

international organizations. Paragraph (1)(i) requires contractors to request and obtain contracting officer approval before using Government property on work for foreign governments and international organizations.

DFARS 245.604–3 concerns the sale of surplus Government property. Under paragraph (b), a contractor may be directed by the plant clearance officer to issue informal invitations for bids. Under paragraph (d), a contractor may be authorized by the plant clearance officer to purchase or retain Government property at less than cost if the plant clearance officer determines this method is essential for expeditious plant clearance.

The contract clause at DFARS 252.245–7003, Contractor Property Management System Administration, prescribed at 245.107(5), addresses the requirement for contractors to respond in writing to initial and final determinations from the administrative contracting officer that identifies deficiencies in the contractor's property management system.

DD Form 1348–1A, DoD Single Line Item Release/Receipt Document, is prescribed at DFARS 245.7001–3 for use when authorized by the plant clearance officer.

DD Form 1639, Scrap Warranty, is prescribed in the clause at DFARS 252.245–7004, Reporting, Reutilization, and Disposal. When scrap is sold by the contractor, after Government approval, the purchaser of the scrap material(s) may be required to certify, by signature on the DD Form 1639, that (i) the purchased material will be used only as scrap and (ii), if sold by the purchaser, the purchaser will obtain an identical warranty from the individual buying the scrap from the initial purchaser. The warranty contained in the DD Form 1639 expires five years from the date of the sale.

Federal Energy Regulatory Commission

[Docket No. CP20–493–000]

Tennessee Gas Pipeline Company, L.L.C.; Notice of Intent To Prepare an Environmental Impact Statement for the Proposed East 300 Upgrade Project and Schedule for Environmental Review

The staff of the Federal Energy Regulatory Commission (FERC or Commission) will prepare an environmental impact statement (EIS) for the East 300 Upgrade Project (Project), proposed by Tennessee Gas Pipeline Company, L.L.C. (Tennessee) in Passaic and Sussex Counties, New Jersey and Susquehanna County, Pennsylvania. The EIS will tier off Commission staff's Environmental Assessment (EA) and its findings and conclusions for the Project issued on February 19, 2021, and respond to comments filed on the EA.¹ The EIS will assist the Commission in its consideration of the Project's contribution to climate change and its decision-making process to determine whether Tennessee's proposed Project is in the public convenience and necessity. The schedule for preparation of the EIS is discussed in the "Schedule for Environmental Review" section of this notice.

The National Environmental Policy Act Process

The production of the EIS is part of the Commission's overall National Environmental Policy Act review process. Commission staff will independently analyze the proposed Project and prepare a draft EIS, which will be issued for public comment. Commission staff will consider all timely comments received during the comment period on the draft EIS and revise the document, as necessary, before issuing a final EIS. Any draft and

¹ The EA for the Project is filed in Docket No. CP20–493–000 under Accession No. 20210219–3034.

final EIS will be available in electronic format in the public record through eLibrary² and the Commission's natural gas environmental documents web page (<https://www.ferc.gov/industries-data/natural-gas/environment/environmental-documents>).

Schedule for Environmental Review

This notice identifies the Commission staff's planned schedule for completion of a final EIS for the Project, which is based on an issuance of the draft EIS in July 2021.

Issuance of Notice of Availability of the final EIS September 24, 2021

90-day Federal Authorization Decision Deadline December 23, 2021

If a schedule change becomes necessary for the final EIS, an additional notice will be provided so that the relevant agencies are kept informed of the Project's progress.

Environmental Mailing List

This notice is being sent to the Commission's current environmental mailing list for the Project, which includes: Federal, State, and local government representatives and agencies; elected officials; environmental and public interest groups; Native American Tribes; other interested parties; and local libraries and newspapers. This list also includes all affected landowners (as defined in the Commission's regulations) who are potential right-of-way grantors, whose property may be used temporarily for Project purposes, or who own homes within certain distances of aboveground facilities, and anyone who submits comments on the Project and includes a mailing address with their comments. Commission staff will update the environmental mailing list as the analysis proceeds to ensure that Commission notices related to this environmental review are sent to all individuals, organizations, and government entities interested in and/or potentially affected by the proposed Project.

If you need to make changes to your name/address, or if you would like to remove your name from the mailing list, please complete one of the following steps:

(1) Send an email to GasProjectAddressChange@ferc.gov stating your request. You must include the docket number CP20-493-000 in your request. If you are requesting a change to your address, please be sure to include your name and the correct

address. If you are requesting to delete your address from the mailing list, please include your name and address as it appeared on this notice. This email address is unable to accept comments.

OR

(2) Return the attached "Mailing List Update Form" (appendix 1).

Additional Information

In order to receive notification of the issuance of the EIS and to keep track of all formal issuances and submittals in specific dockets, the Commission offers a free service called eSubscription. This can reduce the amount of time you spend researching proceedings by automatically providing you with notification of these filings, document summaries, and direct links to the documents. Go to <https://www.ferc.gov/ferc-online/overview> to register for eSubscription.

Additional information about the Project is available from the Commission's Office of External Affairs, at (866) 208-FERC, or on the FERC website at www.ferc.gov using the eLibrary link. Click on the eLibrary link, click on "General Search" and enter the docket number in the "Docket Number" field. Be sure you have selected an appropriate date range. For assistance, please contact FERC Online Support at FercOnlineSupport@ferc.gov or (866) 208-3676, or for TTY, contact (202) 502-8659. The eLibrary link also provides access to the texts of all formal documents issued by the Commission, such as orders, notices, and rulemakings.

Dated: May 27, 2021.
