

is hereby given that on April 15, 2021, the eXtensible Business Reporting Language (XBRL) taxonomies, validation rules, and rendering files needed to file FERC Form Nos. 1, 1-F, 3-Q (electric), 2, 2-A, 3-Q (natural gas), 6, 6-Q (oil), 60, and 714 (collectively, Commission Forms),¹ will be updated to Release 1.5.² The updated taxonomies will be available in the Yeti viewer at <https://xbrlview.ferc.gov/>.³ The updated validation rules and rendering files will be available at <https://www.ferc.gov/ferc-online/ferc-online/filing-forms/eforms-refresh>. The eForms system will incorporate the updated (Release 1.5) taxonomies, validation rules, and rendering files and use them to process filers' test-only submissions in May 2021. In addition, as noted below, the deadlines for submitting the third quarter 2021 filings of FERC Form Nos. 3-Q (electric), 3-Q (natural gas), and 6-Q (oil) are extended until December 31, 2021.

The updated (Release 1.5) taxonomies, validation rules, and rendering files will become effective beginning with the third quarter 2021 filings of FERC Form Nos. 3-Q (electric), 3-Q (natural gas), and 6-Q (oil). The current Visual FoxPro-based system for filing Commission Forms will no longer be available for submissions after September 30, 2021. Therefore, all subsequent filings and any future refilings, *i.e.*, all post-September 30, 2021 filings and refilings, of the FERC Form Nos. 3-Q (electric), 3-Q (natural gas), and 6-Q (oil) and the other Commission Forms (*i.e.*, FERC Form Nos. 1, 1-F, 2, 2-A, 6, 60, and 714) must be made using the applicable taxonomies, validation rules, and rendering files for the relevant form, as indicated on the eForms portal.

To provide the additional time necessary to complete the transition to an XBRL-based system, the deadlines for the third quarter filings of the FERC

Form Nos. 3-Q (electric), 3-Q (natural gas), and 6-Q (oil) are hereby extended.

Accordingly, the deadline for filing the FERC Form No. 3-Q (electric) for Major Electric Utilities, Licensees, and Others for the third quarter of 2021 is extended from November 29, 2021 until December 31, 2021. The deadline for filing the FERC Form No. 3-Q (electric) for Non-major Public Utilities and Licensees for the third quarter of 2021 is extended from December 9, 2021 until December 31, 2021.

In addition, the deadline for filing the FERC Form No. 3-Q (natural gas) for Major Natural Gas Companies for the third quarter of 2021 is extended from November 29, 2021 until December 31, 2021. The deadline for filing the FERC Form No. 3-Q (natural gas) for Non-major Gas Companies for the third quarter of 2021 is extended from December 9, 2021 until December 31, 2021.

Finally, the deadline for filing the FERC Form No. 6-Q (oil) for Oil Pipeline Companies for the third quarter of 2021 is extended from December 9, 2021 until December 31, 2021.

Dated: March 23, 2021.

Nathaniel J. Davis, Sr.,

Deputy Secretary.

BILLING CODE 6717-01-P

DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

[Project No. 6731-000]

Coneross Power Corporation; Notice of Authorization for Continued Project Operation

On February 28, 2019 Coneross Power Corporation, licensee for the Coneross Hydroelectric Project, filed an Application for a New License pursuant to the Federal Power Act (FPA) and the Commission's regulations thereunder. The Coneross Hydroelectric Project is on the Coneross Creek, in Oconee County, South Carolina

The license for Project No.6731 was issued for a period ending February 28, 2021. Section 15(a)(1) of the FPA, 16 U.S.C. 808(a)(1), requires the Commission, at the expiration of a license term, to issue from year-to-year an annual license to the then licensee under the terms and conditions of the prior license until a new license is issued, or the project is otherwise disposed of as provided in section 15 or any other applicable section of the FPA. If the project's prior license waived the

applicability of section 15 of the FPA, then, based on section 9(b) of the Administrative Procedure Act, 5 U.S.C. 558(c), and as set forth at 18 CFR 16.21(a), if the licensee of such project has filed an application for a subsequent license, the licensee may continue to operate the project in accordance with the terms and conditions of the license after the minor or minor part license expires, until the Commission acts on its application. If the licensee of such a project has not filed an application for a subsequent license, then it may be required, pursuant to 18 CFR 16.21(b), to continue project operations until the Commission issues someone else a license for the project or otherwise orders disposition of the project.

If the project is subject to section 15 of the FPA, notice is hereby given that an annual license for Project No.6731 is issued to the Coneross Power Corporation for a period effective March 1, 2021 through February 28, 2022, or until the issuance of a new license for the project or other disposition under the FPA, whichever comes first. If issuance of a new license (or other disposition) does not take place on or before February 2022, notice is hereby given that, pursuant to 18 CFR 16.18(c), an annual license under section 15(a)(1) of the FPA is renewed automatically without further order or notice by the Commission, unless the Commission orders otherwise.

If the project is not subject to section 15 of the FPA, notice is hereby given that the Coneross Power Corporation, is authorized to continue operation of the Coneross Hydroelectric Project, until such time as the Commission acts on its application for a subsequent license.

Dated: March 24, 2021.

Kimberly D. Bose,

Secretary.

BILLING CODE 6717–01–P

DEPARTMENT OF ENERGY

Federal Energy Regulatory Commission

[Docket No. ER21–1498–000]

Hawtree Creek Farm Solar, LLC; Supplemental Notice That Initial Market-Based Rate Filing Includes Request for Blanket Section 204 Authorization

This is a supplemental notice in the above-referenced proceeding of Hawtree Creek Farm Solar, LLC's application for market-based rate authority, with an accompanying rate tariff, noting that such application includes a request for blanket authorization, under 18 CFR part 34, of future issuances of securities and assumptions of liability.

Any person desiring to intervene or to protest should file with the Federal Energy Regulatory Commission, 888 First Street NE, Washington, DC 20426, in accordance with Rules 211 and 214 of the Commission's Rules of Practice and Procedure (18 CFR 385.211 and 385.214). Anyone filing a motion to intervene or protest must serve a copy of that document on the Applicant.
