's behalf is a public service; NIST does not endorse, approve, or recommend any of the proposals contained in this notice or in the NCWM publications listed. The meetings are open to the public but registration is required.

DATES: July 13-17, 2008.

Meeting Location: Sheraton Burlington Hotel, Burlington, Vermont.

FOR FURTHER INFORMATION CONTACT:

Carol Hockert, Chief, National Institute of Standards and Technology, Weights and Measures Division, Mailstop 2600, Gaithersburg, MD 20899-2600, or by telephone (301) 975-5507, Fax: (301) 975-8091, or e-mail:

carol.hockert@nist.gov. Please see NCWM Publication 16 at <http://www.ncwm.net>, which contains meeting agendas, registration forms and hotel information.

SUPPLEMENTARY INFORMATION: The NCWM is an organization of state, county and city weights and measures officials, business and industry representatives, Federal Agencies and other members of the public that come together to, among other things, develop recommendations for standards and test procedures related to weights and measures technology, administration and enforcement. Pursuant to (15 U.S.C. 272(b)(6)), the Weights and Measures Division of the National Institute of Standards and Technology (NIST) supports the NCWM as one of the forums it uses to solicit comments and recommendations on revising or updating a variety of publications related to legal metrology. NIST promotes uniformity among the states in their laws, regulations, test methods and equipment that are used in regulating the weighing and measuring devices, packaging and labeling and other
