Abstract: The Department of Education (the Department) is requesting extension without change of the currently approved OMB information collection 1845–0093, Federal Family Education Loan (FFEL) Program Servicemembers Civil Relief Act (SCRA). Due to the effects of the COVID–19 pandemic and the suspension of the collection of loans, the Department lacks sufficient data to allow for more accurate updates to the usage of these forms. The regulations require the FFEL loan holder to match its database against the Department of Defense (DOD) Defense Manpower Data Center (DMDC) or other official DOD database and automatically apply the interest rate limitation, as appropriate, to borrowers under the SCRA. There has been no change in the statute or in the regulations at 34 CFR 682.208(j).

Dated: September 28, 2021.

PRA Coordinator, Strategic Collections and Clearance, Governance and Strategy Division, Office of Chief Data Officer, Office of Planning, Evaluation and Policy Development.
