RIN 0648-AY44

Fisheries of the Northeastern United States; Atlantic Mackerel, Squid, and Butterfish Fisheries; Control Date for *Loligo* and *Illex* Squid

AGENCY: National Marine Fisheries Service (NMFS), National Oceanic and Atmospheric Administration (NOAA), Commerce.

ACTION: Advance notice of proposed rulemaking (ANPR); notice to reaffirm the control date for the *Loligo* squid (*Loligo*) and *Illex* squid (*Illex*) fisheries.

SUMMARY: NMFS announces a future proposed rulemaking for the Atlantic mackerel, squid, and butterfish (MSB) fisheries. This rulemaking could institute catch share programs in the *Loligo* and *Illex* fisheries to manage future access in these fisheries in order to control capacity. NMFS also reaffirms the most recent control date of May 20,

2003, for the *Loligo* and *Illex* fisheries, which may be used for establishing eligibility criteria for determining levels of future access to the squid fisheries. This announcement alerts interested parties of potential eligibility criteria for future access so as to discourage speculative entry into the squid fisheries while the Mid-Atlantic Fishery Management Council (Council) considers if and how access to the squid fisheries should be controlled with catch share programs.

DATES: Public comments on the ANPR must be received no later than 5 p.m., eastern standard time, on February 8, 2010.

ADDRESSES: You may submit comments, identified by RIN 0648-AY44, by any one of the following methods:

- Electronic Submissions: Submit all electronic public comments via the Federal e-Rulemaking portal <http://www.regulations.gov>;
 - Fax to Daniel T. Furlong, 302-674-5399; or
 - Mail or hand deliver to Daniel T. Furlong, Executive Director, Mid-Atlantic Fishery Management Council, Room 2115 Federal Building, 300 South New Street, Dover, DE 19904-6790.
- Mark the outside of the envelope "Comments on Squid Catch Share Programs."

Instructions: No comments will be posted for public viewing until after the comment period has closed. All comments received are a part of the public record and will generally be posted to <http://www.regulations.gov> without change. All Personal Identifying Information (e.g., name, address, etc.) voluntarily submitted by the commenter may be publicly accessible. Do not submit Confidential Business Information or otherwise sensitive or protected information.
