Extension of Time Limit for Preliminary Results

The Department requires additional time to review and analyze the responses in this administrative review. Because the Department requires additional time to analyze the information, it is not practicable to complete this review within the anticipated time limit (*i.e.* December 22, 2008). Therefore, the Department is extending the time limit for completion of the preliminary results by an additional eight days (for a total extension of 120 days) to not later than December 30, 2008, in accordance with section 751(a)(3)(A) of the Act.

We are issuing this notice in accordance with sections 751(a)(3)(A) of the Act.

Extension of Time Limit for Final Results

Under 19 CFR 351.216(e), the Department will issue the final results of a CCR within 270 days after the date on which the Department initiates the changed circumstances review. Currently, the final results of the AD CCR, which cover Lensi, a producer/exporter of pasta from Italy, and AIPC, Lensi's corporate parent and importer of subject merchandise produced by Lensi, are due by December 22, 2008. As explained above, the Department has placed certain information regarding Lensi on the record of the AD CCR. The Department finds that it requires additional time to review the new factual information contained in the October 17, 2008 submission of Lensi and AIPC. Therefore, in order to have sufficient time to review the new factual information placed on the record of the AD CCR, we are extending the due date of the final results of the AD CCR by 11 days in accordance with 19 CFR 351.302(b). Therefore, the final results of the AD CCR are now due no later than January 2, 2009.

This notice is issued and published in accordance with sections 751(b) and 777(i) of the Tariff Act of 1930, as amended.

Dated: December 19, 2008.
