Respondents/Affected Public: State, local, and Tribal governments **Total Estimated Number of Annual Responses:** 56

Total Estimated Number of Annual Burden Hours: 2,240

Abstract: The Individuals with Disabilities Education Act (IDEA; Pub. L. 108–446) directs the Secretary of Education to obtain data on the dispute resolution process described in section 615 of the law. Specific legislative authority in section 618 of IDEA requires that:

“(a) In General—Each State that receives assistance under this part, and the Secretary of the Interior, shall provide data each year to the Secretary of Education and the public on the following:

(1)(F) The number of due process complaints filed under section 615 and the number of hearings conducted.

(H) The number of mediations held, and the number of settlement agreements reached through such mediations”.

In addition to the specific data requirements described in Section 618, Section 616(a)(3)(B) of IDEA identifies the dispute resolution process as a monitoring priority. The law states specifically that:

“(3) Monitoring Priorities—The Secretary shall monitor the States, and shall require each State to monitor the local educational agencies located in the

State (except the State exercise of general supervisory responsibility), using quantifiable indicators in each of the following priority areas, and using such qualitative indicators as are needed to adequately measure performance in the following priority areas:

(B) State exercise of general supervisory authority, including child find, effective monitoring, the use of resolution sessions, mediation, voluntary binding arbitration, and a system of transition services as defined in sections 602(34) and 637(a)(9)".

The data collection form provides instructions and information for States when submitting their dispute resolution data. The form collects data on the number of written, signed complaints; mediation requests; and hearing requests and the status of these actions initiated during the reporting year with regards to children served under Part C of IDEA. The purposes of these data are to: (1) assess the progress, impact, and effectiveness of State and local efforts to implement the legislation and (2) provide Congress, the public, and Federal, State, and local educational agencies with relevant information. These data are used for monitoring activities, planning purposes, congressional reporting requirements, and dissemination to individuals and groups.

ELECTION ASSISTANCE COMMISSION

Help America Vote College Program Application Kit; Request for Comment

AGENCY: Election Assistance Commission.

ACTION: Notice; request for public comment.

SUMMARY: As part of its continuing effort to reduce paperwork burdens, and as required by the Paperwork Reduction Act of 1995 (PRA), the U.S. Election Assistance Commission (EAC) gives notice that it is requesting from the Office of Management and Budget

(OMB) approval for the information collection EAC Help America Vote College Program (HAVCP) Application Kit.

DATES: Comments must be received by 5 p.m. Eastern on Monday, September 18, 2023.

ADDRESSES: To view the proposed EAC HAVCP Application Kit format and instruments, see: <https://www.eac.gov/payments-and-grants/hava-grant-programs>. For information on the Application Kit, contact Tina Bateman, Office of Grants Management, Election Assistance Commission, Grants@eac.gov. All requests and submissions should be identified by the title of the information collection.

Written comments and recommendations for the proposed information collection should be sent to www.reginfo.gov/public/do/PRAMain. Find this particular information collection by selecting "Currently under 60-day Review—Open for Public Comments" or by using the search function.

SUPPLEMENTARY INFORMATION:

Purpose

The purpose of this notice is to allow 60 days for public comment from all interested individuals and organizations. In compliance with Section 3507(a)(1)(D) of the Paperwork Reduction Act (PRA) of 1995, EAC will submit to the Office of Management and Budget (OMB) a request for review and approval of the information collection listed below after the 60 days have passed. The EAC Office of Grants Management (EAC/OGM) is responsible for distributing, monitoring and providing technical assistance to states and grantees on the use of federal funds. EAC/OGM also reports on how the funds are spent to Congress, negotiates indirect cost rates with grantees, and resolves audit findings on the use of Help America Vote Act of 2002 (HAVA) funds. The U.S. Election Assistance Commission (EAC) anticipates the availability of \$1 million dollars in discretionary grant funding to support the Help America Vote College Program (HAVCP). The HAVCP grant competition includes funding for two separate grant programs: The HAVCP Poll Worker grant and the HAVCP Service Day mini-grant. Applicant organizations may apply for either or both grants but may not submit more than one application for each. The

purpose of the HAVCP Poll Worker grant is to encourage college students to assist state and local governments in the administration of elections by serving as nonpartisan poll workers or assistants, and to encourage jurisdictions to utilize these efforts. The purpose of the HAVCP Service Day mini-grant is to elevate civic participation on college campuses through a day of service and inspire college students to volunteer their time and talents to ensure safe, secure, accessible, and transparent elections.

The EAC Help America Vote College Program Application Kit Progress has been developed for discretionary grants issued under HAVA authority. This application package provides the instruments necessary to collect competitive applications with program-specific information necessary for the College Program. Supporting guidance and instructions are included as applicant resources and to reduce the administrative burden of applying for federal funds.
