

## I. Background

IMLS is the primary source of Federal support for the Nation's libraries and museums. We advance, support, and empower America's museums, libraries, and related organizations through grant making, research, and policy development. To learn more, visit [www.imls.gov](http://www.imls.gov).

## II. Current Actions

To administer the IMLS processes associated with grants and cooperative agreements, IMLS uses standardized application forms, guidelines, and reporting forms for eligible libraries, museums, and other organizations to apply for its funding and to report on performance of funded projects. The forms submitted for public review in this Notice are the Interim Performance Report and the Final Performance Report, with the instructions associated with each one. The collection of information using these forms is core to IMLS grant performance reporting requirements and monitoring processes.

This action is to renew the content, forms, and instructions for the next three years.
