[CC Docket No. 96-45; DA 03-3825]

ALLTEL Communications, Inc. Petition for Designation as an Eligible Telecommunications Carrier and Rural Service Area Redefinition in Georgia

AGENCY: Federal Communications Commission.

ACTION: Notice; solicitation of comments.

SUMMARY: In this document, the Wireline Competition Bureau sought comment on the ALLTEL Communications, Inc. (ALLTEL) petition. ALLTEL is seeking designation as an eligible telecommunications carrier (ETC) to receive federal universal service support for service offered throughout its licensed service area in the state of Georgia. ALLTEL also requests that the Commission redefine certain rural service areas.

ADDRESSES: Federal Communications Commission, 445 12th Street, SW., Washington, DC 20554. See

FOR FURTHER INFORMATION CONTACT: Karen Franklin, Attorney, Wireline Competition Bureau, Telecommunications Access Policy Division, (202) 418-7400, TTY (202) 418-0484.

SUPPLEMENTARY INFORMATION: This is a summary of the Commission's Public Notice, CC Docket No. 96-45, released November 26, 2003. On August 26, 2003, ALLTEL filed with the Commission a petition pursuant to section 214(e)(6) of the Communications Act of 1934, as amended, so that it can receive federal universal service support in the state of Georgia. ALLTEL also requests that the Commission redefine

certain rural service areas pursuant to section 54.207 of the Commission's rules. ALLTEL provides commercial mobile radio services and seeks federal universal service support for its service offered in non-rural wire centers currently served by BellSouth Telecomm Inc., and for service offered in rural wire centers currently served by Quincy Telephone Co., Progressive Rural Telephone Cooperative, Planters Rural Telephone Cooperative, Plant Telephone Co., Pineland Telephone Cooperative, Pembroke Telephone Co., Inc., Hawkinsville Telephone Co., Glenwood Telephone Co., Georgia Telephone Corp., Frontier Communications of Georgia, Darien Telephone Co. Inc., Coastal Utilities, Inc., Camden Telephone & Telegraph Co., Bulloch County Rural Telephone Co., Brantley Telephone Co. Inc., Alma Telephone Co., Inc., ALLTEL Georgia Communication Corporation, ALLTEL Georgia, Inc., Georgia ALLTEL Telecomm Inc., and Accucomm Telecommunications, Inc. ALLTEL has requested that the Commission consider ALLTEL's request to become an ETC in non-rural service areas separately from its rural area ETC designation requests, if such bifurcation would expedite Commission action on ALLTEL's ETC petitions as they relate to the non-rural service areas.

ALLTEL asserts that the Georgia Public Service Commission (Georgia Commission) does not regulate commercial mobile radio service providers for purposes of making determinations concerning eligibility for ETC designations and presents a letter from the Georgia Commission acknowledging its lack of such jurisdiction. Hence, according to ALLTEL, the Commission has jurisdiction under section 214(e)(6) to consider and grant its petition. ALLTEL also maintains that it satisfies all the statutory and regulatory prerequisites for ETC designation and that designating ALLTEL as an ETC in areas served by rural LECs will serve the public interest.

In accordance with section 54.207 of the Commission's rules, ALLTEL requests that the Commission designate ALLTEL as an ETC in a service area defined along boundaries that differ from the incumbent rural local exchange carriers' study area boundaries. The service area requested by ALLTEL for ETC designation partially covers the study areas of ALLTEL Georgia, Inc., ALLTEL Georgia Communications Corporation, Frontier Communications of Fairmont, Georgia ALLTEL Telcomm Inc., and Plant Telephone Company. ALLTEL requests a redefinition of these

rural service areas so each wire center in each of the respective study areas is designated as a separate service area. ALLTEL limits its redefinition request to those wire centers that ALLTEL serves in its entirety and notes that where ALLTEL serves only a portion of a wire center, it does not request ETC status for that wire center. ALLTEL maintains that the proposed redefinition of service areas for ETC purposes is consistent with the factors to be considered when redefining a rural telephone company service area, as enumerated by the Federal-State Joint Board on Universal Service. The Wireline Competition Bureau seeks comment on the ALLTEL Petition.

The petitioner must provide copies of its petition to the Georgia Commission. The Commission sent a copy of this Public Notice to the Georgia Commission by overnight express mail to ensure that the Georgia Commission is notified of the notice and comment period.

Pursuant to §§ 1.415 and 1.419 of the Commission's rules, 47 CFR 1.415, 1.419, interested parties may file comments as follows: comments are due on or before January 12, 2004, and reply comments are due on or before January 26, 2004.
