

governing offsets in 7 CFR part 3 apply to FSCSC payments.

If an FSCSC payment resulted from erroneous information provided by a participant, or any person acting on their behalf, the payment will be recalculated and the participant must refund any excess payment with interest calculated from the date of the disbursement of the payment. If FSA determines that the applicant intentionally misrepresented information provided on their application, the application will be disapproved and the applicant must refund the full payment to FSA with interest from the date of disbursement.

In either applying for or participating in FSCSC, or both, the applicant is subject to laws against perjury (including but not limited to 18 U.S.C. 1621). If the applicant willfully makes and represents as true any verbal or written declaration, certification, statement, or verification that the applicant knows or believes not to be true, in the course of either applying for or participating in FSCSC, or both, then the applicant may be found to be guilty of perjury. Except as otherwise provided by law, if guilty of perjury the applicant may be fined, imprisoned for not more than 5 years, or both, regardless of whether the applicant makes such verbal or written declaration, certification, statement, or verification within or outside the United States.

For the purposes of the effect of a lien on eligibility for Federal programs (28 U.S.C. 3201(e)), USDA waives the restriction on receipt of funds under FSCSC but only as to beneficiaries who, as a condition of the waiver, agree to apply the FSCSC payments to reduce the amount of the judgment lien.

In addition to any other Federal laws that apply to FSCSC, the following laws apply: 18 U.S.C. 286, 287, 371, and 1001.

Paperwork Reduction Act Requirements

In compliance with the Paperwork Reduction Act (44 U.S.C. 3501–3520), there are no changes to the approved information collection under OMB control number of 0560–0311.

The purpose of FSCSC is to provide assistance to specialty crop operations for eligible costs related to food safety certification. The Categorical Exclusions in 7 CFR 799.31 apply, specifically 7 CFR 799.31(b)(6)(iii) (that is, financial assistance to supplement income). No Extraordinary Circumstances (7 CFR 799.33) exist.
