National Institute of Standards and Technology

[Docket Number: 090318324-91088-03]

Technology Innovation Program Extension of Due Date for Proposals

AGENCY: National Institute of Standards and Technology (NIST), United States Department of Commerce.

ACTION: Notice.

SUMMARY: Due to technical difficulties, NIST is extending the deadline for proposal submission for its Technology Innovation Program competition to 3 p.m. Eastern Time, Tuesday, July 7, 2009. NIST will accept only paper submissions during the extended time period.

DATES: Paper submissions must be received no later than 3 p.m. Eastern

Time, Tuesday, July 7, 2009. Review, selection, and grant award processing is expected to be completed by the end of November 2009.

ADDRESSES: Paper submissions must be sent to the National Institute of Standards and Technology, 100 Bureau Drive, Stop 4750, Gaithersburg, MD 20899-4701.

FOR FURTHER INFORMATION CONTACT:

Thomas Wiggins via e-mail at thomas.wiggins@nist.gov or telephone (301) 975-5416.

SUPPLEMENTARY INFORMATION:

On March 31, 2009, the National Institute of Standards and Technology's (NIST) Technology Innovation Program (TIP) announced that it was soliciting high-risk, high reward research and development proposals for financial assistance (74 FR 14523). The due date for submission of all proposals was 3 p.m. Eastern Time, Tuesday, June 23, 2009. Due to technical difficulties some proposers were unable to submit their proposals electronically on Tuesday, June 23, 2009. In order to provide all interested parties the opportunity to submit a proposal for TIP, NIST is extending the solicitation period until 3 p.m. Eastern Time, Tuesday, July 7, 2009. Electronic proposals received between 3 p.m. and 11:59 p.m. Eastern Time on June 23, 2009 will be deemed timely and given full consideration. Paper proposals received between 3 p.m. Eastern Time on Tuesday, June 23, 2009 and July 2, 2009 will be deemed timely and given full consideration. During the extended solicitation period, NIST will accept only paper submissions. Proposers who attempted to submit electronic proposals but were unsuccessful are encouraged to resubmit their proposals by paper. Paper submissions must be received by 3 p.m. Eastern Time, July 7, 2009. Please note that for paper submissions the Program requires one original and fifteen (15) copies of the proposal.

The proposal submission deadline applies to any mode of paper proposal delivery, including hand-delivery, courier, and express mailing, but not facsimile. Proposals submitted via facsimile will not be accepted. NIST will not make any allowances for late submissions. All TIP competition requirements and information announced in the March 31, 2009, **Federal Register** notice and in the Tuesday, May 19, 2009 **Federal Register** notice amendment (74 FR 23396) apply to proposals submitted during the extended time period with the exception of the review, selection, and award processing time that is now expected to be completed by late

November 2009. Executive Order 12372 (Intergovernmental Review of Federal Programs). Proposals under this program are not subject to Executive Order 12372.

Executive Order 13132 (Federalism). This notice does not contain policies with Federalism implications as defined in Executive Order 13132.

Executive Order 12866 (Regulatory Planning and Review). This notice is not a significant regulatory action under Sections 3(f)(3) and 3(f)(4) of Executive Order 12866, as it does not materially alter the budgetary impact of a grant program and does not raise novel policy issues. This notice is not an "economically significant" regulatory action under Section 3(f)(1) of the Executive Order, as it does not have an effect on the economy of \$100 million or more in any one year, and it does not have a material adverse effect on the economy, a sector of the economy, productivity, competition, jobs, the environment, public health or safety, or State, local, or tribal governments or communities.

Administrative Procedure Act and Regulatory Flexibility Act. Prior notice and comment are not required under 5 U.S.C. 553, or any other law, for rules relating to public property, loans, grants, benefits or contracts (5 U.S.C. 553(a)). Because prior notice and an opportunity for public comment are not required pursuant to 5 U.S.C. 553 or any other law, the analytical requirements of the Regulatory Flexibility Act (5 U.S.C. 601 *et seq.*) are inapplicable. Therefore, a regulatory flexibility analysis is not required and has not been prepared.

Dated: June 29, 2009.

Patrick Gallagher,
Deputy Director.

COMMISSION OF FINE ARTS

Notice of Meeting

The next meeting of the U.S. Commission of Fine Arts is scheduled for 16 July 2009, at 10 a.m. in the Commission offices at the National Building Museum, Suite 312, Judiciary Square, 401 F Street, NW., Washington, DC 20001-2728. Items of discussion may include buildings, parks and memorials.

Draft agendas and additional information regarding the Commission are available on our Web site: <http://www.cfa.gov>. Inquiries regarding the agenda and requests to submit written or oral statements should be addressed

to Thomas Luebke, Secretary, U.S. Commission of Fine Arts, at the above address or call 202-504-2200. Individuals requiring sign language interpretation for the hearing impaired should contact the Secretary at least 10 days before the meeting date.

Dated 26 June 2009 in Washington, DC.

Thomas Luebke,
Secretary.

BILLING CODE 6330-01-M

DEPARTMENT OF DEFENSE

Office of the Secretary

Intent To Prepare an Environmental Impact Statement for Campus Development Project Within the Fort Meade Complex, MD

AGENCY: Department of Defense.

ACTION: Notice of intent; notice of public meeting; request for comments.

SUMMARY: The Department of Defense (DOD) announces its intent to prepare an Environmental Impact Statement (EIS) as part of the environmental planning process for a Campus Development Project at Fort George G. Meade, Maryland (hereafter referred to as Fort Meade). The DOD proposes the development of a portion of Fort Meade (referred to as "Site M") as an operational complex and to construct and operate consolidated facilities to meet the National Security Agency's (NSA) continually evolving requirements and for Intelligence Community use. The purpose of the Proposed Action is to provide facilities that are fully-supportive of the Intelligence Community's mission. The need for the action is to consolidate multiple agencies' efforts to ensure capabilities for current and future mission accomplishments as directed by Congress and the President.

Publication of this notice begins a scoping process that identifies and determines the scope of environmental issues to be addressed in the EIS. This notice requests public participation in the scoping process and provides information on how to participate.

DATES: There will be an open house at 4 p.m. followed by a scoping meeting from 5 p.m. to 7 p.m. on Tuesday, July 21, 2009, at Fort Meade Middle School, 1103 26th Street, Fort Meade, Maryland 20755. Comments or questions regarding this EIS should be submitted by 45 days from the date of publication in the **Federal Register** to ensure sufficient time to consider public input in the preparation of the Draft EIS.

ADDRESSES: The open house and scoping meeting will be held at the Fort Meade Middle School, 1103 26th Street, Fort Meade, Maryland 20755. Oral and written comments will be accepted at the scoping meeting. You can also submit written comments to "Campus Development EIS" c/o E2M, 2751 Prosperity Avenue, Suite 200, Fairfax, VA 22031 or submitted by e-mail to CampusEIS@e2m.net.

FOR FURTHER INFORMATION CONTACT: Mr. Jeffrey Williams at (301) 688-2970, or e-mail jdwil2@nsa.gov.

SUPPLEMENTARY INFORMATION:

Background: The NSA is a tenant DOD agency on Fort Meade. NSA is a high-technology organization that is on the frontier of communications and data processing. In order to meet mission growth requirements as well as provide consolidated facilities that are fully-supportive of the Intelligence Community's mission, development of a modern operational complex is needed at the NSA campus on Fort Meade.

Proposed Action and Alternatives: The Campus Development Project was initiated to provide a modern operational complex to meet the growth requirements of NSA and consolidated facilities for Intelligence Community use. Development is proposed for a portion of Fort Meade (referred to as "Site M") adjacent to the NSA campus. Site M is divided into northern (Site M1, 137 acres) and southern (Site M2, 99 acres) portions. DOD proposes that development of Site M occur in three option phases over a horizon of approximately 20 years.

- *Phase I.* Development would occur in the near term on the western half of Site M1, supporting 1.8 million square feet of facilities for NSA to consolidate mission elements, enabling services, and support services across the campus based on function; servicing the need for more collaborative environment and optimal adjacencies, including associated infrastructure (e.g., electrical substation and generator plants providing 60 megawatts of electricity) and administrative functions for up to 6,500 personnel.

- *Phase II.* Development would occur in the mid-term on the eastern half of Site M1, supporting 1.2 million square feet of administrative facilities.

- *Phase III.* Development would occur on Site M2 in the long term, supporting an additional 2.8 million square feet of administrative facilities, bringing built space to 5.8 million square feet for up to 11,000 personnel.

Alternatives identified include each of the development phases identified above, as well as three options for
