

to customer accounts and not to other agreements between member firms and large institutional clients with whom they had negotiated contract terms.

2. Statutory Basis

NASD believes that the proposed rule change is consistent with the provisions of Section 15A(b)(6) of the Act, which requires, among other things, that the NASD's rules must be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, and, in general, to protect investors and the public interest. NASD believes that the proposed amendments to Rule 3110(f) will serve the public interest by providing customers with more complete information about the arbitration process.

B. Self-Regulatory Organization's Statement on Burden on Competition

NASD does not believe that the proposed rule change will result in any burden on competition that is not necessary or appropriate in furtherance of the purposes of the Act, as amended.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants, or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

Within 35 days of the date of publication of this notice in the **Federal Register** or within such longer period (i) as the Commission may designate up to 90 days of such date if it finds such longer period to be appropriate and publishes its reasons for so finding or (ii) as to which the self-regulatory organization consents, the Commission will:

Self-Regulatory Organizations; National Association of Securities Dealers, Inc.; Order Granting Approval of Proposed Rule Change and Amendment Nos. 1 and 2 Thereto by the National Association of Securities Dealers, Inc. Regarding the Regulation of Activities of Members Experiencing Financial and/or Operational Difficulties

September 4, 2003.

On April 16, 2003, the National Association of Securities Dealers, Inc. ("NASD") filed with the Securities and Exchange Commission ("Commission"), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 ("Act")¹ and Rule 19b-4 thereunder,² a proposed rule change to: (i) amend NASD Rules 3130, 3131 and the Rule 9410 Series to expand NASD's authority to take expedited action against all member firms with capital deficiencies and to permit NASD to suspend a member that operates for any period of time with inadequate net capital, and (ii) delete subparagraph (g) of NASD Rule 9160 because NASD's Department of Member Regulation staff does not participate as an adjudicator in an NASD Rule 9410 decision. On June 17, 2003, NASD submitted Amendment No.

1 to the proposed rule change.³ On July 9, 2003, NASD submitted Amendment No. 2 to the proposed rule change.⁴ The proposed rule change, as amended by Amendment No. 1 and Amendment No. 2, was published for comment in the **Federal Register** on July 31, 2003.⁵ The Commission received no comments on the proposal. This order approves the proposed rule change, as amended.

The Commission finds that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities association.⁶ Specifically, the Commission believes that the proposed rule change is consistent with the provisions of section 15A(b)(6) of the Act,⁷ which requires, among other things, that NASD's rules be designed to prevent fraudulent and manipulative acts and practices, to promote just and equitable principles of trade, and, in general, to protect investors and the public interest.

The Commission believes that the proposed amendments adequately address those circumstances where limiting an NASD member's business operations would be futile. Specifically, the Commission believes that because the proposal permits NASD to suspend any member that operates for any period of time with inadequate net capital, as required by Rule 15c3-1 under the Act, and § 402.2 of the rules of the Treasury Department, the proposed rule change should protect investors, market participants, and the general public from the risks posed by members operating securities businesses without appropriate levels of capital.

The Commission believes that the proposal to apply NASD Rules 3130 and 3131 to all members regardless of their minimum capital requirements should protect investors and the public interest. The Commission believes that any firm that operates with inadequate capital poses a risk to other firms and investors. Accordingly, the Commission believes

that the NASD should have the authority to take action against any member that is not in capital compliance.

It is therefore ordered, pursuant to Section 19(b)(2) of the Act,⁸ that the proposed rule change (SR–NASD–2003–74), as amended, be, and it hereby is, approved.

Self-Regulatory Organizations; Order Approving Proposed Rule Change and Amendment No. 1 Thereto by the National Association of Securities Dealers, Inc. To Clarify Reporting Requirements for Transactions Conducted Through Electronic Communications Networks

September 4, 2003.

On June 19, 2003, the National Association of Securities Dealers, Inc. (“NASD”), through its subsidiary, The Nasdaq Stock Market, Inc. (“Nasdaq”) submitted to the Securities and Exchange Commission (“Commission”), pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (“Act”),¹ and Rule 19b–4 thereunder,² a proposed rule change to clarify the reporting requirements applicable to transactions conducted through electronic communication networks (“ECNs”). On July 11, 2003, Nasdaq submitted Amendment No. 1 to the proposal.³ The **Federal Register** published the proposal, as amended, for comment on August 4, 2003.⁴ The Commission received one comment letter supporting the proposal.⁵

Nasdaq has stated that it allows ECNs to adopt different methodologies for reporting transactions to the Automated Confirmation Transaction Service (“ACT”) in order to accommodate their varying business needs. Nasdaq believes, however, that the absence of clearly defined rules on the ACT trade reporting requirements has created some confusion for ECNs and their subscribers. Nasdaq proposed these rule changes to provide greater clarity and certainty regarding the ACT trade reporting requirements for ECNs and their subscribers. The Commission finds that the proposed rule change is consistent with the requirements of the Act and the rules and regulations thereunder applicable to a national securities association⁶ and, in particular, the requirements of section 15A(b)(6) of the Act,⁷ which requires, among other things, that the rules of a national securities association foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities. The Commission believes that the proposed rules will provide ECNs and subscribers with necessary guidelines to facilitate their compliance with ACT trade reporting requirements. Therefore, the Commission finds the proposed rule changes are designed to foster cooperation and coordination with persons engaged in regulating, clearing, settling, processing information with respect to, and facilitating transactions in securities.

It is therefore ordered, pursuant to section 19(b)(2) of the Act,⁸ that the proposed rule change (SR–NASD–2003–98), as amended, is approved.

For the Commission, by the Division of Market Regulation, pursuant to delegated authority.⁹
