If a submission represents the views of multiple persons, only one needs to be listed in the file name. If the same person or persons has submitted multiple documents, each should be sequentially numbered, with the number following the name of the submitter in the file name. (E.g., the sixth public submission by Smith and Jones would be labeled "P-Smith-6".)

- Interested persons who make submissions by electronic mail should not provide separate cover letters. Any information that might appear in a cover letter should be included in the submission itself, or in the electronic mail message used to transmit the submission. To the extent possible, any attachments to the submission should be aggregated into a single file with the submission itself, and not transmitted separately.

These modifications are applicable to all documents related to action under section 203 of the Trade Act with regard to imports of certain steel that are submitted to the TPSC after publication of this notice in the **Federal Register**.
