The audited reports are needed by the Department of Transportation as (1) a means to monitor an air carrier's continuing fitness to operate, (2) reference material used by analysts in examining foreign route cases (3) reference material used by analyst in examining proposed mergers, acquisitions and consolidations, (4) a means whereby BTS sends a copy of the report to the International Civil Aviation Organization (ICAO) in fulfillment of a United States treaty obligation, and (5) corroboration of a carrier's Form 41 filings.

The Confidential Information Protection and Statistical Efficiency Act of 2002 (44 U.S.C. 3501 note), requires a statistical agency to clearly identify information it collects for non-statistical purposes. BTS hereby notifies the respondents and the public that BTS uses the information it collects under this OMB approval for non-statistical purposes including, but not limited to, publication of both Respondent's identity and its data, submission of the information to agencies outside BTS for review, analysis and possible use in regulatory and other administrative matters.
