2. The Board will record the information considered by it, including its consideration of the factors listed in condition V.B.1.(b) above, and the basis for its approval or disapproval of the continuation, or continuation after amendment, of the Plan in its meeting minutes, which must be made and preserved for a period of not less than six years from the date of such meeting, the first two years in an easily accessible place.

SECURITIES AND EXCHANGE COMMISSION

[Release No. 34-62358; File No. SR-NSX-2010-06]

Self-Regulatory Organizations; National Stock Exchange, Inc.; Notice of Filing and Immediate Effectiveness of Proposed Rule Change To Implement an Equity Rights Program

June 22, 2010.

Pursuant to Section 19(b)(1) of the Securities Exchange Act of 1934 (the "Act")¹ and Rule 19b-4 thereunder,² notice is hereby given that on June 15, 2010, National Stock Exchange, Inc. ("NSX" or "Exchange") filed with the Securities and Exchange Commission ("Commission") the proposed rule change, as described in Items I, II, and III below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comment on the proposed rule change from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

NSX is proposing to implement an equity rights program pursuant to which warrants may be purchased that would allow equity in the Exchange's parent holding company to be acquired based on, among other things, a participating ETP Holder's payment of an initial purchase price for the warrants and achievement of certain liquidity adding volume thresholds on the Exchange over a six month measuring period.

The text of the proposed rule change is available on the Exchange's Web site at <http://www.nsx.com>, at the principal

office of the Exchange, and at the Commission's Public Reference Room.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item IV below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant parts of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

With this rule change, the Exchange is proposing to implement an equity rights program pursuant to which warrants for common stock of the Exchange's parent holding company, NSX Holdings, Inc. ("Holdings"), will be issued to each ETP Holder who participates in the program in exchange for such ETP Holder participant's initial cash capital contribution of \$250,000, and with such warrants being exercisable upon the achievement by the participating ETP Holder of the following liquidity adding volume thresholds (measured as a percentage of total consolidated average daily volume) on the Exchange during a six month measurement period commencing June 15, 2010:

	Participating ETP holder's liquidity adding ADV as % of total consolidated ADV	Participating ETP holder's total exercisable warrants
Tier 1:	> 15 basis points	4,575
Tier 2:	> 25 and < 30 basis points	19,575
Tier 3:	> 30 and < 35 basis points	22,075
Tier 4:	> 35 and < 40 basis points	24,575
Tier 5:	> 40 basis points	24,575 plus participation in bonus pool.

For purposes of the program, the term "Liquidity Adding ADV" means, with respect to a participating ETP Holder, the number of shares such ETP Holder has executed as a liquidity provider on average per trading day (excluding partial trading days) across all tapes on NSX for the measuring period in which the executions occurred. The term "Total Consolidated ADV" means

average daily volume reported by all exchanges and trade reporting facilities to the consolidated transaction reporting plans for Tape A, B and C securities. For purposes of calculating an ETP Holder's Liquidity Adding ADV as a percentage of Total Consolidated ADV over the measuring period, the 10 days during the measuring period constituting that ETP Holder's lowest ratio of liquidity

adding volume to total consolidated volume will be excluded. In addition, the number of shares executed by ETP Holders under common ownership and control may be aggregated for purposes of calculating average daily volumes.

Total Bonus Pool shares shall equal the number of warrant holders achieving Tier 5 multiplied by 10,000. Each warrant holder eligible for participation in the Bonus Pool shall be
