SUPPLEMENTARY INFORMATION:

Background

The purpose of the Committee is to provide advice and recommendations on implementation of the planning rule. The current Committee officially transmitted their recommendations to improve the draft planning rule directives to the USDA Forest Service on November 21, 2013. This marked an important accomplishment and point of transition for the Committee. Having

finalized consensus recommendations on the draft directives, the Committee now turns its full attention to improving the efficiency and efficacy of implementing the planning rule. The current Committee's membership will expire in June 2014.

The Committee will be asked to perform the following duties or other requests made by the Secretary of Agriculture or the Chief of the Forest Service:

1. Offer ongoing advice related to the implementation directives of the planning rule;

- Collaborating around recommendations for and implementation of the rule, retaining national policy focus.

2. Offer assistance with outreach efforts;

- Engaging with US Forest Service, including with early adopter forests, and reaching out beyond the US Forest Service and across other Government agencies.

3. Offer overall guidance on planning practices important to implementation of the planning rule;

- Developing guidance on techniques, strategies and potential partners to facilitate outreach and greater understanding to broader public, including youth, local communities, urban constituencies etc.

Advisory Committee Organization

This Committee will be comprised of not more than 21 members who provide balanced and broad representation within each of the following three categories of interests:

1. Up to 7 members who represent one or more of the following:

- a. Represent the affected public at-large.
- b. Hold State-elected office (or designee).
- c. Hold county or local elected office.
- d. Represent American Indian Tribes.
- e. Represent Youth.

2. Up to 7 members who represent one or more of the following:

- a. National, regional, or local environmental organizations.
- b. Conservation organizations or watershed associations.
- c. Dispersed recreation interests.
- d. Archaeological or historical interests.
- e. Scientific Community.

3. Up to 7 members who represent one or more of the following:

- a. Timber industry.
- b. Grazing or other land use permit holders or other private forest landowners.
- c. Energy and mineral development.
- d. Commercial or recreational hunting and fishing interests.
