SUPPLEMENTARY INFORMATION:**Federal Aviation Administration (FAA)**

Title: Human Space Flight Requirements for Crew and Space Flight Participants.

Type of Request: Extension without change of a currently approved collection.

OMB Control Number: 2120-0720.

Form(s): There are no FAA forms associated with this collection.

Affected Public: A total of 5 respondents.

Frequency: This information is collected on occasion.

Estimated Average Burden per Response: Approximately 4 hours per response.

Estimated Annual Burden Hours: An estimated 2,975 hours annually.

Abstract: The FAA has established requirements for human space flight crew and space flight participants as required by the Commercial Space Launch Amendments Act of 2004. This rulemaking established requirements for crew qualifications, training and notification, and training and informed consent requirements for space flight participants. The rulemaking also modified existing financial responsibility requirements to account for space flight participants, crew, and FAA's new authority to issue an experimental permit.
