II. Nominations

The Office of Minority Health (OMH) is requesting nominations for voting members to serve on the Advisory Committee. The Committee is to consist of 12 voting members appointed by the Secretary from among racial and ethnic minorities, defined as Black or African American, Hispanic/Latino, American Indian/Alaska Native, Asian American, and Native Hawaiian or Pacific Islander, who have expertise regarding issues of minority health. The racial and ethnic minority groups will be equally represented among the voting members. The membership will also be diverse in terms of gender, HIV status, disability, age, culture, sexual orientation, geography, and points of view. Employees or officers of the Federal Government may not serve as voting

members, except that the Secretary may appoint employees of the DHHS to serve as ex-officio, non-voting members.

OMH is seeking nominations of persons from a wide-array of fields including but not limited to: public health and medicine, health administration and financing, behavioral and social sciences, immigration and rural health, health law and economics, cultural and linguistic competency, and biomedical ethics and human rights. Demonstrated expertise in minority health, in subject areas such as access to care, data collection and analysis, health professions development, cultural competency, and eliminating disparities in cancer, cardiovascular diseases, infant mortality, HIV infection/AIDS, child and adult immunization, diabetes, substance abuse, homicide, suicide, unintentional injuries, and other diseases and health conditions is also required.

Nominations must state that the nominee is willing to serve as a member of the Advisory Committee and appears to have no conflict of interest that would preclude membership. Candidates will be asked to provide detailed information concerning such matters as financial holdings, consultancies, and research grants or contracts to permit evaluation of possible sources of conflict of interest.

Members are appointed for a term of four years except that the Secretary shall initially appoint a portion of members to one, two, and three year terms. The Chair, selected by the Secretary from among the voting members of the Committee, will serve a term of two years. Committee members will be compensated for the time spent in Committee meetings (including travel time) as well as per diem costs.
