

proposed rule change as described in Items I and II below, which Items have been prepared by the Exchange. The Commission is publishing this notice to solicit comments on the proposed rule change, as amended, from interested persons.

I. Self-Regulatory Organization's Statement of the Terms of Substance of the Proposed Rule Change

The Exchange proposes to amend its schedule of dues, fees and charges to require specialists and specialist units (collectively referred to as "specialist units") to pay for the construction cost of a kiosk if the specialist unit initiates the construction request for the kiosk.³ The text of the proposed rule change is available at the Phlx's Office of the Secretary and at the Commission.

II. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

In its filing with the Commission, the Exchange included statements concerning the purpose of and basis for the proposed rule change and discussed any comments it received on the proposed rule change. The text of these statements may be examined at the places specified in Item III below. The Exchange has prepared summaries, set forth in sections A, B, and C below, of the most significant aspects of such statements.

A. Self-Regulatory Organization's Statement of the Purpose of, and Statutory Basis for, the Proposed Rule Change

1. Purpose

The purpose of the proposed rule change is to require specialist units to pay for the cost of constructing a kiosk, if requested by them, due to the considerable costs associated with construction. These requests for construction may not be consistent with the Exchange's floor development plans, thereby requiring an unbudgeted expenditure of capital by the Exchange. However, consistent with current Exchange billing policies, if the Exchange chooses to construct a kiosk, it will charge the specialist unit the fee for a trading post with kiosk. Therefore, for future kiosk construction requests initiated by a specialist unit, the Exchange will pass through the construction cost to the specialist unit.⁴

³ A kiosk is an open, flat surface that contains computer terminals and allows the specialist units to face the trading crowd.

⁴ The decision to construct a kiosk at a particular post is solely within the Exchange's discretion, even if the specialist unit pays for the construction cost for the kiosk.

The Exchange intends to request one-half of the cost prior to construction, with the remainder charged after construction is completed.⁵ Because the specialist unit would pay for the construction cost of the kiosk, the Exchange's current monthly fee of \$375 for trading post with kiosk will not apply.⁶ However, the Exchange's current monthly fee of \$250 for a trading post will continue to apply.⁷

2. Statutory Basis

The Exchange believes that the proposed rule change is consistent with Section 6(b) of the Act,⁸ in general, and furthers the objectives of Section 6(b)(4) of the Act,⁹ in particular, by providing for the equitable allocation of reasonable dues, fees and other charges among the Exchange's members because the members who request and pay for the construction of the kiosk will incur the benefit of using the kiosk.

B. Self-Regulatory Organization's Statement on Burden on Competition

The Exchange does not believe that the proposed rule change will impose any inappropriate burden on competition.

C. Self-Regulatory Organization's Statement on Comments on the Proposed Rule Change Received From Members, Participants or Others

No written comments were solicited or received with respect to the proposed rule change.

III. Date of Effectiveness of the Proposed Rule Change and Timing for Commission Action

The foregoing rule change establishes or changes a due, fee, or charge imposed by the Exchange and, therefore, has become effective upon filing pursuant to Section 19(b)(3)(A)(ii) of the Act¹⁰ and Rule 19b-4(f)(2) thereunder.¹¹ At any time within 60 days of the filing of Amendment No. 1 to the proposed rule change, the Commission may summarily abrogate such rule change if it appears to the Commission that such action is necessary or appropriate in the public interest, for the protection of investors,

⁵ This fee is not eligible for the monthly credit of up to \$1,000 to be applied against certain fees, dues and charges and other amounts owed to the Exchange by certain members. See Securities Exchange Act Release No. 44292 (May 11, 2001), 66 FR 27715 (May 18, 2001) (SR-Phlx-2001-49).

⁶ See Securities Exchange Act Release No. 44744 (August 24, 2001), 66 FR 45884 (August 30, 2001) (SR-Phlx-2001-80).

⁷ Generally, post space is space on the Exchange's trading floor for specialist units.

or otherwise in furtherance of the purpose of the Act.

IV. Solicitation of Comments

Interested persons are invited to submit written data, views, and arguments concerning the foregoing, including whether the proposed rule change, as amended, is consistent with the Act. Persons making written submissions should file six copies thereof with the Secretary, Securities and Exchange Commission, 450 Fifth Street, NW, Washington, DC 20549-0609. Copies of the submission, all subsequent amendments, all written statements with respect to the proposed rule change that are filed with the Commission, and all written communications relating to the proposed rule change between the Commission and any person, other than those that may be withheld from the public in accordance with the provisions of 5 U.S.C. 552, will be available for inspection and copying at the Commission's Public Reference Room. Copies of such filing will also be available for inspection and copying at the principal office of the Exchange.
