### Foreign-Trade Zones Board

[Docket 45-2000]

#### Foreign-Trade Zone 73—BWI Airport, Maryland, Expansion of Manufacturing Authority—Subzone 73A, Rotorex Company, Inc. (Air Cleaners); Walkersville, MD

An application has been submitted to the Foreign-Trade Zones Board (the Board) by the Maryland Department of Transportation, grantee of FTZ 73, requesting authority on behalf of the Rotorex Company, Inc. (Rotorex) and Trion, Inc. (Trion), to expand the scope of manufacturing activity conducted under zone procedures within Subzone 73A at the Rotorex facility in Walkersville, Maryland. The application was submitted pursuant to the provisions of the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a-81u), and the regulations of the Board (15 CFR part 400). It was formally filed on July 27, 2000.

Subzone 73A was approved by the Board in 1995 (Board Order 767, 60 FR 47149, 9/11/95). The Rotorex plant (210,000 sq. ft. on 18 acres) is located at 8301-B Retreat Road in Walkersville (Frederick County), Maryland, about 55 miles northwest of Washington, DC. Approval was originally granted for the manufacture of rolling piston rotary pumps and compressors for R-22 unitary heat pumps and air conditioners. The applicant is now seeking authority to manufacture residential air cleaners at the facility (HTS 8421.39, duty free). Components and materials sourced from abroad (representing about 28% of all parts consumed in manufacturing) include: motors and power supplies (HTS 8501.10 and 8501.40, duty rate ranges from 1.5% to 4.0%).

FTZ procedures would exempt Rotorex and Trion from Customs duty payments on the foreign components used in export production. Some 10 percent of the plant's shipments are exported. On its domestic sales, Rotorex and Trion would be able to choose the duty rates during Customs entry procedures that apply to finished air cleaners (duty-free) for the foreign inputs noted above. The request indicates that the savings from FTZ procedures would help improve the plant's international competitiveness.

In accordance with the Board's regulations, a member of the FTZ staff has been appointed examiner to investigate the application and report to the Board.

Public comment on the application is invited from interested parties. Submissions (original and 3 copies) shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is October 2, 2000. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period (to October 17, 2000).

A copy of the application and the accompanying exhibits will be available for public inspection at each of the following locations:

The proposed expansion area (4 parcels) is owned by: A—Flannery Developers (89 acres); B—Central Trust (53 acres); C—Ronald E. Clark (33 acres); and D—ZF Batavia (231 acres).

No specific manufacturing requests are being made at this time. Such requests would be made to the Board on a case-by-case basis.

#### Notice of Postponement of Final Antidumping Duty Determination and Extension of Provisional Measures: Certain Expandable Polystyrene Resins From Indonesia

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**EFFECTIVE DATE:** August 3, 2000.

#### FOR FURTHER INFORMATION CONTACT:

Valerie Ellis at (202) 482-2336 or Charles Riggle at (202) 482-0650, AD/CVD Enforcement, Office V, DAS Group II, Import Administration, International Trade Administration, U.S. Department of Commerce, 14th Street and Constitution Avenue NW, Washington, DC 20230.

#### Postponement of Final Determinations

The Department of Commerce (the Department) is postponing the final determination in the antidumping duty investigation of certain expandable polystyrene resins from Indonesia.

On June 26, 2000, the Department published its preliminary determination in this investigation. *See Notice of Preliminary Determination of Sales at Less Than Fair Value: Certain Expandable Polystyrene Resins From Indonesia*, 65 FR 39349. The notice stated that the Department would issue its final determination no later than 75 days after the date of issuance of the notice.

Pursuant to section 735(a)(2)(A) of the Tariff Act of 1930, as amended (the Act), on July 11, 2000, PT Risjad Brasali Styrimdo (RBS), the sole respondent in the investigation, requested that the Department postpone its final determination. Further to this request, RBS requested that the Department extend to not more than six months the application of the provisional measures prescribed under paragraphs (1) and (2) of section 733(d) of the Act. In accordance with section 735(a) of the Act and 19 CFR 351.210(b), because the preliminary determination in this case is affirmative and the request for postponement was submitted in writing by an exporter who accounts for a significant proportion of exports of the subject merchandise in this investigation, we are postponing the final determination until no later than 135 days after the publication of the preliminary determination in the **Federal Register** (i.e., until no later than November 8, 2000). Suspension of

liquidation will be extended accordingly.

This extension is in accordance with section 735(a)(2)(A) of the Act, and 19 CFR 351.210(b)(2).

Dated: July 27, 2000.

#### Pure Magnesium From the People's Republic of China; Final Results of Antidumping Duty Sunset Review

**AGENCY:** Import Administration, International Trade Administration, Department of Commerce.

**ACTION:** Notice of final results of antidumping duty sunset review; Pure magnesium from the People's Republic of China.

**SUMMARY:** On April 3, 2000, the Department of Commerce ("the Department") published the notice of initiation of sunset review of the antidumping duty order on pure magnesium from the People's Republic of China ("China") (65 FR 17484) pursuant to section 751(c) of the Tariff Act of 1930, as amended ("the Act"). On the basis of a notice of intent to participate and an adequate substantive response filed on behalf of domestic interested parties, and inadequate response (in this case, no response) from respondent interested parties, the Department determined to conduct an expedited sunset review. As a result of this review, the Department finds that revocation of the antidumping duty order would likely lead to continuation or recurrence of dumping at the levels listed below in the "Final Results of Review" section of this notice.

**EFFECTIVE DATE:** August 3, 2000.
