

that the Office of Management and Budget (OMB) provide interested Federal agencies and the public an early opportunity to comment on information collection requests. OMB may amend or waive the requirement for public consultation to the extent that public participation in the approval process would defeat the purpose of the information collection, violate State or Federal law, or substantially interfere with any agency's ability to perform its statutory obligations. The Acting Director, Information Collection Clearance Division, Regulatory Information Management Services, Office of Management, publishes that notice containing proposed information collection requests prior to submission of these requests to OMB. Each proposed information collection, grouped by office, contains the following: (1) Type of review requested, *e.g.* new, revision, extension, existing or reinstatement; (2) Title; (3) Summary of the collection; (4) Description of the need for, and proposed use of, the information; (5) Respondents and frequency of collection; and (6) Reporting and/or Recordkeeping burden. OMB invites public comment.

The Department of Education is especially interested in public comment addressing the following issues: (1) Is this collection necessary to the proper functions of the Department; (2) will this information be processed and used in a timely manner; (3) is the estimate of burden accurate; (4) how might the Department enhance the quality, utility, and clarity of the information to be collected; and (5) how might the Department minimize the burden of this collection on the respondents, including through the use of information technology.

Title: Identifying Potentially Successful Approaches to Turning Around Chronically Low Performing Schools.

Frequency: Once.

Affected Public: Individuals or households.

Reporting and Recordkeeping Hour Burden:

Responses: 1,746.

Burden Hours: 743.

Abstract: This study seeks to identify schools that have achieved rapid improvements in student outcomes in a

short period of time; illuminate the complex range of policies, programs, and practices used by these turnaround schools; and compare them to strategies employed by not improving, chronically low-performing schools. The ultimate goal of the study is to specify replicable policies, programs, and practices that hold greatest promise for further rigorous analysis. To this end, the study will collect data from school principals as well as school staff through a web-based and telephone survey and on-site interviews in selected schools. The data will be used by the U.S. Department of Education to identify policies, programs, and practices associated with school turnaround that can be rigorously tested in a future impact evaluation study.

Requests for copies of the proposed information collection request may be accessed from <http://edicsweb.ed.gov>, by selecting the "Browse Pending Collections" link and by clicking on link number 4260. When you access the information collection, click on "Download Attachments" to view. Written requests for information should be addressed to U.S. Department of Education, 400 Maryland Avenue, SW., LBJ, Washington, DC 20202-4537. Requests may also be electronically mailed to ICDocketMgr@ed.gov or faxed to 202-401-0920. Please specify the complete title of the information collection when making your request.

Comments regarding burden and/or the collection activity requirements should be electronically mailed to ICDocketMgr@ed.gov. Individuals who use a telecommunications device for the deaf (TDD) may call the Federal Information Relay Service (FIRS) at 1-800-877-8339.

Full Text of Announcement

I. Funding Opportunity Description

Purpose of Program: The Migrant Education Even Start (MEES) Family Literacy program is intended to help break the cycle of poverty and illiteracy of migratory agricultural or fishing families by improving the educational opportunities of these families through the integration of early childhood education, adult literacy or adult basic education, and parenting education into a unified family literacy program. This program is implemented through cooperative activities that build on high-quality existing community resources to create a new range of educational services for the most-in-need migratory agricultural or fishing families, promote the academic achievement of migratory children and adults, assist migratory children in meeting challenging State content standards and challenging State achievement standards, and use instructional programs based on scientifically based reading research on preventing and overcoming reading difficulties for children and adults. The application package contains a description of the 15 program elements that MEES projects must implement, as required by Title I, Part B, section 1235 of the Elementary and Secondary Education Act of 1965, as amended (ESEA).

Priority: This notice includes one competitive preference priority. This priority is from the Education Department General Administrative Regulations (EDGAR) that apply to this program (34 CFR 75.225).

Competitive Preference Priority: For FY 2010 and any subsequent year in which we make awards from the list of unfunded applicants from this competition, this priority is a competitive preference priority. Under 34 CFR 75.105(c)(2)(i), we award an additional five points to an application that meets this priority.

This priority is:

Novice Applicant

The applicant must be a "novice applicant." Under 34 CFR 75.225 a novice applicant is an applicant that has never received a grant or subgrant under the MEES program; has never been a participant in a group application, submitted in accordance with §§ 75.127 through 75.129 of EDGAR, that received a grant under the MEES program; and has not had an active discretionary grant from the Federal Government in the five years before the deadline date for applications under the MEES program.

Program Authority: 20 U.S.C. 6381a(a)(1)(A).

Applicable Regulations: EDGAR in 34 CFR parts 74, 75, 77, 79, 80, 81, 82, 84, 85, 86, 97, 98, and 99.

Note: The regulations in 34 CFR part 79 apply to all applicants except federally recognized Indian tribes.

Note: The regulations in 34 CFR part 86 apply to institutions of higher education only.

II. Award Information

Type of Award: Discretionary grants.

Estimated Available Funds:
\$1,196,500.

Contingent upon the availability of funds and the quality of applications, we may make additional awards in FY 2011 from the list of unfunded applicants from this competition.

Estimated Range of Awards:
\$250,000–\$400,000 per year.

Estimated Average Size of Awards:
\$325,000 per year.

Estimated Number of Awards: 3.

Note: The Department is not bound by any estimates in this notice.

Project Period: Up to 48 months.

III. Eligibility Information

1. *Eligible Applicants:* Any State or local government entity, institution of higher education or non-profit organization is eligible to apply for a grant under the MEES Program. For example, the following types of entities are eligible to apply: State educational agencies (SEAs) that administer migrant education programs; local educational agencies (LEAs) that have a high percentage of migratory students; nonprofit community-based organizations that work with migratory agricultural or fishing families; and faith-based organizations that work with migratory agricultural or fishing families.

2. *Cost Sharing or Matching:* See section 1234(b) of the ESEA. MEES grants are funded for 48 months. The matching requirement for a new MEES program begins at 10 percent of the total cost of the project in the project's first year and increases incrementally as the project continues to receive Federal support, through 40 percent in its fourth budget cycle. Previously funded MEES projects may apply for a second 48-month cycle, where, in years 5 through 8, the project must provide a 50 percent cost share of the total cost of the project. Further, a current or former MEES project may apply for a third project cycle that would fund their ninth year and beyond. Those projects, beginning in year 9, must maintain a 65 percent cost share of the total cost of the project. See ESEA section 1234(b).

3. *Other:* Eligible MEES participants consist of migratory children and their parents who meet the definitions of a migratory child, a migratory agricultural worker, or a migratory fisher in 34 CFR 200.81, and who also meet the additional conditions specified in section 1236(a) of the ESEA.

2. *Content and Form of Application Submission:* Requirements concerning the content of an application, together with the forms you must submit, are in the application package for this competition.

Page Limit: The application narrative is where you, the applicant, address the selection criteria that reviewers use to evaluate your application. You must limit the application narrative to no more than 30 pages, using the following standards:

- A “page” is 8.5” x 11”, on one side only, with 1” margins at the top, bottom, and both sides.
- Double space (no more than three lines per vertical inch) all text in the application narrative (Part 4), including titles, headings, footnotes, quotations, references, and captions. However, you may single space all text in charts, tables, figures, and graphs. Charts, tables, figures, and graphs presented in the application narrative count toward the page limit.
- Use a font that is either 12 point or larger or no smaller than 10 pitch (characters per inch) throughout the entire application package.

Appendices must be limited to a total of 20 pages for all content and must include the following: Resumes, job descriptions of key personnel, and citations for the scientifically based reading research upon which your

instructional programs are based. Job descriptions must include duties and minimum qualifications. Items in the appendices will only be used by the program office for the purpose of approving any future personnel changes.

The 30-page limit for the project narrative does not apply to the cover sheet; the budget section, including the narrative budget justification; the assurances and certifications; or the one-page abstract. However, the page limit does apply to all of the application narrative section.

Our reviewers will not read any pages of your application that exceed the page limit.

(3) Additionally, please limit other application materials to the specific materials indicated in the application package and do not include any video or other non-print materials.

3. *Submission Dates and Times:*
Applications Available: March 30, 2010.

((section 1234(b)(3)) of the ESEA) We reference regulations outlining additional funding restrictions in the *Applicable Regulations* section of this notice.

6. *Other Submission Requirements:* Applications for grants under this competition must be submitted electronically unless you qualify for an exception to this requirement in accordance with the instructions in this section.

a. *Electronic Submission of Applications.*

Applications for grants under the MEES Family Literacy Program, CFDA number 84.214A, must be submitted electronically using *e-Application*, accessible through the Department's e-Grants Web site at: <http://e-grants.ed.gov>.

We will reject your application if you submit it in paper format unless, as described elsewhere in this section, you qualify for one of the exceptions to the electronic submission requirement *and* submit, no later than two weeks before the application deadline date, a written statement to the Department that you qualify for one of these exceptions. Further information regarding calculation of the date that is two weeks before the application deadline date is provided later in this section under *Exception to Electronic Submission Requirement*.

While completing your electronic application, you will be entering data online that will be saved into a database. You may not e-mail an electronic copy of a grant application to us.

Please note the following:

- You must complete the electronic submission of your grant application by 4:30 p.m., Washington, DC time, on the application deadline date. E-Application will not accept an application for this competition after 4:30 p.m., Washington, DC time, on the application deadline date. Therefore, we strongly recommend that you do not wait until the application deadline date to begin the application process.

- You must submit all documents electronically, including all information you typically provide on the following forms: the Application for Federal Assistance (SF 424), the Department of Education Supplemental Information for SF 424, Budget Information—Non-Construction Programs (ED 524), and all necessary assurances and certifications. You must attach any narrative sections of your application as files in a .DOC (document), .RTF (rich text), or .PDF (Portable Document) format. If you upload a file type other than the three file types specified in this paragraph or submit a password protected file, we will not review that material.

- Your electronic application must comply with any page limit requirements described in this notice.

- Prior to submitting your electronic application, you may wish to print a copy of it for your records.

- After you electronically submit your application, you will receive an automatic acknowledgment that will include a PR/Award number (an identifying number unique to your application).

- Within three working days after submitting your electronic application, fax a signed copy of the SF 424 to the Application Control Center after following these steps:

- (1) Print SF 424 from e-Application.
- (2) The applicant's Authorized Representative must sign this form.
- (3) Place the PR/Award number in the upper-right-hand corner of the hard-copy signature page of the SF 424.

- We may request that you provide us original signatures on other forms at a later date.

Application Deadline Date Extension in Case of e-Application Unavailability: If you are prevented from electronically submitting your application on the application deadline date because e-Application is unavailable, we will grant you an extension of one business day to enable you to transmit your application electronically, by mail, or by hand delivery. We will grant this extension if—

(1) You are a registered user of e-Application and you have initiated an electronic application for this competition; and

(2) (a) E-Application is unavailable for 60 minutes or more between the hours of 8:30 a.m. and 3:30 p.m., Washington, DC time, on the application deadline date; or

(b) E-Application is unavailable for any period of time between 3:30 p.m. and 4:30 p.m., Washington, DC time, on the application deadline date.

We must acknowledge and confirm these periods of unavailability before granting you an extension. Extensions referred to in this section apply only to the unavailability of e-Application.

Exception to Electronic Submission Requirement: You qualify for an exception to the electronic submission requirement, and may submit your application in paper format, if you are unable to submit an application through e-Application because—

- You do not have access to the Internet; or
- You do not have the capacity to upload large documents to e-Application; *and*
- No later than two weeks before the application deadline date (14 calendar days or, if the fourteenth calendar day before the application deadline date falls on a Federal holiday, the next business day following the Federal holiday), you mail or fax a written statement to the Department, explaining which of the two grounds for an exception prevents you from using the Internet to submit your application. If you mail your written statement to the Department, it must be postmarked no later than two weeks before the application deadline date. If you fax your written statement to the Department, we must receive the faxed statement no later than two weeks before the application deadline date.

j. *Deadline for filing comments, motions to intervene, and protests:* April 21, 2010.

All documents may be filed electronically via the Internet. See 18 CFR 385.2001(a)(1)(iii) and the instructions on the Commission's Web site (<http://www.ferc.gov/docs-filing/ferconline.asp>) under the "eFiling" link. For a simpler method of submitting text only comments, click on "Quick Comment." For assistance, please contact FERC Online Support at FERCOnlineSupport@ferc.gov; call toll-free at (866) 208-3676; or, for TTY, contact (202) 502-8659. Although the Commission strongly encourages electronic filing, documents may also be paper-filed. To paper-file, mail an original and eight copies to: Kimberly D. Bose, Secretary, Federal Energy Regulatory Commission, 888 First Street, NE., Washington, DC 20426.

The Commission's Rules of Practice and Procedure require all intervenors filing documents with the Commission to serve a copy of that document on each person whose name appears on the official service list for the project. Further, if an intervenor files comments or documents with the Commission relating to the merits of an issue that may affect the responsibilities of a particular resource agency, they must also serve a copy of the document on that resource agency.

k. *Description of Application:* The applicant seeks approval to amend Article 407 of its project license to revise the schedule for management of lake levels (rule curve). Under the licensed rule curve, the reservoir level is maintained at an elevation of 439 feet mean sea level (msl) between April 15 and August 31 of each year. Beginning on September 1, the reservoir level is then reduced until it reaches 437 feet msl by October 1. The level is maintained at 437 feet msl until January 1, and then is further reduced to 434.5 feet msl by February 1. At that time, the reservoir level starts increasing until it reaches 439 feet msl, and the annual cycle is repeated.

Now the licensee proposes to maintain the reservoir level at 439 feet msl from April 15 until November 1. Between November 1 and December 1 the reservoir level would gradually descend to 437 feet msl, then continue descending to 434.5 feet msl between December 1 and January 15, and be maintained at 434.5 feet msl until January 31. Between February 1 and April 15, the reservoir level would gradually increase from 434.5 feet msl to 439 feet msl. In addition, the reservoir levels may be occasionally modified to the extent necessary to comply with the minimum downstream releases required by Article 408. In summary, the licensee proposes to maintain the upper reservoir level of 439 feet msl for two additional months through November 1, and to attain the low reservoir level of 434.5 feet msl by January 15 instead of February 1. The licensee states that these proposed changes to the operating rule curve would allow greater recreational access to the lake during the fall and, in the winter, allow additional time to complete maintenance work which requires lower water levels.

l. A copy of the application is available for review at the Commission in the Public Reference Room or may be viewed on the Commission's Web site at <http://www.ferc.gov> using the "eLibrary" link. Enter the docket number excluding the last three digits in the docket number field to access the document.

You may also register online at <http://www.ferc.gov/docs-filing/esubscription.asp> to be notified via e-mail of new filings and issuances related to this or other pending projects. For assistance, contact FERC Online Support.

m. Individuals desiring to be included on the Commission's mailing list should so indicate by writing to the Secretary of the Commission.

n. *Comments, Protests, or Motions to Intervene:* Anyone may submit comments, a protest, or a motion to intervene in accordance with the requirements of Rules of Practice and Procedure, 18 CFR 385.210, .211, .214. In determining the appropriate action to take, the Commission will consider all protests or other comments filed, but only those who file a motion to intervene in accordance with the Commission's Rules may become a party to the proceeding. Any comments, protests, or motions to intervene must be received on or before the specified comment date for the particular application.

Any filings must bear in all capital letters the title "COMMENTS," "PROTEST," or "MOTION TO INTERVENE," as applicable, and the Project Number of the particular application to which the filing refers. A copy of any motion to intervene must also be served upon each representative of the Applicant specified in the particular application.

o. *Agency Comments:* Federal, State, and local agencies are invited to file comments on the described application. A copy of the application may be obtained by agencies directly from the applicant. If an agency does not file comments within the time specified for filing comments, it will be presumed to have no comments. One copy of an agency's comments must also be sent to the Applicant's representatives.

Kimberly D. Bose,
Secretary.
