Forest Service

Title: Grey Towers Visitor Comment Card.

OMB Control Number: 0596–NEW.
Summary of Collection: Executive Order 12862, “Setting Customer Service Standards,” seeks to “* * * ensure that the Federal government provides the highest quality service possible to the American people.” Located in Milford, PA, Grey Towers was originally the summer estate of the James Pinchot family and later the primary home of Gifford Pinchot, America's first forester and founder of the USDA Forest Service (FS). In 1963, Gifford Bryce Pinchot, son of Gifford and Cornelia, donated Grey Towers and 102 acres to the FS which now administers the site. The FS works with numerous partners to carry on the Pinchot legacy by delivering public programs, interpretive tours, and conservation education programs.

Grey Towers will also post comment cards on its Web site to allow visitors the option to electronically complete and submit. Participant input is vital to achieving Grey Towers' goal to provide quality-based programs and events. Cards will be collected by Grey Towers Programs and Administrative Staff and feedback will be used to evaluate programs, and in reports to staff and stakeholders. The evaluation will further improve upon or otherwise change programs and events, measure site usage, and generate data on participant's feedback on various programs and events. If the information is not collected, programs and events would continue to have negative aspects of which the staff would be unaware, such as insufficient or unbeneficial delivery or content.
