DEPARTMENT OF AGRICULTURE

Office of the Secretary

7 CFR Part 2

RIN 0503-AA51

Delegations of Authority

AGENCY: Office of the Secretary, USDA.

ACTION: Final rule.

SUMMARY: This document revises the delegations of authority from the Secretary of Agriculture and general officers of the Department of Agriculture (USDA) to reflect changes in the coordination of Departmental remote sensing activities. These responsibilities are consolidated within the Office of the Chief Information Officer (OCIO) to create a single focal point for coordinating all Departmental geospatial activities.

DATES: Effective March 14, 2012.

FOR FURTHER INFORMATION CONTACT: Stephen Lowe, (202) 720-0880.

SUPPLEMENTARY INFORMATION:

Office of the Chief Economist—Remote Sensing Activities

The Chief Economist, by delegation from the Secretary of Agriculture (Secretary), is responsible for coordinating USDA remote sensing activities (7 CFR 2.29(a)(6)). Within the Office of the Chief Economist (OCE), these responsibilities are further delegated to the Chairman of the World Agricultural Outlook Board (WAOB) (7 CFR 2.72(a)(4)). WAOB coordinates USDA remote sensing activities by chairing the Remote Sensing Coordination Committee (RSCC). RSCC convenes remote sensing experts from multiple USDA agencies to promote information sharing and to help ensure the most efficient and cost effective use of remote sensing data and technologies within USDA.

Office of the Chief Information Officer—Geospatial Activities

The Assistant Secretary for Administration, by delegation from the Secretary, is responsible for coordinating USDA geospatial activities (7 CFR 2.24(a)(2)(xi)(G)). Within the Departmental Management organization, this responsibility is further delegated to the Chief Information Officer (7 CFR 2.89(a)(11)(vii)). The Office of the Chief Information Officer (OCIO) coordinates Departmental geospatial activities by chairing the Enterprise Geospatial Management Office (EGMO) Agency Advisory Council. A part of the responsibility of OCIO is to fulfill the leadership requirements of the Senior Agency Official for Geospatial Information (SAOGI) and ensure the effective implementation in the Department of OMB Circular No. A-16, "Coordination of Geographic Information and Related Spatial Data Activities." This Circular defines geospatial data as: information that identifies the geographic location and characteristics of natural or constructed features and boundaries on the Earth. This information may be derived from, among other things, remote sensing, mapping, and surveying technologies.

Consolidating Coordination Activities

Departmental remote sensing and geospatial activities are currently managed by two separate USDA Offices, OCE and OCIO. Because remote sensing data are a subset of geospatial information, the authorities related to remote sensing that are delegated to the Chairman of the WAOB, through the Chief Economist, are being transferred to the Chief Information Officer, through the Assistant Secretary for Administration. This transfer of authority benefits USDA by providing a single focal point for coordinating all Departmental geospatial activities, remote sensing or other, and enabling spatial data and service lifecycle performance management to increase the value of USDA assets for stakeholders.

This transfer of authority does not alter existing delegations of authority to the Administrator of the Foreign Agricultural Service relating to the support of remote sensing activities and research with satellite imagery (7 CFR 2.43(a)(45)), or to the Under Secretary for Research, Education, and Economics

and the Administrator of the Agricultural Research Service, relating to the conduct of remote-sensing and other weather-related research (7 CFR 2.21(a)(1)(ix)); 7 CFR 2.65(a)(33)).

Classification

This rule relates to internal agency management. Accordingly, pursuant to 5 U.S.C. 553, notice of proposed rulemaking and opportunity for comment are not required, and this rule may be made effective less than 30 days after publication in the **Federal Register**. This rule also is exempt from the provisions of Executive Order 12866. This action is not a rule as defined by the Regulatory Flexibility Act, as amended by the Small Business Regulatory Enforcement Fairness Act of 1996 (5 U.S.C. 601 *et seq.*), or the Congressional Review Act (5 U.S.C. 801 *et seq.*), and thus is exempt from the provisions of those Acts. This rule contains no information collection or recordkeeping requirements under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 *et seq.*).

BILLING CODE 3410-90-P

DEPARTMENT OF AGRICULTURE

Office of the Secretary

7 CFR Part 2

Delegations of Authority

AGENCY: Office of the Secretary, USDA.

ACTION: Final rule.

SUMMARY: This document amends the delegations of authority within the Department of Agriculture (USDA) to reflect the delegation of authorities related to civil rights from the Secretary of Agriculture directly to the Assistant Secretary for Civil Rights (ASCR). Previously, these authorities were delegated to the Assistant Secretary for Administration and re-delegated to the ASCR.

DATES: This rule is effective March 14, 2012.

FOR FURTHER INFORMATION CONTACT: USDA's, Assistant General Counsel Civil Rights, Tami Trost at 202-690-3993 or email tami.trost@ogc.usda.gov.

SUPPLEMENTARY INFORMATION: Previously, USDA's Office of the Assistant Secretary for Civil Rights, overseen by the Assistant Secretary for Civil Rights (ASCR), was aligned within USDA's Departmental Management organization, overseen by the Assistant Secretary for Administration (ASA). To strengthen the visibility of USDA's Civil Rights program, this reporting structure was realigned so that the ASCR now reports directly to the Secretary of Agriculture (Secretary).

This rule amends the delegations of authority within USDA to reflect that realignment. The authorities of the Secretary related to civil rights that previously were delegated to the ASA and re-delegated to the ASCR are now delegated directly to the ASCR.

Specifically, this rule amends the delegations of authority from the Secretary to the ASA in 7 CFR 2.24 by removing the delegations related to civil rights. The rule also removes the re-delegation of those authorities from the ASA to the ASCR in 7 CFR 2.88. These authorities are now delegated from the Secretary directly to the ASCR, as reflected in a new 7 CFR 2.25. The rule also makes changes to the text of some of the delegations to clarify scope and adds a new delegation regarding establishment of an Alternative Dispute Resolution process for program complaints. Additionally, the delegation of authority in 7 CFR 2.300 from the ASCR to the Deputy ASCR is amended by making a technical change to correct the cross-reference. Finally, the delegations of authority in 7 CFR 2.24 (ASA), 2.89 (Chief Information Officer), 2.90 (Chief Financial Officer), 2.91 (Director, Office of Human Resources Management), and 2.98 (Director, Management Services) are revised to clarify that certain services performed by the Office of the Chief Information Officer, Office of the Chief Financial

Officer, Office of Human Resources Management, and Management Services will continue to be performed by those entities for the Office of the Assistant Secretary for Civil Rights.

Classification

This rule relates to internal agency management. Accordingly, pursuant to 5 U.S.C. 553, notice of proposed rulemaking and opportunity for comment are not required, and this rule may be made effective less than 30 days after publication in the **Federal Register**. This rule also is exempt from the provisions of Executive Order 12866. This action is not a rule as defined by the Regulatory Flexibility Act, as amended by the Small Business Regulatory Enforcement Fairness Act of 1996, 5 U.S.C. 601 et seq., or the Congressional Review Act, 5 U.S.C. 801 et seq., and thus is exempt from the provisions of those Acts. This rule contains no information collection or recordkeeping requirements under the Paperwork Reduction Act of 1995 (44 U.S.C. 3501 et seq.).
