BILLING CODE 4910–06–P

DEPARTMENT OF TRANSPORTATION

Federal Aviation Administration

Notice of Intent To Rule on Request To Release Airport Property at the Reading Regional Airport, Reading, PA

AGENCY: Federal Aviation Administration (FAA) DOT.

ACTION: Notice of request to release airport property.

SUMMARY: The FAA proposes to rule and invite public comment on the release of land at the Reading Regional Airport, Reading, Pennsylvania under the provisions of Section 47125(a) of Title 49 United States Code (U.S.C.).

DATES: Comments must be received on or before June 3, 2010.

ADDRESSES: Comments on this application may be mailed or delivered to the following address:

Terry P. Sroka, Manager, Reading Regional Airport Authority, 2501 Bernville Road, Reading, PA 19605,

and at the FAA Harrisburg Airports District Office:

Lori K. Pagnanelli, Manager, Harrisburg Airports District Office, 3905 Hartzdale Dr., Suite 508, Camp Hill, PA 17011.

FOR FURTHER INFORMATION CONTACT: Rick Harner, Program Manager Harrisburg Airports District Office location listed above. The request to release property

may be reviewed in person at this same location.

SUPPLEMENTARY INFORMATION: The FAA invites public comment on the request to release property at the Reading Regional Airport under the provisions of Section 47125(a) of Title 49 U.S.C. On March 30, 2010, the FAA determined that the request to release property at the Reading Regional Airport submitted by the Reading Regional Airport Authority (Authority) met the procedural requirements.

The following is a brief overview of the request:

The Reading Regional Airport Authority requests the release of real property totaling 154.93 acres (Lot #1), excluding 2.54 acres (Lot #5 Reading Regional Airport Waste Water Treatment Plant), of non-aeronautical airport property to Berks County Industrial Development Authority. The property was transferred to the City of Reading through the Surplus Property Act of 1944 via the Quit Claim Deed. A portion of the property is currently leased to a private company, which will be transferred to the buyer. The property is located on the east side of the airport and is bordered by Aviation Road running east and turning north. The purpose of this release is to allow the Reading Regional Airport Authority to sell the subject land that does not serve any aeronautical purpose at the airport. There are no impacts to the Airport and the land is not needed for airport development as shown on the Airport Layout Plan. Any proceeds from the sale of property are to be used for the capital and operating costs of the airport.

Any person may inspect the request by appointment at the FAA office address listed above. Interested persons are invited to comment on the proposed release from obligations. All comments will be considered by the FAA to the extent practicable.

Issued in Camp Hill, Pennsylvania, April 26, 2010.

Lori K. Pagnanelli,

Manager, Harrisburg Airports District Office.

Federal Aviation Administration

Commercial Space Transportation Grant Program

AGENCY: Federal Aviation Administration (FAA), DOT.

ACTION: Notice of request for grant proposals for the Commercial Space Transportation Grant Program.

SUMMARY: The FAA's Office of Commercial Space Transportation (AST) requests grant proposals pursuant to its newly funded Commercial Space Transportation Grant Program. This program has an initial appropriation of \$500,000 to be used for space transportation infrastructure projects. The FAA desires to award the appropriated funds before the end of fiscal year 2010. The FAA will review and evaluate all applications for a grant under 49 U.S.C. chapter 703 (Chapter 703). The FAA may make one or more grant awards based upon its evaluations of the grant proposals. All grants awarded under this program are discretionary awards.

DATES: Commercial Space Transportation Grant applications are due on or before July 6, 2010.

ADDRESSES: You can get more information about the Commercial Space Transportation Grant Program by:

1. Accessing the Office of Commercial Space Transportation Web site at <http://www.faa.gov/go/ast>; and
2. Contacting Glenn Rizner or Michael McElligott, AST–100, for legal questions, Laura Montgomery, AGC–200, 800 Independence Avenue, SW., Washington, DC 20591;

SUPPLEMENTARY INFORMATION:

Background

One of the main purposes of the Commercial Space Transportation Grant Program is to ensure the resiliency of the space transportation infrastructure in the United States. To help further the

United States' goals, Congress established a Space Transportation Infrastructure Grant program under 49 U.S.C. Subtitle IX—Commercial Space Transportation—Chapter 703—Space Transportation Infrastructure Matching Grants, Section 70305, Authorization of

appropriations. Public Law (Pub. L.) 103–272, Sec. 1(e), 108 Stat. 1345 (July 5, 1994). This legislation authorizes the use of Federal monies in conjunction with matching state, local government, and private funds.

Although the Congressional authorization has been in effect for some
