

application was submitted pursuant to the provisions of the Foreign-Trade Zones Act, as amended (19 U.S.C. 81a–81u), and the regulations of the Board (15 CFR part 400). It was formally filed on November 19, 2010.

The GEA Bloomington facility (500 employees, 80.0 acres, 800,000 unit capacity) is located at 301 N. Curry Pike, Bloomington, Indiana. The facility is used for the manufacture and distribution of refrigerators. Components and materials sourced from abroad (representing 50% of the value of the finished product) include: ABS resin, plastic fittings, rubber gaskets, screws, bolts, hinges, brackets, metal plates, compressors, filters, taps, valves, motors, inverters, wire harnesses, switches, plugs, sockets, electronic control boards, lamps, light dispensers, harness machines, conductors, and refrigerator parts (duty rate ranges from duty free to 8.6%).

FTZ procedures could exempt GEA Bloomington from customs duty payments on the foreign components used in export production. The company anticipates that less than 1% of the plant's shipments will be exported. On its domestic sales, GEA Bloomington would be able to choose the duty rates during customs entry procedures that apply to refrigerators and refrigerator parts (duty free) for the foreign inputs noted above. FTZ designation would further allow GEA Bloomington to realize logistical benefits through the use of weekly customs entry procedures. Customs duties also could possibly be deferred or reduced on foreign status production equipment. The request indicates that the savings from FTZ procedures would help improve the plant's international competitiveness.

In accordance with the Board's regulations, Maureen Hinman of the FTZ Staff is designated examiner to evaluate and analyze the facts and information presented in the application and case record and to report findings and recommendations to the Board.

Public comment is invited from interested parties. Submissions (original and 3 copies) shall be addressed to the Board's Executive Secretary at the address below. The closing period for their receipt is January 31, 2011. Rebuttal comments in response to material submitted during the foregoing period may be submitted during the subsequent 15-day period to February 14, 2011.

A copy of the application will be available for public inspection at the Office of the Executive Secretary, Foreign-Trade Zones Board, Room 2111, U.S. Department of Commerce, 1401

Fresh Garlic From the People's Republic of China: Extension of Time Limit for Preliminary Results of Antidumping Duty New Shipper Reviews

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

DATES: *Effective Date:* November 30, 2010.

FOR FURTHER INFORMATION CONTACT:

Jacqueline Arrowsmith (Yantai Jinyan Trading, Inc.), Milton Koch (Jining Yifa Garlic Produce Co., Ltd.), Justin Neuman (Shenzhen Bainong Co., Ltd.), AD/CVD Operations, Office 6, Import Administration, International Trade Administration, Department of Commerce, Room 7866, 14th Street and Constitution Avenue, NW., Washington DC 20230; telephone: (202) 482–5255, (202) 482–2584, and (202) 482–0486, respectively.

Background

On July 7, 2010, the Department published the initiation of the new shipper reviews of the antidumping duty order on fresh garlic from the People's Republic of China for three exporters: Shenzhen Bainong Co., Ltd. (Bainong), Jining Yifa Garlic Produce Co., Ltd. (Yifa) and Yantai Jinyan Trading, Inc. (Jinyan). The period of review (POR) for Bainong and Yifa is November 1, 2009 through April 30, 2010. The POR for Jinyan is November 1, 2009 through May 31, 2010. *See Fresh Garlic From the People's Republic of China: Initiation of New Shipper Reviews*, 75 FR 38986 (July 7, 2010).

Extension of Time Limit for the Preliminary Results

Section 751(a)(2)(B)(iv) of the Tariff Act of 1930, as amended (the Act), and 19 CFR 351.214(i)(1) require the Department to issue the preliminary results of a new shipper review within 180 days after the date on which the review was initiated, and the final results of the review within 90 days after the date on which the preliminary results were issued. However, if the Department concludes that a new shipper review is extraordinarily complicated, section 751(a)(2)(B)(iv) of the Act and 19 CFR 351.214(i)(2) allow the Department to extend the 180-day period to 300 days, and to extend the 90-day period to 150 days. The current deadline for the preliminary results is December 27, 2010. The Department has determined that these new shipper reviews involve extraordinarily complicated methodological issues, which require the examination of importer and customer information for Bainong, Jinyan, and Yifa. Additional time is also required to ensure that the Department can fully examine whether the sales under review are *bona fide* for each of the three companies under review.

Therefore, the Department is extending the deadline for completion

of the preliminary results of these new shipper reviews to 300 days, in accordance with section 751(a)(2)(B)(iv) of the Act and 19 CFR 351.214(i)(2). Accordingly, the deadline for the completion of these preliminary results is now no later than April 26, 2011.

This notice is issued and published pursuant to sections 751(a)(3)(A) and 777(i)(1) of the Act.

Dated: November 22, 2010.

Susan H. Kuhbach,

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.

Certain New Pneumatic Off-the-Road Tires From the People's Republic of China: Partial Rescission of Countervailing Duty Administrative Review

AGENCY: Import Administration, International Trade Administration, Department of Commerce.

SUMMARY: The Department of Commerce (the Department) is rescinding, in part, the administrative review of the countervailing duty order on certain new pneumatic off-the-road tires (OTR Tires) from the People's Republic of China (PRC) for the period January 1, 2009, through December 31, 2009, with respect to Guizhou Tyre Co., Ltd., Guizhou Advanced Rubber Co., Ltd., and Guizhou Tyre Import and Export Corporation (collectively, Guizhou Tyre). This partial rescission is based on the withdrawal by Guizhou Tyre of its request for a review.

DATES: *Effective Date:* November 30, 2010.

FOR FURTHER INFORMATION CONTACT:

Emily Halle, AD/CVD Operations, Office 6, Import Administration, International Trade Administration, Department of Commerce, 14th Street and Constitution Avenue, NW., Washington, DC 20230; telephone: (202) 482-0176.

SUPPLEMENTARY INFORMATION:

Background

The Department published a notice of opportunity to request an administrative review of the countervailing duty order on OTR Tires from the PRC. *See Antidumping or Countervailing Duty Order, Finding, or Suspended Investigation; Opportunity To Request Administrative Review*, 75 FR 53635

(September 1, 2010). Guizhou Tyre timely requested an administrative review of the countervailing duty order on OTR Tires from the PRC for the period January 1, 2009, through December 31, 2009. In addition, the Department received timely requests from eight other companies: Tianjin United Tire and Rubber International Co., Ltd. (TUTRIC); Shandong Huitong Tyre Co., Ltd.; Qingdao Hengda Tyres Co., Ltd.; Qingdao Sinorient International Ltd.; Qingdao Qizhou Rubber Co., Ltd.; Techking Tires Limited; Qingda Etyre International Trade Co., Ltd.; and Wengdeng Sanfeng Tyre Co., Ltd. These eight companies only requested reviews of themselves. In accordance with section 751(a)(1) of the Tariff Act of 1930, as amended (the Act) and 19 CFR 351.221(c)(1)(i), the Department published a notice initiating an administrative review of the countervailing duty order. *See Initiation of Antidumping and Countervailing Duty Administrative Reviews*, 75 FR 66349 (October 28, 2010).

Rescission, in Part, of Countervailing Duty Administrative Review

The Department's regulations provide that the Department will rescind an administrative review if the party that requested the review withdraws its request for review within 90 days of the date of publication of the notice of initiation. *See* 19 CFR 351.213(d)(1). Guizhou Tyre timely withdrew its request within the 90-day deadline. Therefore, as no other party requested a review of Guizhou Tyre, in accordance with 19 CFR 351.213(d)(1), the Department is rescinding this administrative review of the countervailing duty order with respect to Guizhou Tyre. The Department will choose mandatory respondents from the remaining eight companies for which a review was requested: TUTRIC; Shandong Huitong Tyre Co., Ltd.; Qingdao Hengda Tyres Co., Ltd.; Qingdao Sinorient International Ltd.; Qingdao Qizhou Rubber Co., Ltd.; Techking Tires Limited; Qingda Etyre International Trade Co., Ltd.; and Wengdeng Sanfeng Tyre Co., Ltd.

Assessment

The Department will instruct U.S. Customs and Border Protection (CBP) to assess countervailing duties on all appropriate entries. For Guizhou Tyre, countervailing duties shall be assessed at rates equal to the cash deposit or bonding rate of the estimated countervailing duties required at the time of entry, or withdrawal from warehouse, for consumption, in accordance with 19 CFR

351.212(c)(1)(i). The Department intends to issue appropriate assessment instructions directly to CBP 15 days after publication of this notice.

Notification Regarding Administrative Protective Order

This notice serves as a final reminder to parties subject to administrative protective order (APO) of their responsibility concerning the disposition of proprietary information disclosed under APO in accordance with 19 CFR 351.305(a)(3), which continues to govern business proprietary information in this segment of the proceeding. Timely written notification of the return/destruction of APO materials or conversion to judicial protective order is hereby requested. Failure to comply with the regulations and terms of an APO is a violation which is subject to sanction.

This notice is issued and published in accordance with sections 751(a)(1) and 777(i)(1) of the Act, and 19 CFR 351.213(d)(4).

Dated: November 23, 2010.

Acting Deputy Assistant Secretary for Antidumping and Countervailing Duty Operations.
