SUPPLEMENTARY INFORMATION:

Correction

On page 28745 of the May 21 NIA, we requested that applicants submit a short e-mail as a notice of intent to apply by June 1 to allow us to develop a more efficient process for reviewing grant applications. We incorrectly stated, however, that the "short e-mail should provide (1) the applicant organization's name and address, (2) the type of grant for which the applicant intends to apply, (3) the one absolute priority the applicant intends to address, and (4) all competitive preference priorities the applicant intends to address." We are correcting the May 21 NIA to provide applicants with the correct information about what the notice of intent to apply should include.

On page 28745, first column, first paragraph, under the heading *Notice of Intent to Apply*, the third sentence is corrected to read "This short e-mail should provide the applicant organization's name and address and whether the applicant intends to apply for the Evaluation or Main TIF competition."
