

active collaboration of all project participants during the entire period of this project.

5. Principal Investigator and Staff: (20 percent)

a. The extent to which the qualifications and the proposed project time allocation of the principal investigator are described. A principal investigator who has conducted, evaluated, and published asthma research in peer-reviewed journals, and has specific authority and responsibility to carry out the proposed project is expected.

b. The extent to which a description of additional staff to be assigned to this project, their qualifications, the proposed project time allocation, and the role of the proposed staff is linked to program objectives.

c. The extent to which the facilities and other resources that would define the applicant's capacity to accomplish the project are described.

6. Evaluation Plans: (15 percent)

The extent to which the applicant has described a realistic and comprehensive plan to accurately measure changes in population-based asthma morbidity, specific asthma care, asthma education or other significant intervention strategies over time using qualitative and quantitative methods will be scored. The ability of the applicant to begin the baseline data collection during the planning phase and to conduct a process evaluation of the planning period will be part of this evaluation score.

7. Budget: (not scored)

The extent to which the budget is clearly detailed, justified, and appropriate for activities proposed.

Administration for Children and Families

Submission for OMB review; Comment request

Title: Voluntary Surveys of Program Partners to Implement Executive Order.

OMB No.: 0980–0266.

Description: Description: Under the provisions of the Federal Paperwork Reduction Act of 1995 (Pub. L. 104–13), the Administration for Children and Families (ACF) is requesting clearance for instruments to implement Executive Order 12862 within the ACF. The purpose of the data collection is to obtain customer satisfaction information from those entities who are funded to be our partners in the delivery of services to the American public. ACF partners are those entities that receive funding to deliver services or assistance from ACF programs. Examples of partners are States and local governments, territories, service providers, Indian Tribal organizations, grantees, researchers, or other intermediaries serving target populations identified by and funded directly or indirectly by ACF. The surveys will obtain information about how well ACF is meeting the needs of our partners in operating the ACF programs.

Respondents: State, Local, Tribal Governments or Not-for Profit institutions.

ANNUAL BURDEN ESTIMATES

Instrument	Number of respondents	Number of responses per respondent	Average burden hours per response	Total burden hours
